

CONGRESS, JULY 4, 1776. A DECLARATION BY THE REPRESENTATIVES OF THE UNITED STATES OF AMERICA, IN GENERAL CONGRESS ASSEMBLED.

WHEN in the Course of human Events, it becomes necessary for just People to dissolve the political Bands which have connected them with another, and so assume among the Powers of the Earth, the separate and equal Station to which the Laws of Nature and of Nature's God entitle them; a decent Respect to the Opinions of Mankind requires that the Declaration which shall announce the Cause which impels them to the Separation, should be published in the most public and solemn Manner.

We hold these Truths to be self-evident, that all Men are created equal; that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty, and the Pursuit of Happiness.—That to secure these Rights, Governments are instituted among Men, deriving their just Powers from the Consent of the Governed, that whenever any Form of Government becomes destructive of these Ends, it is the Right of the People to alter or to abolish it, and to institute new Government, laying its Foundation on such Principles, and organizing its Powers in such Form, as to them shall seem most likely to effect these Ends; Liberty and Happiness. Prudence, indeed, will dictate that Governments long established should not be changed for Light and transient Causes; and accordingly all Experience hath shewn, that Mankind are more disposed to suffer, while Endings are sufferable, than to right themselves by abolishing the Forms to which they are accustomed. But when a long Train of Abuses and Usurpations, pointing out a Design to reduce them under absolute Despotism, it is their Right, it is their Duty, it is their Duty, to throw off such Government, and to provide new Guards for their future Security. Such has been the patient Sufferance of these Colonies; and such is now the Necessity which constrains them to alter their former System of Government. The History of the present Oppression of these Colonies is a History of repeated Injuries and Usurpations, all having in direct Object the Establishment of an absolute Tyranny over these States. To prove this, let Facts be submitted to a candid World.

He has refused his Assent to Laws, the most wholesome and necessary for the public Good.

He has forbidden his Governors to pass Acts of the most urgent Importance, unless suspended in their Operation until his Assent should be obtained; and when so suspended, he has strictly enjoined on them to adhere to the Letter and Spirit of the Suspension.

He has refused to pass other Laws for the Accommodation of large Numbers of People, unless those People would relinquish the Right of Representation in the Legislature, a Right inalienable to them, and forfeitable to Tyranny only.

He has called together legislative Bodies at Places unusual, uncomfortable, and distant from the Depository of their public Records, for the sole Purpose of defrauding them from their Constitutions with his Ministers.

He has refused to assent to Bills, especially, for supplying with money the Frontiers of the Colonies, and for settling the Claims of the People, at large for their Exports; the Stamp Duties, and for settling the Claims of the Colonies, and for settling the Claims of the Colonies, and for settling the Claims of the Colonies.

He has endeavored to prevent the Population of these Colonies, by forbidding the Importation of new Apprentices of Laborers, and by encouraging their Migration to other Colonies, and by encouraging their Migration to other Colonies.

He has obstructed the Administration of Justice, by refusing his Assent to Laws for establishing Judiciary Powers.

He has made Judges dependent on his Will alone, for the Tenure of their Offices, and the Amount and Payment of their Salaries.

He has refused to establish a regular System of Courts, and to provide for the Payment of the Judges, and to provide for the Payment of the Judges.
