First Census Of The United States 1790 Rhode Island:

Heads of Families at the First Census of the United States Taken in the Year 1790 United States. Bureau of the Census,1992 The original 1790 enumerations covered the present states of Connecticut Delaware Georgia Kentucky Maine Maryland Massachusetts New Hampshire New Jersey New York North Carolina Pennsylvania Rhode Island South Carolina Tennessee Vermont and Virginia Unfortunately not all the schedules have survived the returns for the states of Delaware Georgia Kentucky New Jersey Tennessee and Virginia having been lost or destroyed possibly when the British burned the Capitol at Washington during the War of 1812 though there seems to be no proof for this For Virginia taxpayer lists made in the years 1782 1785 have been reconstructed as replacements for the original returns publisher website December 2008
