Firstcentury Slavery And I Corinthians 721:

Slavery, Sabbath, War & Women Willard M. Swartley, 1983-05-07 The Bible appears to give mixed and even conflicting signals on the four case issues of slavery Sabbath war and women New Testament scholar Willard Swartley seeks to identify the difficulties surrounding these discussions and clarify basic learnings in biblical interpretation in a spirit of unity and dialogue As a predecessor to his 2003 publication *Homosexuality* this book rounds out a thorough spirit filled discussion of some of the most contentious and sensitive issues facing the church today [The First Letter to the Corinthians](#) Roy E. Ciampa, Brian S. Rosner, 2010-11-09 This careful sometimes innovative mid level commentary touches on an astonishingly wide swath of important sensitive issues theological and pastoral that have urgent resonances in twenty first century life Roy Ciampa and Brian Rosner reveal how 1 Corinthians directly addresses the claims of unity and truth church discipline sexual matters the Lord's supper the nature of love Christian leadership and many other significant topics Those who preach and teach 1 Corinthians will be grateful to Ciampa and Rosner for years to come and scholars will be challenged to see this letter with fresh eyes **Comprehensive Dissertation Index, 1861-1972: Philosophy and religion** Xerox University Microfilms, 1973 **First-Century Slavery and the Interpretation of 1 Corinthians 7:21** S. Scott Bartchy, 2003-03-20 In Bartchy's Harvard dissertation a thorough investigation into the character of slavery in first century Greece serves as the basis for a rethinking of Paul's advice to slaves in 1 Corinthians 7:21 Such a rethinking also sheds light on Paul's more general concern that the Corinthian Christians find their identity in their calling as followers of Jesus rather than in their circumstances of race gender or socio political status *Paul's Approach to the Cultural Conflict in Corinth* Johannes Wessels, 2016 The problem of cultural conflict in congregations has been a serious challenge to the church throughout its history Many approaches to tackling the problem of cultural intolerance and tensions have been quite pragmatic in nature without the presence of a solid biblical foundation or pastoral model In this book Paul's approach as a slave leader emptying himself in analogy of Christ's own kenosis is thoroughly discussed and posed as a biblical approach and solution to handling this very complex and contentious issue in churches especially in the context of Botswana Dissertation Series Theology in Africa Vol 7 Subject Religious Studies Christianity Studies [1 Corinthians](#) Luise Schottroff, Claudia Janssen, 2021-11-17 1 Corinthian gives us an example how Paul interprets the Tora for Christians from the nations He tells concretely sensitively close to their daily life about the hope against the death He writes down prayers and songs from the messianic communities of his times And he contradicts himself especially in his dealing with women compared to his ideas about how they should be Luise Schottroff 1934 2015 guides her readers to discover Paul's from anew digging to his original thoughts through traditional missinterpretations appropriation and monopolization The English version is based on the German 2nd edition It was translated by Everett R Kalin Professor Emeritus for New Testament at Pacific Lutheran Theological Seminary at Berkeley CA *The Future Restoration of Israel* Stanley E. Porter, Alan E. Kurschner, 2023-06-02 This volume is the most extensive of

its kind as a major set of collected essays from a wide range of scholars on the question of the promises of God to Israel. These essays put forward the position that unconditional promises were given to Israel which have not been fulfilled in the church or any other entity. At the consummation there will be a continuing role for the Jews realized through their national and territorial hope of a restored redeemed Israel. This volume contains an eclectic group of contributors who have reached this position from various approaches to interpretation. The essays exhibit both positive argumentation and engagement with supersessionist literature.
