Touchdowns for Jesus and Other Signs of Apocalypse Marcia W. Mount Shoop, 2014-07-01 Why do sports matter so much to so many people And why should we care Far from being a distraction or a trivial pastime sports tell us deep truths about ourselves Big time sports are a particularly potent mirror for humanity reflecting both our promising possibilities and our demonic distortions Theologian and football coach's wife Marcia Mount Shoop invites you to take a closer look at the hold that sports have on us Touchdowns for Jesus takes you beneath the veil in some of the most challenging issues in sports today fanaticism sexism racism and abuse of power And beneath the lifted veil you also encounter wisdom about how we can find our way back to what is most life giving about sports If you love sports or if you just wonder why others do Touchdowns for Jesus will give you a whole new way to view the games people play

Religion and Sport in North America Jeffrey Scholes, Randall Balmer, 2022-09-13 From athletes praising God to pastors using sport metaphors in the pulpit the association between sport and religion in North America is often considered incidental Yet religion and sport have been tightly intertwined for millennia and continue to inform shape and critique one another Moreover sport rather than being a solely secular activity is one of the most important sites for debates over gender race capitalism the media and civil religion Traditionally scholarly writings on religion and sport have focused on the question of whether sport is a religion using historical philosophical theological and sociological insights to argue this matter While these efforts sought to answer an important question contemporary issues related to sports were neglected such as globalization commercialization feminism masculinity critical race theory and the ethics of doping This volume contains lively up to date essays from leading figures in the field to fill this scholarly gap It treats religion as an indispensable prism through which to view sports and vice versa This book is ideal for students approaching the topic of religion and sport It will also be of interest to scholars studying sociology of religion sociology of sport religion and race religion and gender religion and politics and sport in general

Leading Brilliantly Roger Corea, 2019-02-12 Why Should You Buy This Book As you weigh the pros and cons of buying this book you are probably asking yourself Why should I buy it What do I hope to gain from reading it The answer might be Perhaps I may gain some new insights into myself my

organization or on how I can lead others more effectively Our hope is that you gain so much more Through this learning experience we hope you will achieve a positive transformation in your life Why Because transformation is so much greater than simple change Transformation is life altering That s a tall order for a book but one we know is possible We know because we have seen it happen with the many people we have led and trained Helping others transform their lives is our mission We define that transformation as significant positive change that leads to greater success fulfillment and happiness Yes change is difficult for most people Sadly for most people it rarely happens and when it does it is usually driven by pain or fear Think about it 62 percent of Americans stay in jobs with bosses they hate until the pain of staying exceeds the pain of leaving Most never leave How tragic Fear is the other punishing motivator If I can t pay my mortgage I may have to take on a second job Or my boss may place me on a performance improvement plan also known as a keep your job or else plan He knows full well that over half of all action plans result in termination Or how about the person who quits smoking after a close friend dies of cancer Or the person who finally decides to eat right after their heart attack This is not the kind of motivation that leads to a better life and is often too little too late There is a better way Significant change is driven by clarifying what you really want and developing the right mindset and habits to get there It is understanding the obstacles to change and how to manage them as well as learning how to leverage your strengths and overcome your weaknesses It means discovering new more effective ways to interact with subordinates colleagues and management We are not proposing hypothetical ideas but teaching proven systems for enhancing personal effectiveness We will drill down to the details with clear instruction and exercises Yes there is a better way to live your life There is a better way to affect significant positive change in your life as well as those around you We want nothing less than to support you as you discover new behaviors and habits that will transform your life We are excited about the journey ahead of you and hope you will use this book for years to come Our best to you Roger Corea Michael Keys
