2000, [First Dawn](#) Judith Miller, 2005 When the lives of two families black sharecroppers and a white doctor's family intersect in Kansas neither of their neighboring towns will ever be the same **The Braided Dream** Randolph Paul Runyon, 2021-12-14 Robert Penn Warren's reputation as a poet though always considerable has soared in the last decade as indicated by his recent selection as America's first poet laureate The Braided Dream is one of the first book length studies of the poetry that has led to Warren's recent rise to eminence and the first to consider his final collection Altitudes and Extensions In a communicable jargon free style that will appeal to the nonacademic reader as well as the serious scholar Randolph Paul Runyon provides a detailed and illuminating guide to a body of poetry that despite its greatness has until now seemed resistant to full understanding Every poem of Warren's last four sequences Now and Then Being Here Rumor Verified and Altitudes and Extensions is given a close reading with a precise laying out of words phrases and recurring images that not only enrich the texture of the poetry but are themselves the texture Runyon demonstrates the relevance of Freud's concept of the dream work of the unconscious to a reading of this tightly interwoven poetry He shows how Warren's poems assume additional meanings by the poet's very arrangement of them deepening his thesis by arguing that poems eat poems as each reuses and reconceptualizes the imagery of its predecessor frequently with ironic or parodic effect **Reimagining Stepmother** Patrycja Sosnowska-Buxton, 2025-05-23 Stepmothers often battle with a range of negative myths and stereotypes with Cinderella's wicked stepmother being the most infamous Drawing on 20 in depth interviews with British stepmothers this book reimagines the expectations practices and position of stepmothers through a feminist sociological lens Combining firsthand accounts including the author's own experiences the book reveals the complexities of stepfamily dynamics and how stepmothers navigate them By examining the interplay between personal experiences and broader gendered historical and social structures the author offers a fresh perspective on contemporary stepmothers and stepfamilies **Tractate Berakhot** Heinrich W. Guggenheimer, 2013-02-06 After World War II Ernst Ludwig Ehrlich 1921 2007 published works in English and German by eminent Israeli scholars in this way introducing them to a wider audience in Europe and North America The series he founded for that purpose Studia Judaica continues to offer a platform for scholarly studies and editions that cover all eras in the history of the Jewish religion [The Harmonicon](#) , 1827

Re-Creating Primordial Time Gabrielle Vail, Christine Hernández, 2013-10-15 Re-Creating Primordial Time offers a new perspective on the Maya codices documenting the extensive use of creation mythology and foundational rituals in the hieroglyphic texts and iconography of these important manuscripts Focusing on both pre-Columbian codices and early colonial creation accounts Vail and Hernández show that in spite of significant cultural change during the Postclassic and Colonial periods the mythological traditions reveal significant continuity beginning as far back as the Classic period Remarkable similarities exist within the Maya tradition even as new mythologies were introduced through contact with the

Gulf Coast region and highland central Mexico Vail and Hernandez analyze the extant Maya codices within the context of later literary sources such as the Books of Chilam Balam the Popol Vuh and the Cdice Chimalpopoca to present numerous examples highlighting the relationship among creation mythology rituals and lore Compiling and comparing Maya creation mythology with that of the Borgia codices from highland central Mexico Re Creating Primordial Time is a significant contribution to the field of Mesoamerican studies and will be of interest to scholars of archaeology linguistics epigraphy and comparative religions alike **Freedom Talks No. II** Julia Seton, 2024-03-04 Reproduction of the original The publishing house Megali specialises in reproducing historical works in large print to make reading easier for people with impaired vision

horizon of our journey It is a testament to the indomitable human spirit that even in the face of unimaginable loss finds the strength to heal and grow These poems speak of hope and renewal of finding light in the heart of darkness Verses from the Void Poetry for the Mourning Soul is more than a collection of poems it is a compassionate companion for those navigating the winding path of grief It is an acknowledgement of the pain a celebration of the memories and ultimately a beacon of hope towards healing and reconciliation It is my sincere hope that these verses bring solace to your mourning soul reminding you that even in the darkest nights the dawn awaits **American Names for Boys and Girls** Hseham Amrahs,2023-12-31
