First The Good News:

Dare to Author! Lior Arussy, 2024-10-29 Lior Arussy's latest book *Dare to Author* is a call for people to write and therefore own their life's story even when events are unexpected and don't always turn out the way we want. The book is a manifesto and a guide to converting life experiences into future strength, resilience, and development, and in the process transforming ourselves from victims to victors. Incorporating unique personal insights and his own professional experiences, Arussy carefully describes the challenges and dangers of living life authored by circumstances, social pressures, or other people, and he provides a proactive way to process and convert life experiences into future resilience, strength, and development. If we are not converting life experiences into authored chapters of our own life story, we are blocking our ability to grow and manage future challenges. Readers will come away inspired, confident, and ready to act with three important concepts: A reality check/wake up call asking 'Who is authoring your life's story?' and an explanation of why readers may not have authored their own life thus far; A process to start writing the reader's story by crafting chapters that will develop resilience and a growth toolbox for life; An understanding of the application of the Authoring Process to professional and personal situations, making that authoring process more relevant and accessible. Readers from broad backgrounds who are looking for guidance in how to live and lead in the best way possible in personal relationships and professional life will finish this book with the following thoughts: 'It's about me. He gets me. I am not alone. My feelings are real. I can do it. I can take control of my life. It is a choice to become the victor. I refuse to default to victimhood. I am hopeful.' Lior Arussy is a seven-time author and one of the world's leading authorities on customer experience transformation and change, and the founder of the transformation firm Strativity Group. Arussy helped some of the world's leading brands, such as Mercedes-Benz, Delta Airlines, Walmart, FedEx, Johnson & Johnsons, and MasterCard, to author the next chapter in their success. *From Good News to Gospels* David Wenham, 2018-05-17 The good news of Jesus spread like wildfire through the Roman Empire in the decades between his death and the writing of the first gospels, but how? What exactly did the first Christians say about Jesus? In *From Good News to Gospels*, David Wenham delves into the gospels, the book of Acts, and the writings of Paul to uncover evidence of a strong and substantial oral tradition in the early church. This book will inform, engage, and challenge readers, inspiring them to better understand and appreciate the earliest gospel message. **The Voice of the Bridegroom** Benjamin A. Roberts, 2021-02-02 Preaching is a relational act. This book explores the relationship between the preacher and the assembly as a spousal relationship. Written by a parish pastor with a doctorate in preaching and rooted in the Roman Catholic notion of the priest as bridegroom of the church, this work examines characteristics of the spousal relationship between husband and wife and then provides an analysis of the ministerial priesthood through this nuptial lens. This nuptial reflection on the ministerial priesthood is then applied to preaching. This book presents a nuptial hermeneutic or vision for preaching and the implications of this vision for the assembly, the preacher, the homily, and the homiletical method. The appendices include a one

page strategy for preaching summarizing the homiletical method a rubric for homily evaluation by members of the assembly and two sample homilies

God in South Africa Albert Nolan, 2024-02-01 This is a reprint of the 1988 publication which is now out of print The book was written while Albert Nolan was in hiding during the State of Emergency in South Africa This volume includes reviews of the book used with permission from the South African Grace and Truth journal from 1990 The author believes that in South Africa the practice of the struggle is the practice of faith and to show this he reviews the central themes of the Christian faith as found in the Old Testament and the preaching of Jesus the nature of sin and salvation and of God's action in the world He also faces the dilemma of Christians who can no longer support the apartheid state but are uncertain where the liberation struggle will lead Like his best selling *Jesus before Christianity* *God in South Africa* is a contextual theology a theology rooted in the painful conversion of a church to the cause of liberation It can be regarded the author says as a conversation between South African Christians but out of that conversation comes a challenge to Christians everywhere to discover the meaning of the gospel to find God in their situation This profound book written in the 1980s to guide those seeking to deploy the gospel message against the repressive and abhorrent South African apartheid regime continues to speak powerfully to all peoples in all times and in all places It continues to show how the gospels respond to the signs of the times anywhere that people are in crisis providing the tools to build a contextualised and local theology that can preach the good news of God's liberating power against all forms of injustice Albert Nolan South Africa's Gustavo Gutierrez revealed hope that God cares for and finds the poor and oppressed wherever they are For my own community the potential to construct a contextualised and local Ukrainian theology offers hope that the good news always challenges those who oppress and forever speaks liberation for those burdened by an unjust war and the despair found in its wake

The Nature and Demands of the Sovereign Rule of God in the Gospel of Matthew Margaret Hannan,2006-06-15 This work argues that the author of the Gospel of Matthew structures his work as a Bios or biography of Jesus so as to encapsulate in narrative form the essence of his theological understanding of God s Basileia sovereign rule as proclaimed and taught in the teaching and healing mission of Jesus Evidence for this is found in Matthew s careful use of structural markers to divide his story of Jesus into significant thematic sub sections in which he uses a series of Basileia logia at incisive points to highlight aspects of Jesus teaching and healing mission In this way Matthew is able to portray Jesus as God s promised Messiah who instructs his disciples through discourse and narrative hence in word and example in the nature and demands of God s sovereign rule By structuring his Gospel as a story Matthew depicts Jesus giving instructions to his disciples and also instructs the readers of the text Hence Matthew s Gospel becomes a manual of instruction on the nature and demands of God s sovereignty Its purpose is to ensure that not only the members of the Matthean community but all future disciples of Jesus are competently trained to carry out Jesus commission Go therefore and disciple all the nations 28 19 20 In this way the goods news of God s saving presence is proclaimed to all the nations until God s eschatological reign is finally established LNTS 308
