First Friends and Queen of Sheba Roberta Smith Kroll,2014-12-12 Bob and Bernice Smith and Grandpop Schmidt taught Roberta all the lessons a young girl wanted to know about animals and nature Things changed a bit when Grandpop died and the family farm was sold The small family then searched for a place to relocate Their friends the Newharts found a place in Buckingham Township which they felt would fit the Smiths needs This farm was directly over the hill from her best friend Sallys home The purchase was made and named Bridle Path Farm Roberta Smith aka Rachel Snyder and Sally Newhart aka Sara Newman became best of friends and spent many years doing fun things The Smiths and Newharts became best friends for life also Roberta trained her animals and was a big help curing Brownie from his laminitis founder Sheba was the Smiths first horse Robertas dream of making the United States Equestrian Team was shattered when Sheba was injured and wasnt able to be ridden The Smiths went in search of a young horse to raise and train for Robertas future Trials of Reason David Wolfsdorf,2008-01-22 Scholarship on Plato s dialogues persistently divides its focus between the dramatic or literary and the philosophical or argumentative dimensions of the texts But this hermeneutic division of labor is na ve for Plato s arguments are embedded in dramatic dialogues and developed through complex largely informal exchanges between literary characters Consequently it is questionable how readers can even attribute arguments and theses to the author himself The answer to this question lies in transcending the scholarly divide and integrating the literary and philosophical dimensions of the texts This is the task of Trials of Reason The study focuses on a set of fourteen so called early dialogues beginning with a methodological framework that explains how to integrate the argumentation and the drama in these texts Unlike most canonical philosophical works the early dialogues do not merely express the results of the practice of philosophy Rather they dramatize philosophy as a kind of motivation the desire for knowledge of goodness They dramatize philosophy as a discursive practice motivated by this desire and ideally governed by reason And they dramatize the trials to which desire and reason are subject that is the difficulties of realizing philosophy as a form of motivation a practice and an epistemic achievement In short Trials of Reason argues that Plato s early dialogues are as much works of meta philosophy as philosophy itself School History of Pennsylvania Josiah Rhinehart Sypher,1869 The Friend ,1879 Newberg Tom Fuller,Christy Van Heukelem,2010 The land that became the city of Newberg played a crucial role in the founding of the state of Oregon It provided the second permanent encampment after Fort Astoria for trappers coming to the Pacific Northwest Ewing Young came to Oregon in 1834 claiming as his own a vast stretch of land around his home in the Chehalem Valley When Ewing died without a will nearby residents gathered to settle Ewing s estate This event led directly to the vote at Champoege to make Oregon part of the United States The town s name was given by pioneer Sebastian Brutscher after his Bavarian hometown of Neuburg Other settlers arrived and soon Newberg was a thriving pioneer town Among the new settlers were members of the Friends Church who set up an academy that is today one of the premier Christian universities in the country Newberg was

Helgoe Ph.D., 2008-03-04. A positive look at parenting sons. Here's a hands-on parenting guide that takes readers from the birth of their sons to the day they head off to college. In warm, wise words, the husband and wife team, who are parents of two sons themselves, explore all that is different and the same, precious and at times irritating about the boys in their lives. Written by parents of a pair of teenage boys, it offers a unique, positive perspective. Full of practical parenting tips, topics covered include school discipline, puberty, bullies, girls, and much more.

**Quakers and Abolition** Brycchan Carey, Geoffrey Plank, 2014-03-30. This collection of fifteen insightful essays examines the complexity and diversity of Quaker antislavery attitudes across three centuries from 1658 to 1890. Contributors from a range of disciplines, nations, and faith backgrounds show Quaker beliefs to be far from monolithic. They often disagreed with one another and the larger antislavery movement about the morality of slaveholding and the best approach to abolition. Not surprisingly, contributors explain this complicated and evolving antislavery sensibility left behind an equally complicated legacy. While Quaker antislavery was a powerful contemporary influence in both the United States and Europe, present-day scholars pay little substantive attention to the subject. This volume faithfully seeks to correct that oversight, offering accessible yet provocative new insights on a key chapter of religious, political, and cultural history. Contributors include Dee E. Andrews, Kristen Block, Brycchan Carey, Christopher Densmore, Andrew Diemer, J. William Frost, Thomas D. Hamm, Nancy A. Hewitt, Maurice Jackson, Anna Vaughan, Kett Emma Jones, Lapsansky, Werner, Gary B. Nash, Geoffrey Plank, Ellen M. Ross, Marie Jeanne Rossignol, James Emmett Ryan, and James Walvin.

**Friends' Intelligencer**, 1865. **Reflections from McNally's Mirror** Glen Cantrell, Raymond Fernandez, Tony Aiello, 2013-09. In 1896, Andrew McNally dreamed of Country Gentleman Estates in La Mirada, California. His dream did not come to pass as he planned, but in the early 1950s, the area developed and young families moved here from all over and found it really was a dream place to live and raise a family. In 2003, when Tony and a group of equally dedicated people started the La Mirada Blog, it soon became obvious that there were many others out there willing to share their varied stories. When these three got together, Tony, Glen, and Raymond, they realized these fantastic memories needed to be put down in print for posterity, not out there getting lost in cyberspace. Thus, *Reflections from McNally's Mirror* was born, and you are holding those personal stories in your hands.
