The Miracles of Jesus According to John Stephen S. Kim, 2010-07-08 In our age of theological relativism Jesus question to His own disciples continues to ring true Who do the people say that the Son of Man is Through Jesus seven miracles and His seven I Am sayings the apostle John provides a clear answer to that all important question Furthermore what do Jesus miracles represent Are they designed to point to something or someone In our supernatural crazed culture that affects even evangelical Christianity it is refreshing to be reminded that biblical miracles were never arbitrary but were always purposeful authenticating God's message and His messenger's In the Gospel of John the miracles of Jesus are both Christological that is they highlight Jesus Person and eschatological that is they foreshadow the work the Messiah will do in His future Advent The miracles remind us that God's desire for every believer is first and foremost a spiritual relationship with Him through His Son Furthermore Jesus miracles also remind us that God's work in and for every believer will be fully and ultimately realized in the everlasting life All the Miracles of the Bible Herbert Lockyer, 2017-05-23 The Supernatural in Scripture Its Scope and Significance The Bible is a book of miracles From Genesis to Revelation the supernatural power of God is on display from the Creation to the plagues of Egypt to the Messiah's authority over demons and diseases to the apocalyptic clash between satanic forces and divine omnipotence In detailed description and analysis Dr Herbert Lockyer furnishes a case by case look at all the miracles of the Bible From the beginning of the Old Testament to the end of the New Testament All the Miracles of the Bible walks us through the Books of Moses Historical Books Post Captivity Books Poetical Books Prophetical Books Gospels Acts Epistles Apocalypse can be used as a handy reference work by any and every Bible student The Banner Herbert W Lockyer's All books give you life enriching insights into the Bible From characters you can learn from to teachings you can apply to promises you can stand on and prophecies you can count on Lockyer's time honored works help you wrap your mind around the Bible and get it into your heart Lockyer's books include All the Apostles of the Bible All the Divine Names and Titles in the Bible All the Doctrines of the Bible All the Men of the Bible All the Women of the Bible All the Messianic Prophecies of the Bible All the Miracles of the Bible All the Parables of the Bible All the Prayers of the Bible and All the Promises of the Bible The Miracles of Mary in Twelfth-Century France, 2024-12-15 Murder in a cathedral horrific illnesses and deformities narrow escapes from injury and death a vengeful dragon a wandering eyeball a bawdy monk and other sinners redeemed the accounts of miracles performed by the Virgin Mary gathered and translated in The Miracles of Mary in Twelfth Century France provide vivid glimpses into medieval life and beliefs Bruce L Venarde provides fluent translations of the first five collections of Marian miracle narratives from France written in the second quarter of the twelfth century and never before available in English The stories recorded in these collections by Herman of Tournai Hugh Farsit Haimo of Saint Pierre sur Dives John son of Peter and Gautier of Compi gne offer descriptions of travel living conditions medical knowledge conflict between and among lay and religious authorities and the burgeoning cult of the

The textual sources are put into conversation with findings from archaeology The author argues that certain common themes such as assumed care for children the need for education and the puer senex trope do feature through most texts of any genre and the book also explores how Poland was similar to and different from the situation in western Europe See inside the book My Own Miracle Robert W. Littke Ph.D., 2016-08-23 Do instantaneous healings still take place Nowhere in the Bible is there any indication that Gods miraculous healings have ended But what if you have already asked God for a miracle and he has not responded My Own Miracle documents how God heals all believers and that his answer is never no This book illustrates how God always answers a believers request for a miracle but does so in a way that is unique to that individual My Own Miracle scripturally documents what God has done in the past and what he continues to do today It takes you on a journey of one mans search for a miracle and the lessons learned along the way Just as each of us is a unique creation so too are his wondrous ways of granting miracles and healings The very same God that spoke the worlds into existence is ready and waiting to grant you **On the Miracles of Our Lord** George MacDonald,1871 **Notes on the Miracles of Our Lord** vour own miracle too Richard Chenevix Trench.1877 Why I Am a Christian Norman L.
