Covering everything from fires, leaks, engine trouble and emergency steering to man overboard, first aid, dismasting and distress signals, this guide has an important place on board every boat. This will be a valued companion for skipper and crew in an emergency.

Feathered Companions: A Guide to Pet Birds Amrahs Hseham, 2025-01-21 The journey of creating this guide began with a yearning to understand the complexities of avian life. Birds are not merely pets, they are sentient beings with distinct personalities, behaviors and communication methods. As we delved into the depths of avian behavior, we discovered a world rich with diversity where each species brings its charm and challenges. It is this diversity that makes the experience of being a bird owner both exhilarating and rewarding. Feathered Companions is more than just a manual on bird care, it is a comprehensive resource designed to be your go to companion on the adventure of bird ownership. From choosing the right pet bird to understanding their natural behaviors, from fostering a strong bond to navigating health care, each chapter is crafted to provide you with valuable insights and practical tips.
