The Villanelle Collection Ferrick Gray, Kim Leighton, 2022-11-17 Today the villanelle is accepted to be a nineteen line poem consisting of five tercets and a final quatrain using two rhymes in a specified order Throughout the poem there are two repeated lines called the refrain The beauty of the villanelle lies in its song like nature and their refrains impart this musical quality This book is a small collection of twenty villanelles written by Kim Leighton and Ferrick Gray

Bedtime Story Robert J. Wiersema, 2011-08-02 Following his bestselling debut Before I Wake Robert J Wiersema returns with this exquisitely plotted blend of supernatural thriller and domestic drama For novelist Christopher Knox getting up early every morning to write isn't bringing him the sense of fulfillment it once did It's been ten years since his first novel was published to some acclaim and he's hit a wall in trying to write his next His marriage to Jacqui isn't doing much better and it's been months since he's slept anywhere but his office above the detached garage The part of Chris's life that is going well and brings him easy joy is his relationship with his eleven year old son David While Chris may not make it to all of his son's ball games their nightly ritual of reading together at bedtime not only helps David overcome his struggles with reading but is a calm within the storm for them both when their days are so full of challenges And what better way for a novelist to connect with his child than through their mutual love of books and a bedtime story routine as unwavering as Chris's love for his son When Chris comes across a book by one of his favourite childhood authors in a local used bookstore he knows it will be the perfect gift for David's birthday To the Four Directions is not one Chris has read before but he knows that Lazarus Took's adventurous magical stories of young heroes and other realms would be just the thing for David as they were for him David is less than thrilled to receive a book he's never heard of before however he'd been hoping for The Lord of the Rings and Jacqui is quick to see it as yet another sign of Chris's detachment from David's life But once they start reading the novel together David is completely enthralled to the extent that he truly cannot put the book down The story of a young peasant boy who is plucked from his home by castle guards and sent on a quest for a mysterious Sunstone makes David feel like he is right there in the action Even after his parents have to take the book away from him he can't help but sneak it back to his room As David is reading alone that night he suffers an inexplicable seizure and falls into a state of unconsciousness Doctors perform a barrage of tests but cannot determine what's wrong And as David's seizure recurs every night his father learns that only one thing will calm it being read to from his strange new book True to his nature as someone with an inherent belief in the power of words Chris becomes convinced that the secret of David's collapse lies within the pages of To the Four Directions After failed attempts to find out more about Lazarus Took from his estate Chris traverses the continent in search of the truth Meanwhile David wakes up within the story he has been reading as the boy he has been reading about and finds himself facing perils unimaginable in

a world that he soon realizes was created to capture the hearts and souls of children like him Because he s not alone as he takes over the hunt for the Sunstone but accompanied by those boys who have come before him And as the quests of father and son lead them toward a fateful collision of worlds David realizes that while he s not the first to fall victim to the book s horrific spell perhaps he can prove himself strong enough to be the last Emerging Infectious Diseases ,2010-07

Theme Play Gary Zingher,2006-06-30 Out of his years of experience in working with children Zingher identifies some of the powerful and evocative themes of childhood and explores why these touch children so deeply He encourages professionals who work with children in school camp club and library settings to consider using these themes to develop thoughtful and creative programs and units of study Included are recommended books and videos that illustrate each theme questions for discussion possible starting points readalouds stories to be told sensory experiences interesting objects etc follow up activities and examples of fully described and developed thematic journeys In this time of standards and accountability this book reminds us of the joy of teaching and learning and the power of the imagination **Our Days Are Like Full Years** Harriet Pattison,2020-10-27 An intimate glimpse into the professional and romantic relationship between Harriet Pattison and the renowned architect Louis Kahn On a winter day in 1953 a mysterious man in a sheepskin coat stood out to Harriet Pattison then a theater student at Yale She would later learn he was the architect Louis Kahn 1901 1974 This chance encounter served as preamble to a fifteen year romance with Pattison becoming the architect s closest confidante his intellectual partner and the mother of his only son Here for the first time Pattison recounts their passionate and sometimes searing relationship Married and twenty seven years her senior Kahn sent her scores of letters many from far flung places until his untimely death This book weaves together Pattison s own story with letters postcards telegrams drawings and photographs that reveal Kahn s inner life and his architectural thought process including new insight into some of his greatest works both built and unbuilt What emerges is at once a poignant love story and a vivid portrait of a young woman striving to raise a family while forging an artistic path in the shadow of her famous partner **Timetables of History for Students of Methodism** Rex D. Matthews,2007-06-01 Winner of the 2007 Saddlebag Selection Award from the Historical Society of The United Methodist Church as the best book published during the year on the history biography polity or theology of United Methodism or its predecessors Understanding history rests largely on a grasp of two things sequence and context Know which events came earlier and which later and you ve gone a long way toward understanding influence and causation Know what was going on in the wider world at the same time a historical event occurred and you ll better grasp the meaning and significance of that event for the people who experienced it Yet even with the best history textbooks students have difficulty in gaining an immediate sense of sequence and context Hence the purpose of this book To lay out the most important events in the history of the Wesleyan Methodist movement to show them in their proper order and to include the most important occurrences taking place on the national and international stages at the same time Matthews presents his

material in an easy to comprehend and visually appealing layout enumerating the major trends and developments in Methodist history from 1700 to 2004 Rex D Matthews is Assistant Professor in the Practice of Historical Theology at Candler School of Theology Emory University Atlanta Georgia He currently serves as co chair of the Wesleyan Studies Group of the American Academy of Religion as General Editor of the Kingswood Books series and as Managing Editor of the new electronic academic journal Methodist Review An excerpt from the Circuit Rider review This is a book for college and seminary professors for high school teachers of religion for Sunday School teachers of children youth and adults It is a book for preachers and church musicians It should be in every church library This is a book for people who think history is boring as well as for those who delight in rich historical detail and story It is a book to be savored and returned to again and again And this is a book for all who love the church and yearn to be part of perfecting its mission and its life [Click here to read the entire review](#)
