## First Drafts Eyewitness Accounts From Canadas Past:

The Good Allies Tim Cook, 2025-09-16 Cook takes on arguably his most ambitious topic yet and succeeds brilliantly. Remarkably detailed and wise. Policy Magazine. From our country's most important war historian a gripping account of the turbulent relationship between Canada and the US during the Second World War. The two nations entered the war amidst rivalry and mutual suspicion but learned to fight together before emerging triumphant and bound by an alliance that has lasted to this day. When the Second World War broke out in 1939 it set in motion a deadly struggle between the Axis powers and the Allies but also fraught negotiations between and among the Allies. On questions of diplomacy economic policy industrial might military capabilities and even national sovereignty thousands of lives and the fate of the free world depended on back room deals and desperate trade offs between soldiers diplomats and leaders. In North America Canada and the US strained to forge a new military alliance to guard their coasts and fend off German U boats and the menace of a Japanese invasion. Wartime economies were entwined to produce a staggering contribution of weapons to keep Britain and other allies in the war. The defence of North America against enemy threats was essential before the US and Canada could send armies navies and air forces overseas. In his trademark style Tim Cook employs eyewitness accounts to vividly lay bare the brutality of combat and the courage of North Americans under fire. Behind the fighting fronts the charged and often secret communications between national leaders Churchill Roosevelt and King reveal how their personalities shaped the outcome of history's most destructive war the fate of the British Empire and the North American alliance that lives on to this day. The Good Allies is a masterful account of how Canadians and Americans made the transition from wary rivals to steadfast allies and how Canada thrived in the shadow of the military and global superpower. In exploring this complex and crucial dimension of the Second World War and its legacy Cook recounts two nations story of cooperation of sacrifice and of bleeding together to save the world from the fascist threat. John A.: 1815-1867 Richard J. Gwyn, 2007 But it wasn't easy. The wily Macdonald faced constant crises throughout these years from Louis Riel's two rebellions through to the Pacific Scandal that almost undid his government and his quest to find the spine of the nation the railroad that would link east to west. Gwyn paints a superb portrait of Canada and its leaders through these formative years and also delves deep to show us Macdonald the man as he marries for the second time deals with the birth of a disabled child and the assassination of his close friend Darcy McGee and wrestles with whether Riel should hang. pub desc v 2 *Nation Maker* Richard J. Gwyn, 2011 The second volume of a two volume biography of the life and political career of Canada's first prime minister Sir John A Macdonald. **John A** Richard J. Gwyn, 2009-03-18 The first full scale biography of Canada's first prime minister in half a century by one of our best known and most highly regarded political writers. The first volume of Richard Gwyn's definitive biography of John A Macdonald follows his life from his birth in Scotland in 1815 to his emigration with his family to Kingston Ontario to his days as a young rising lawyer to his tragedy ridden first marriage to the birth of his political ambitions to his commitment to the

all but impossible challenge of achieving Confederation to his presiding with his second wife Agnes over the first Canada Day of the new Dominion in 1867 Colourful intensely human and with a full measure of human frailties Macdonald was beyond question Canada's most important prime minister This volume describes how Macdonald developed Canada's first true national political party encompassing French and English and occupying the centre of the political spectrum To perpetuate this party Macdonald made systematic use of patronage to recruit talent and to bond supporters a system of politics that continues to this day Gwyn judges that Macdonald if operating on a small stage possessed political skills of manipulation and deception as well as an extraordinary grasp of human nature of the same calibre as the greats of his time such as Disraeli and Lincoln Confederation is the centerpiece here and Gwyn's commentary on Macdonald's pivotal role is original and provocative But his most striking analysis is that the greatest accomplishment of nineteenth century Canadians was not Confederation but rather to decide not to become Americans Macdonald saw Confederation as a means to an end its purpose being to serve as a loud and clear demonstration of the existence of a national will to survive The two threats Macdonald had to contend with were those of annexation by the United States perhaps by force perhaps by osmosis and equally that Britain just might let that annexation happen to avoid a conflict with the continent's new and unbeatable power Gwyn describes Macdonald as Canada's first anti American And in pages brimming with anecdote insight detail and originality he has created an indelible portrait of the irreplaceable man the man who made us Macdonald hadn't so much created a nation as manipulated and seduced and connived and bullied it into existence against the wishes of most of its own citizens Now that Confederation was done Macdonald would have to do it all over again having conjured up a child nation he would have to nurture it through adolescence towards adulthood How he did this is however another story He never made the least attempt to hide his vice unlike say his contemporary William Gladstone with his sallies across London to save prostitutes or Mackenzie King with his crystal ball gazing Not only was Macdonald entirely unashamed of his behaviour he often actually drew attention to it as in his famous response to a heckler who accused him of being drunk at a public meeting Yes but the people would prefer John A drunk to George Brown sober There was no hypocrisy in Macdonald's make up nor any fear from John A Macdonald

