Intended to help preachers prepare sermons, the commentary series is essentially biblical and evangelical-catholic. This 19th-century commentary has served as a standard reference for more than a century. Many early reviewers regarded Schaff's edition with his additional material as superior to the original. It has proven to be a complete and useful Commentary and continues to prove especially valuable to ministers. It contains critical annotations of the text and its translation and a threefold commentary: exegetical, doctrinal, and homiletical. Under these three heads, the text is viewed from every aspect.

The First Epistle of John John Metcalfe, 2000 *The First Epistle of John Expounded in a Series of Lectures* Robert Smith Candlish, 1877 **The First Epistle of John** August Neander, 1851 [The First Epistle of John, Practically Explained](#) August Neander, 1856 **The Gospel and Epistles of John** Raymond Edward Brown, 1988 Father Brown has thoroughly revised, updated, and adjusted the commentary to the 1986 revised NAB translation of the Bible, making this edition of his best-selling book virtually a new work. **An Exposition of the First Epistle General of St. John** John Stock (M.A., Vicar of Finching Field, Essex.), 1865 [The Epistles of John](#) I. Howard Marshall, 1978-07-14 The three Epistles of John, according to the author, are concerned with the fundamentals of Christian belief and life: faith and love. The reader who grasps the message of these short but essential letters will have a sound basis in Christian doctrine. This group of Epistles is also a good starting point for the study of the Gospel of John. This important commentary was written not only so that students of the Bible might master the content of John's Epistles but that they might come to a proper understanding of Johannine theology as a whole. **An Exposition of the First Epistle of John** James Morgan, 2013-09 This historic book may have numerous typos and missing text. Purchasers can usually download a free scanned copy of the original book without typos from the publisher. Not indexed. Not illustrated. 1865 edition. Excerpt: "riest epistle of John lecture I That which was from the beginning which we have heard which we have seen with our eyes which we have looked upon and our hands have handled of the Word of life for the life was manifested and we have seen it and bear witness and shew unto you that eternal life which was with the Father and was manifested unto us that which we have seen and heard declare we unto you 1 John L 1 3 It has long been my desire to study and expound the first epistle of John. A seasonable time for doing so seems to me now to have come in the providence of God. And without dwelling on the reasons of this conclusion I proceed at once to engage in this important exercise, looking for that blessing of God which alone can render it effectual. A prominent design of the whole epistle seems to be expressed by the author in the fifth chapter at the thirteenth verse where he says: These things have I written unto you that believe on the name of the Son of God that ye may know that ye have eternal life and that ye may believe on the name of the Son of God. It is addressed to believers and intended to aid them in a work of self-examination that they may be assured of their interest in Christ and confirmed in their most holy faith. In the discussion of this subject many

topics are introduced The whole range of evangelical truth is traversed by the apostle The one great practical object however is never out of sight And of this peculiarity we shall endeavour to be mindful in the whole exposition should it please God to enable us to prosecute and complete it In the verses now to be considered the apostle may be understood as announcing his grand subject the mediatorial person of the Lord Jesus Christ It *John Calvin's Commentaries On St. Paul's First Epistle To The Corinthians Vol. 2* John Calvin,2012 This is the extended and annotated edition including an extensive biographical annotation about the author and his life Calvin produced commentaries on most of the books of the Bible His commentaries cover the larger part of the Old Testament and all of the new excepting Second and Third John and the Apocalypse His commentaries and lectures stand in the front rank of Biblical interpretation THE EPISTLES OF PAUL TO THE CORINTHIANS form a most important part of the Sacred Writings Though not so systematic as the Epistle to the ROMANS they contain many passages bearing directly on the fundamentally important doctrines of the Christian system while they are of the highest utility in connection with Practical Theology The disorders that had unhappily crept into the Church at Corinth gave occasion for the Apostle s handling at greater length than in any of his other Epistles various important points as to doctrine and worship while the relaxed state of discipline that had begun to prevail among them rendered it necessary to exhibit more fully the principles which ought to regulate the administration of the Christian Church In this the overruling hand of Him who brings good out of evil is strikingly apparent This volume contains chapters 15 and 16 along with the whole Second Epistle **Epistles of John** Dr. Brian J. Bailey,2017-09-14 In his commentary on the epistles of the Apostle John Dr Bailey develops the dominant message of love as well as the idea of Christian maturity Through his examination of the three levels of Christian maturity described by John little children young men and fathers you will be encouraged to enter into a deeper relationship with our blessed Lord as you go on to know Him and obtain the whole measure of the fullness of Christ *John Calvin's Bible Commentaries On St. Paul's First Epistle To The Corinthians Vol. 2* John Calvin, Calvin produced commentaries on most of the books of the Bible His commentaries cover the larger part of the Old Testament and all of the new excepting Second and Third John and the Apocalypse His commentaries and lectures stand in the front rank of Biblical interpretation THE EPISTLES OF PAUL TO THE CORINTHIANS form a most important part of the Sacred Writings Though not so systematic as the Epistle to the ROMANS they contain many passages bearing directly on the fundamentally important doctrines of the Christian system while they are of the highest utility in connection with Practical Theology The disorders that had unhappily crept into the Church at Corinth gave occasion for the Apostle s handling at greater length than in any of his other Epistles various important points as to doctrine and worship while the relaxed state of discipline that had begun to prevail among them rendered it necessary to exhibit more fully the principles which ought to regulate the administration of the Christian Church In this the overruling hand of Him who brings good out of evil is strikingly apparent This volume contains chapters 15 and 16 along with the whole Second Epistle
