Thomas Merton and James Laughlin Thomas Merton, James Laughlin, 1997 Cloistered in a remote Kentucky monastery Thomas Merton struggled as a young man to reconcile his preferred contemplative life and his public passion for writing Here is the remarkable development of Thomas Merton monk poet and social critic as documented in nearly 30 years of correspondence with his mentor and publisher James Laughlin **The Spirit of Budo** Trevor Leggett, 2022-09-09 This book comprises eighteen essays which appeared in the monthly Budo magazine They are written with simplicity and humour but with an underlying discipline and authority derived from a lifetime of spiritual and martial arts training in Adhyatma Yoga Judo and Zen Trevor Leggett addresses matters including sportsmanship achieving freedom of mind training the inner self developing an inner calm and the four keys to learning instruction observation inference and personal experience He looks at the cultivation of these Budo qualities and suggests ways in which the lessons learned can be applied to daily life as well as to the practice of the martial arts Teachers of Enlightenment Kulananda, 2014-05-13 The Refuge Tree is a symbol of the highest ideals of Buddhism a traditional image in the Tibetan tradition that takes different forms in different schools On the

refuge tree are formal teachers from Buddhism's history The Refuge Tree of the Triratna Buddhist Order founded by Sangharakshita includes figures from India Tibet China and Japan as well as archetypal Buddhas and Bodhisattvas and the teachers whose guidance helped to shape Sangharakshita's understanding of Buddhism The Complete Works of Sangharakshita Sangharakshita,2019-04-01 In this volume Sangharakshita approaches communicating Buddhism in the West from two very different but equally illuminating angles In the first part in talks given in the early years of his teaching in England he introduces the apparently exotic worlds of Tibetan Buddhism 1965 and its creative symbols 1972 and Zen Buddhism 1965 clarifying their mysteries while also somehow allowing them to work their magic History of Christianity in Japan Otis Cary, D.D.,2008-09-15 Despite the relatively small number of formal Christian believers in Japan less than one percent of the total population Christianity has become and is likely to continue to be an important strand in modern Japanese culture The Christian social message of the early decades of the twentieth century has become a lasting part of social welfare attitudes The strong emphasis on education of the Christian missionary movement has left a visible legacy throughout Japanese education primarily in the teaching of women Author Otis Cary's impressive work first published in two volumes appears here in a convenient one volume edition The first part deals with Roman Catholic and Greek Orthodox missions the second with Protestant missions The story begins with the arrival of Francis Xavier in Japan in 1549 unfolds through the early successes of the Roman Catholic missions and the subsequent age of hideous persecutions and the virtual extirpation of Christianity in the seventeenth century and moves forward to its revival in the late nineteenth and early twentieth centuries It is in many ways an absorbingly dramatic tale and Cary tells it exceedingly well **Black Belt** ,1969-07 The oldest and most respected martial arts title in the industry this popular monthly magazine addresses the needs of martial artists of all levels by providing them with information about every style of self defense in the world including techniques and strategies In addition Black Belt produces and markets over 75 martial arts oriented books and videos including many about the works of Bruce Lee the best known martial arts figure in the world **Black Belt** ,1969-03 The oldest and most respected martial arts title in the industry this popular monthly magazine addresses the needs of martial artists of all levels by providing them with information about every style of self defense in the world including techniques and strategies In addition Black Belt produces and markets over 75 martial arts oriented books and videos including many about the works of Bruce Lee the best known martial arts figure in the world *Survey of Buddhism* Sangharakshita,2014-06-25 A Survey of Buddhism continues to provide an indispensable study of the entire field of Buddhist thought and practice placing its development in a historical context I recommend Sangharakshita's book as the best survey of Buddhism Dr Edward Conze author of Buddhism Its Essence and Development and translator of Buddhist Wisdom Books and The Perfection of Wisdom in 8 000 Lines simply the most complete single volume survey of all the major doctrines and traditions in the development of Buddhism Buddhist Peace Fellowship **History of Japanese Religion** Masaharu Anesaki,2012-12-18 Masaharu Anesaki's

History of Japanese Religion continues to be a much cited pillar of Japanese studies and is now available in digital format The original draft of the present book was an outcome of the author s lectures at Harvard University during the years 1913 15 when he had the honor of occupying there the chair of Japanese Literature and Life In response to the encouragement given by several friends at Harvard the author tried to put the material of the lectures into book form and redrafted it from time to time The history of Japanese religions and morals shows the interaction of various forces which manifested their vitality more in combination than in opposition A saying ascribed to Prince Shotoku the founder of Japanese civilization compares the three religious and moral systems found in Japan to the root the stem and branches and the flowers and the fruits of a tree Shinto is the root embedded in the soil of the people s character and national traditions Confucianism is seen in the stem and branches of legal institutions ethical codes and educational systems Buddhism made the flowers of religious sentiment bloom and gave the fruits of spiritual life