*Explorers of the Pacific Northwest* Betty Sherwood, Janet Snider, 2003 History of the Pacific Northwest is alive with adventure vision daring intelligence strength and nerve

*The Weight of Command* J.L. Granatstein, 2016-08-01

Three quarters of a century after the Second World War almost all the participants are gone This book contains interviews with and about the Canadian who led the troops during that war Edited and introduced by one of the foremost military historians of our time this carefully curated collection brings to life the generals and their wartime experiences The interviews are based on lengthy conversations that J L Granatstein had with the surviving generals their key staff officers fighters under their command and their families Generals McNaughton Crerar Simonds Foulkes and Burns are among those discussed The content is revealing and conversations frank Peers and subordinates alike scrutinize key commanders of the

war sometimes offering praise but often passing harsh judgment We learn of their failings and successes and of the heavy weight of command borne by all      *East-West Exposure 101* Kenneth Lan,2019-09-16 I wrote this book to fulfil my lifelong curiosity For years I have been fascinated by the history of my undergraduate major How did I become a major of East Asian Studies during my undergraduate days How did such geographically oriented field of studies begin in some Canadian universities Why was there such a high demand for this unique discipline Are students genuinely fascinated by the educational value of this discipline Or are they interested in learning about the Pacific Rim in order to tool themselves for future opportunities there This book was completed through sources obtained during multiple from various Canadian university archives It does not reinforce an explicit one size fits all theory East Asian programs highlighted were established under different heads of universities But all of them one thing in common Each was founded to accommodate the dynamics of Canadian foreign policy in the twentieth century history      *Canada's Army* J.L. Granatstein,2021-09-13 In this revised and updated third edition one of Canada s leading historians covers the history of the Canadian military to the present day

*Edmonton In Our Own Words* Linda Goyette,Carolina Jakeway Roemmich,2005-04-18 Linda Goyette and Carolina Roemmich have tapped Edmonton s collective memoir through the written record the spoken stories and the vast silences All of the people who ever lived at this bend in the North Saskatchewan took part in creating the city we know as Edmonton Through traditional Indigenous stories about the earliest travellers along the bend in the river diaries archival records and letters of 19th century inhabitants and the recollections of living residents who talk about the emerging city Edmonton s history is told using the words and stories of the people who have called this city home Citizens with diverse viewpoints speak for themselves describing important events in Edmonton s social political and economic development Foreword by Keith Turnbull The official publication of the City of Edmonton s Centennial Edmonton In Our Own Words includes many never seen before photographs from private collections historic maps and a timeline of Edmonton s history Imagine a conversation between Edmonton s past inhabitants and its living citizens What would we tell the rest of the world about our place on the map What stories would we tell with tears in our eyes or laughter or pride In Edmonton In Our Own Words experience the personal stories of eyewitnesses and descendants explaining arguing crying scolding laughing and interrupting one another in a city s evolving conversation with itself as Edmonton celebrates its past and future The authors tap Edmonton s collective memoir through written records and spoken stories All those who ever lived at this bend in the North Saskatchewan took part in creating the city we know as Edmonton Citizens with diverse viewpoints speak for themselves describing important events in the city s social political and economic development      *War and Peace in the Religious Conflicts of the Long Sixteenth Century* Gianmarco Braghi,Davide Dainese,Christopher B. Brown,Günter Frank,Barbara Mahlmann-Bauer,Tarald Rasmussen,Violet Soen,Zsombor Tóth,Günther Wassilowsky,Siegrid Westphal,2022-11-14 This collection of essays seeks to analyse historically these influences connections and impact from

multiple points of view such as but not limited to the links between war and rebellion the issues of trust and religious violence early modern university debates on war and peace the problems engendered by intolerance and the difficult management of tolerance the delicate matters of politico religious accommodation and the implementation of peace in towns and contested territories the reappraisals and changes in the narratives of military prowess and religious fidelity the role of women in the religious conflicts in the long sixteenth century the porous boundaries imagined or real which existed between enemies in times of war and the issues connected to the cohabitation with the Other in times of peace **Archivaria** ,2003

