Fishcamp Life On An Alaskan Shore:

Fishcamp Nancy Lord,1997-05 **Mudflats and Fish Camps** Erin McKittrick,2017-03-01 Experiences of a family that opened its front door to walk 800 miles in the wilderness Alaska holds a mythical place in the American imagination as our wildest coldest largest and farthest frontier It is also the home of writer Erin McKittrick who lives in a yurt on the shore of Cook Inlet with her husband and two preschool age children *Mudflats and Fish Camps* chronicles McKittrick s journey along with her family as they set out to hike and paddle the entire coastline of Cook Inlet a distance of 800 miles This is unconventional parenting in the extreme bringing kids not just into the woods but into quicksand snow and the realm of grizzlies And while their story includes all the stubbornness excitement and sleet in the eyes awfulness that comes from walking their way through the world it also provides an intimate history of a wild and fascinating place and the people who call it home While many adventure tales spring from the restless quest of someone seeking to find themselves whether floundering in the possibilities of youth or in the throes of a midlife crisis McKittrick s story is about a person who has already found her purpose in life It s an adventure that happens right in the author s backyard providing her an unusual depth and connection And it s not a story of record breaking speed hopeless under preparedness or a radical transformation of the soul Instead it describes the journey of an ordinary family stepping into the wild outside their home The wonder of the landscape the exuberant joy of children outdoors and the magic of exploration make *Mudflats and Fish Camps* an inspiring tale of choosing to walk literally a more adventurous path **Ethics of Alaska Travel Writing since 1959** Benjamin Ferguson,2025-08-28 This book digs into environmental themes in Alaska travel writing since U S statehood in 1959 drawing on the works of six authors including Barry Lopez Jonathan Raban Tom Lowenstein and others Each work though disparate in style advocates for the empowerment of the Alaska Native people by connecting not only with diverse perspectives but with the lived realities in the geographical spaces that have formed them In analyzing how these authors have succeeded in depicting the realities of alterities and where they have perhaps fallen short by more recent standards we may begin to carve out a system of ethics This is important as fresh waves of travel writers search for their own place in the environmental conversations surrounding the ever evolving 21st century Arctic and its place on the front lines of a changing climate

Fodor's 07 Alaska Fodor's Travel Publications, Inc,2007 A guide to America s last frontier provides practical information on accommodations restaurants national parks and wilderness areas as well as ratings of all ships cruising to Alaska and essays on Alaskan history *Alaska Ports of Call 2007* Felice Aarons,Heidi Leigh Johansen,2006-12-01 New anchors on Gold Rush History Glaciers and Whales An illustrated wildlife glossary Completely revamped cruise line and cruise ship chapter

Buried Dreams Katherine Johnson,2002 This booklet explores the story behind the rise and fall of a clam cannery on the Katmai Coast It is a collection of historical essays and photographs that offer readers a lens through which they can view the life of workers in an Alaskan cannery during the first half of the 20th century Travelers' Tales Alaska Bill

Sherwonit, Andromeda Romano-Lax, Ellen Bielawski, 2011-12-27 In *Travelers Tales Alaska* contemporary adventurers seekers and lifelong Alaskans take you into the Last Frontier for wild and poignant adventures Walk among bears witness the Inupiat taking of a bowhead whale and spend time weathered in on the Bering Sea coast Follow the seasons of commercial fisherfolk in the world's most dangerous seas sail the Inside Passage or flight see with bush pilots famed for high stakes navigation around Denali North America's highest mountain Discover the 49th state's quirky side including an entire town that lives in a single World War II vintage high rise a Hairy Man who roams the Bush and backcountry gourmands who communicate with edible plants Drive the Alaska Highway or head north along the pipeline Haul Road to the Arctic coast not simply to get there but to be there Get the inside view as Alaskans share their stories of learning a new land or guiding tourists through Native culture Whether you choose camping at Wal Mart or casting for grayling on a lake named Paradise whether you travel the Great Land in actuality or in your armchair these stories bring Alaska alive in all its latter day complexity and glory **Out**

on the Deep Blue Leslie Leyland Fields, 2025-09-23 *Out on the Deep Blue* is the first collection of dramatic first person accounts of commercial fishing written by the men and women who work in the nation's most dangerous occupation Nineteen diverse fisher writers from the famous to the unknown take the reader swordfish harpooning on the Georges Banks winter crabbing in the Bering Sea sea urchin diving off Maine herring fishing in Alaska shark harpooning off Scotland and points between Together they plumb the extremes of living working and sometimes dying at sea creating the most intensely personal portrait of fishing and fishermen to date The best writing on commercial fishing is gathered here blending the voices of such well known writers as Peter Mathiessen Gavin Maxwell Linda Greenlaw Spike Walker and John Cole together with experienced and emerging writers many of whom have spent much of their lives on the water With its layers and rich textures this collection will have strong enduring appeal to loves of nonfiction Contributors Marie Beaver John Cole Michael Crowley Wendy Erd Leslie Leyland Fields Robert Fritchey Joel Gay Linda Greenlaw Seth Harkness Nancy Lord Peter Matthiessen Gavin Maxwell William McCloskey Paul Molyneaux Debra Nielsen Toby Sullivan Martha Sutro Joe Upton Spike Walker **Snug Harbor Cannery** Katherine Johnson Ringsmuth, 2005 *Ecocritical Explorations in Literary and Cultural Studies*

