The First 'Women in Love' D. H. Lawrence,2002-05-02 The First Women in Love is one of Lawrence s greatest works and is the only full length work of fiction which he completed between The Rainbow and the extensively revised Women in Love It is a piece of fiction generated in the England and the Europe of the First World War Publishers were alarmed by the fate of his previous novel The Rainbow and The First Women in Love was rejected by every publisher who saw it As a result it is a novel whose very existence as an independent text has been ignored and which has not been published until now The First Women in Love shares much of its material with Women in Love but its central relationships are dissimilar and the ending radically different **Women's Writing on the First World War** Agnes Cardinal,Dorothy Goldman,Judith

Irish Women in the First World War Era Jennifer Redmond, Elaine Farrell, 2020-05-21 This book is the first collection of essays to focus exclusively on Irish women's experiences in the First World War period 1914-18 across the island of Ireland contextualising the wartime realities of women's lives in a changing political landscape. The essays consider experiences ranging from the everyday realities of poverty and deprivation to the contributions made to the war effort by women through philanthropy and by working directly with refugees. Gendered norms and assumptions about women's behaviour are critically analysed from the rhetoric surrounding separation, women and their use of alcohol to the navigation of public spaces and the attempts to deter women from perceived immoral behaviour. Political life is also examined by leading scholars in the field including accounts from women on both sides of the Irish question and the impact the war had on their activism and ambitions. Finally, new light is shed on the experiences of women working in munitions factories around Ireland and the complexity of this work in the Irish context is explored. Throughout it is asserted that while there were many commonalities in women's experiences throughout the British and Irish Isles at this time, the particular political context of Ireland added a different and in many respects an unexamined dimension. This book was originally published as a special issue of Women's History Review

First and Second Timothy Commentary Dr. Derrick Holyfield, 2011-09-21 After reading the first and second books of Timothy in the Bible, people invariably have many questions: Can a woman serve in the church? Is it permissible for a pastor, deacon, or elder to drink wine? Are certain foods permitted? Based on extensive research and study, *First and Second Timothy Commentary* answers all those questions and more. Dr. Derrick Holyfield breaks down the meaning of each verse into simple, easy-to-understand language, definitively showing how Paul's letters still pertain to Christians today. Dr. Holyfield provides a brief summary of each chapter and then digs deep into the text to share Paul's wisdom. He coaches his commentary within the historical context of society during Paul and Timothy's time. From how Christians need to stand firm in the word of God and the difference between law and grace to the various qualifications for church leaders, Dr. Holyfield delivers a timely interpretation of this important Scripture. Ideal for family Bible studies, Sunday school teachers, pastors, and everyone in between, *First and Second Timothy Commentary* will challenge, inspire, and renew your faith.

Bisexual Women in the Twenty-First Century Dawn Atkins, 2013-11-19 *Bisexual Women in the Twenty-First Century* reflects the brave new world of bisexual women's lives through an eclectic collection of articles that typifies an ongoing feminist process of theory grounded in life experience. The book includes Carol Queen's memoirs of the swinging lesbian scene in the 1970s, a critical examination of Alice Walker's novel *The Temple of My Familiar*, and a look back at the controversy surrounding bisexual inclusion in the Northampton Lesbian and Gay Pride March in Massachusetts in the early 90s.