**Medals on My Kitchen Wall** Jacqueline van Campen,2007-02-14 I left Canada in 1953 to work for the Red Cross in the Far East for the Canadian Forces in Korea and Japan After my tour of duty I went to Australia where I worked and hitchhiked to the Outback On my way to South Africa I visited the Dutch West Indies Borneo Thailand Singapore Burma and India I spent two months traveling by bus and train in India three weeks of which were in Kashmir Once I arrived in Africa I worked in Durban and hitchhiked around South Africa and neighboring countries I left for England in 1958 and I returned home to Quebec City in the fall of that year Standard Cataloging for School and Public Libraries Sheila S. Intner,Jean Weihs,2014-12-16 A proven resource for librarians and students this updated classic opens the door to understanding current library cataloging processes shows you how to use them to create standard catalog records and provides guidance in managing the cataloging workflow Library cataloging and classification tools are constantly improving making this concise guide a necessity for any librarian or library student seeking improved understanding of the practical process of cataloging today With the release of RDA a new code for description and a new edition of Dewey Classification it s time for every library to add this fifth edition of a classic reference to your resources Two Margaret Mann Citation winners update you on the five basic steps in standardized library cataloging describing and adding access points for resources assigning subject headings using Sears List or Library of Congress subject headings classifying them using the Dewey Decimal or Library of Congress classification systems and digitizing the resulting records The book opens with a brief look at the environment in which cataloging now functions especially in response to advances in digital access It clarifies terminology explores new and changed applications and enhances understanding of basic principles for those responsible for creating cataloging data To get you ready for tomorrow the edition closes with a brief look at trends likely to affect cataloging in the foreseeable future

**Quill & Quire** ,2004 First Drafts J.L. Granatstein,Norman Hillmer,2003-12-18 From two of Canada s foremost historians comes a highly original compilation of eyewitness accounts from our nation s history Chosen for their immediacy and engaging qualities these first hand accounts are broad in scope including General James Wolfe s victory at Quebec in 1759 the escape of a fugitive slave the hanging of Metis leader Louis Riel suffragette Nellie McClung s crusade for women in 1914 the daring World War I exploits of ace pilot Billy Bishop the Canadian surrender to the Japanese in Hong Kong in 1941 the modern phenomenon of Wayne Gretzky and Canada s great success at the 2002 Olympic Games Drawn from letters

newspapers reportage and diaries these vivid accounts of history in the making cover the range of time from first contact to the present day providing an exciting and immediate window into Canada's diverse history     The Unmentionable History of the West Nancy Millar, 2006 The Unmentionable History of the West is a fond romp through the underwear that men and women wore in days gone by Think of corsets navy blue bloomers long underwear with its trap door and brassieres that could kill Think also of the other unmentionables that came along with being sexual beings Women had to hide their pregnancies talk of birth control was illegal seduction was a crime prostitution likewise There were so many silences so many secrets about the private lives of men and women Then along came the 1960s and the social revolution known as the women's movement Suddenly underwear was out girdles were gone and women began wearing pants What came first then the women's movement or pants The removal of restrictive underwear or the force that was Gloria Steinem The Unmentionable History of the West tackles these questions seriously but with a good dose of humour     Diefenbaker and Latin America Jason Gregory Zorbas, 2011-07-13 John Diefenbaker's Latin American policy was based on his vision of Canada's national interest which placed a strong emphasis on the achievement of greater autonomy in foreign policy for Canada vis vis the US and the expansion of Canadian exports to the region Though Diefenbaker was often accused of being driven by anti Americanism instead his Latin American policy was based on his vision of Canada's national interest For Diefenbaker an enhanced relationship with Latin America had the potential to lessen Canada's dependency on the US while giving Latin American countries an outlet for their trade commercial and financial relations other than the US This new approach implied that Canada would formulate and implement policy that focused more on Canadian political interests and goals It was not a matter of charting a totally independent policy from the US in Latin America true policy independence was impossible to achieve Nor was it the case that Canada would necessarily set itself in opposition to the US when it disagreed with its policies For Diefenbaker the goal was to pursue a foreign policy that was aligned with but not subservient to the US     Manitoba History ,2003     **America, History and Life** ,2007 Article abstracts and citations of reviews and dissertations covering the United States and Canada     *Canadian Book Review Annual* ,2003

## **First Drafts Eyewitness Accounts From Canadas Past** Book Review: Unveiling the Power of Words
