**Where The River Parts** Radhika Swarup,2016-02-18 Longlisted for the Authors Club Best First Novel Award In the final days of the British Raj a young Hindu woman Asha finds herself deeply in love with Firoze

a Muslim but when Asha and Firoze's newly independent nation is brutally cleaved into India and Pakistan Asha and her family must flee. She loses her father, mother, and brother as well as the secret baby she carries in her womb, arriving in a Delhi of cramped, diseased refugee camps. In 1998, as India and Pakistan race to join the nuclear club, a newly widowed Asha travels to New York to visit her daughter Priya and her granddaughter Lana, who is to marry a Pakistani Muslim called Hussain. When Asha meets Hussain, she discovers his grand uncle is Firoze. Will they put family before self or choose a love that might destroy all they have so painstakingly created?

**The River** Paul Vasey, 2013-10-21 A vivacious memoir of life along the Detroit River from the prize-winning reporter, novelist, and CBC broadcaster Paul Vasey. Last Night in Twisted River John Irving, 2009-10-27 In 1954, in the cookhouse of a logging and sawmill settlement in northern New Hampshire, an anxious twelve-year-old boy mistakes the local constable's girlfriend for a bear. Both the twelve-year-old and his father become fugitives, forced to run from Coos County to Boston to southern Vermont to Toronto, pursued by the implacable constable. Their lone protector is a fiercely libertarian logger, once a river driver, who befriends them. In a story spanning five decades, *Last Night in Twisted River* depicts the recent half-century in the United States as a living replica of Coos County, where lethal hatreds were generally permitted to run their course. What further distinguishes *Last Night in Twisted River* is the author's unmistakable voice, the inimitable voice of an accomplished storyteller. River Mechanics Pierre Y.

**Search for America's Lost Heritage** Richard Thornton, 2014-07-10 In 1564, the French attempted to establish a colony, calling it Fort Caroline, along the May River, now St. Johns River. The original site has been lost. Here, Thornton uses historical documents and maps in an effort to locate the elusive Fort Caroline and to determine if it might be located in Georgia or Florida, which has been historically debated. *The Anglo-American Magazine*, 1852 *All That the River Holds* Louis

Hillary Park, 2019-11-11 In the summer of 1969, men walked on the moon. Holly Lee Carter returned home in a wheelchair to save her family's legacy from the Klan, and my best friend fell passionately and dangerously in love. Little did we know that first July morning when she hurtled into our staid small town, lives and gridiron dreams that nothing in who we were or what we were to become would be the same after her. And that, in Cattahatchie County, the last segregated one of its kind, even in Mississippi, would be transformed by fire and blood and snake venom, hard truth and desperate need, and by all other things that the river holds. Nathan Wallace, narrator. Park's gripping debut novel, an unconventional love story, unfolds in KKK-controlled Cattahatchie County, Mississippi, during a violent 1969 civil rights struggle. The author's ability to turn a phrase, capturing in a few words time, place, and atmosphere, is a joy. Solid character portrayals, personal melodrama, a murder mystery, and unrestrained violence propel this page-turner to its explosive conclusion, an addictive read with some final surprises. *Kirkus Reviews* Louis Hillary Park is one of those rare authors who spins an intelligent story driven by complex, believable

### **First Look At Rivers Introduction**

In today's digital age, the availability of First Look At Rivers books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of First Look At Rivers books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of First Look At Rivers books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or

professional purposes. By accessing First Look At Rivers versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, First Look At Rivers books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing First Look At Rivers books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for First Look At Rivers books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, First Look At Rivers books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of First Look At Rivers books and manuals for download and embark on your journey of knowledge?