Patrick D. Murphy, 2009-07-15 In *Ecocritical Explorations* Patrick D Murphy explores environmental literature and environmental cultural issues through both theoretical and applied criticism He engages with the concepts of referentiality simplicity the nation state and virtual reality in the first section of the book and then goes on to interrogate these issues in contemporary environmental literature both American and international He concludes his argument with a discussion of the larger frames of family dynamics and unnatural disasters such as hurricanes and global warming ending with a chapter on the integration of scholarship and pedagogy in the classroom with reference to his own teaching experiences Murphy's study provides a wide ranging discussion of contemporary literature and cultural phenomena through the lens of ecological literary criticism giving attention to both theoretical issues and applied critiques In particular he looks at popular literary genres

such as mystery and science fiction as well as actual disasters and disaster scenarios Ecocritical Explorations in Literary and Cultural Studies is a timely contribution to ecological literary criticism and an insightful look into how we represent our relationship with the environment

Alaska 2008 Fodor's,2007-12-04 Packed with lively reader feedback extensive reviews and personal advice Fodor's Alaska 2008 has been revamped and revised A photo rich interior a pullout color map and updated topographical maps of the best parks and preserves are also included

Alaska Traveler T Terpening,Traveler Terpening,2010-06-15 The only guide to feature the destinations in Alaska accessible by rail car and ferry written by an author who grew up in Alaska and continues to live there today

The Fishermen's Frontier David F. Arnold,2009-11-17 In *The Fishermen's Frontier* David Arnold examines the economic social cultural and political context in which salmon have been harvested in southeast Alaska over the past 250 years He starts with the aboriginal fishery in which Native fishers lived in close connection with salmon ecosystems and developed rituals and lifeways that reflected their intimacy The transformation of the salmon fishery in southeastern Alaska from an aboriginal resource to an industrial commodity has been fraught with historical ironies Tribal peoples usually considered egalitarian and communal in nature managed their fisheries with a strict notion of property rights while Euro Americans so vested in the notion of property and ownership established a common property fishery when they arrived in the late nineteenth century In the twentieth century federal conservation officials tried to rationalize the fishery by improving upon nature and promoting economic efficiency but their uncritical embrace of scientific planning and their disregard for local knowledge degraded salmon habitat and encouraged a backlash from small boat fishermen who clung to their irrational ways Meanwhile Indian and white commercial fishermen engaged in identical labors but established vastly different work cultures and identities based on competing notions of work and nature Arnold concludes with a sobering analysis of the threats to present day fishing cultures by forces beyond their control However the salmon fishery in southeastern Alaska is still very much alive entangling salmon fishermen industrialists scientists and consumers in a living web of biological and human activity that has continued for thousands of years

Take Good Care of the Garden and the Dogs Heather Lende,2011-04-01 The Alaskan landscape so vast dramatic and unbelievable may be the reason the people in Haines Alaska population 2 400 so often discuss the meaning of life Heather Lende thinks it helps make life mean more Since her bestselling first book *If You Lived Here I'd Know Your Name* a near fatal bicycle accident has given Lende a few more reasons to consider matters both spiritual and temporal Her idea of spirituality is rooted in community and here she explores faith and forgiveness loss and devotion as well as raising totem poles canning salmon and other distinctly Alaskan adventures Lende's irrepressible spirit her wry humor and her commitment to living a life on the edge of the world resonate on every page Like her own mother's last wish take good care of the garden and dogs Lende's writing so honest and unadorned deepens our understanding of what links all humanity

Alaska at 50 Gregory W. Kimura,2010-03-15 In 2009 Alaska celebrates its fiftieth anniversary of U S statehood To commemorate that milestone Alaska

at 50 brings together some of today's most noteworthy and recognizable writers and researchers to address the past present and future of Alaska Divided into three overarching sections art culture and humanities law economy and politics and environment people and place Alaska at 50 is written in highly accessible prose Illustrations and photographs of significant artefacts of Alaska history enliven the text Each contributor brings a strong voice and prescription for the next fifty years and the resulting work presents Alaskans and the nation with an overview of Alaska statehood and ideas for future development

Natural Discourse Sidney I. Dobrin, Christian R. Weissner, 2012-02-01 The first full length book to address the relationships between environment and discourse *Natural Discourse* explains why and how ecocomposition has become such a critical part of composition studies Beginning by exploring the roots of ecocomposition including a history of the use of the term ecocomposition the book then examines ecological aspects of composition studies and looks at how ecocomposition is informed by ecocriticism cultural studies ecofeminism environmental rhetoric and composition studies The authors draw on their own experiences as teachers of writing and outdoor enthusiasts to describe how ecocomposition can address issues of language and nature public intellectualism and pedagogy

Aleut Identities Katherine L. Reedy-Maschner, 2010-04-16 The first Aleut ethnography in over three decades *Aleut Identities* provides a contemporary view of indigenous Alaskans and is the first major work to emphasize the importance of commercial labour and economies to maintain traditional means of survival Examining the ways in which social relations and the status formation are affected by environmental concerns government policies and market forces the author highlights how communities have responded to worldwide pressures An informative work that challenges conventional notions of traditional Aleut Identities demonstrates possible methods by which Indigenous communities can maintain and adapt their identity in the face of unrelenting change

Abbey in America John A. Murray, 2015-05-15 More than twenty five years after his death iconic writer and nature activist Edward Abbey 1929 1989 remains an influential presence in the American environmental movement Abbey's best known works continue to be widely read and inspire discourse on the key issues facing contemporary American society particularly with respect to urbanization and technology *Abbey in America* published forty years after Abbey's popular novel *The Monkey Wrench Gang* features an all star list of contributors including journalists authors scholars and two of Abbey's best friends as they explore Abbey's ideas and legacy through their unique literary personal and scholarly perspectives

Writer's Guide to Book Editors, Publishers and Literary Agents, 2002-2003 Jeff Herman, 2001-07-10 This one of a kind reference provides critical information on securing publishing contracts

Western American Literature , 1999
