Shakespeare'S First Folio William Shakespeare,2025-02-10 Shakespeare s First Folio is a seminal collection of William Shakespeare s plays first published in 1623 This volume is a landmark in literary history preserving for posterity the works of one of the greatest playwrights in the English language Compiled by Shakespeare s friends and colleagues John Heminges and Henry Condell the First Folio includes 36 plays many of which had not been published before The First Folio features the complete texts of some of Shakespeare s most famous works including Macbeth Hamlet Othello and King Lear among others

It is notable for including plays that were previously unknown or had only existed in incomplete form such as *The Tempest*, *Julius Caesar* and *The Winter's Tale*. The significance of the First Folio lies not only in its preservation of Shakespeare's complete works but also in its role in establishing his reputation as a playwright. The volume's editorial decisions, textual accuracy, and historical importance make it a critical resource for scholars and enthusiasts of Shakespearean drama. Shakespeare's First Folio is essential for anyone interested in the Bard's oeuvre and provides a fascinating glimpse into early modern English theater and publishing.

Fiction you can share with your mom. Even better than that, you can introduce yourself to the series for free. The Jolie Gentil mystery series debuted in October 2011 with *Appraisal for Murder*. It was followed by *Rekindling Motives*, *When the Carney Comes to Town*, and *Any Port in a Storm*. Jolie is a real estate appraiser in a New Jersey Beach town, and her flexible schedule seems to allow plenty of time for trouble. With a name that translates to "pretty nice" thanks to her French Canadian dad, she's used to teasing, and her embezzler ex-husband taught her more about trouble than she ever expected. But stumbling across dead bodies in the middle of the work day? That's a new one. As she reconnects with old friend and walks Aunt Madge's prune-eating dogs, Jolie tries to stay one step ahead of murder.
