Terrascension Antall (A. Szabo),2013 Five families from different corners of the Earth are going about their routine activities In the midst of it all they realize something is amiss upon further investigation they recognize that all of it points to the way their weight scales are giving readings way below normal The days and months ahead see the kind of global turmoil never before observed at any point in the history of mankind overindulgence by the obese populations which gradually turned to severe depression when they realize that the loss of weight did not give them healthy bodies rather the earth s rotation has suddenly slowed down And it is only the start of more sinister events to come For one as the days and nights are extended by some hours things that are normally on the earth now tend to fall up into the vast abyss of the sky the water portions of land and objects fashioned by humans are showing preference to reside in the stratosphere What could these mean And what are those gigantic alien metallic rings along the line of the equator

Cooking from the Italians of Newark, New Jersey an Ethnic Experience Barone Callah Elizabeth Barone Callahan,Elizabeth Barone Callahan,2009 Newark New Jersey was a thriving Italian American community with ties to southern Italy and Sicily with waves of immigrants coming from 1870 1950 According to New Jersey census data from 2000 Italian Americans are the largest ethnic group in the state There are two million citizens in the state that claim Italian

descent Many of these residents have ancestors who lived in Newark s First Ward The purpose of writing this book is both biographical and cultural and also the need to preserve recipes as a link to the history of a neighborhood that vanished five decades ago Many recipes have been verbally passed down and the primary focus of the book is to preserve them for future generations Although the book is original to a specific geographical area the peasant food described in the recipes has become very popular in upscale Italian restaurants The food is healthy and delicious The old neighborhood was teeming with specialty shops including grocery stores cheese shops bread stores bakeries meat markets a chicken market and colorful peddlers There was a pizza parlor that always used linen tablecloths and napkins Every house had a stoop colloquial name for small front porch and on every stoop was a favorite chair often carried down several flights of stairs and a Nona or Zia would be seated watching over the neighborhood These immigrants took great pride in their homes and community and knew everyone on the block and provided an informal but effective neighborhood watch When they were not sitting on the stoop they could be seen sweeping the sidewalks One ritual that has faded from the experience of Italian Americans is Sunday Dinner with Sunday Gravy It was a time when families sat and ate at a leisurely pace with grandparents aunts uncles and cousins gathered in one home It is hoped that COOKING FROM THE ITALIANS OF NEWARK NEW JERSEY AN ETHNIC EXPERIENCE will provide each reader with the collective memories of sitting at the table with family
