Kinser, 2012-12-06 Until the nineteenth century Jacques Auguste de Thou 1553-1617 was among the most famous and most valued of historians While his first fame was a *succes de scandale* the *History of His Time* was placed on the Index in 1606 de Thou's work quickly found favor with the humanistically educated learned class throughout Europe The esteem in which the *History* was held transcended religious divisions The historian received letters of praise from staunchly orthodox Spain and Portugal as well as from heretic England and Germany through the seventeenth and eighteenth centuries his *History* was read with enthusiasm by certain cardinals at the very curia which condemned it and so staunch a champion of orthodoxy as Bishop Bossuet did not hesitate to appeal to such a great author for support in his own historical works To the philosophes of the Enlightenment de Thou's impartiality in describing the impassioned times through which he lived and the exact yet eloquent style with which he wrote the *History of His Time* were familiar touchstones Voltaire appealed to the truthful and eloquent de Thou again and again in his works 2 William Pitt rose in the House of Commons to quote the words of the great historian of France during the early years of the French Revolution 3 Lessing 4 and Herder 5 praised him with poetic hyperbole and Edward Gibbon referred to the authority of my masters the grave Thuanus and the philosophic Hume

**The Memoirs of Toussaint and Isaac Louverture** Arthur F. Saint-Aubin, 2015-07-15 This book examines the memoir of Toussaint Louverture a former slave general in the French army and leader of the Haitian Revolution and the memoir of his son Isaac The Revolution and its leaders have been studied and written about extensively Until recently 2004 however the memoir of Toussaint has received little attention and only as a historical document This is the first study that explores the 1802 work foremost as a literary text a creative production that deploys the techniques of fiction and drama to make truth claims about the past moreover this is the first book length study of Isaac Louverture's memoir The two texts are read as examples of how black men thought of themselves as men citizens and therefore how they expressed their masculinity at that historical moment as experiences of mourning and loss This study builds upon three areas of scholarship the tradition of memoir writing historicist readings of Toussaint's memoir and descriptions and theories of men and masculinity within the

black Atlantic The study distinguishes itself in ways that will make it of interest to more than just historians in addition to using the intersection of race and masculinity as an analytical tool it speaks to the nature of literary creativity and it draws from studies examining the relationship between history memory and fiction As a result scholars and students in literary and cultural criticism as well as those in gender and diasporic studies will also find this study of interest and value *Memoirs of the National Academy of Sciences* ,1921 *Memoirs of a Sojourner* Rog Gryder,2011-04-06 Over the span of fifty five years beginning at age eight I have investigated many religions I have read Islams Quran cover to cover as well as the Catholic apocrypha in which the book of Susanna touches my heart dearly I have read the Book of Mormon cover to cover and it too touched my heart I have been lured by the grace of Hindus and Buddhists to ponder their beliefs Yet I do not consider these to be a part of the preserved Word of God Only the Biblical teachings of Jesus Christ explain to me where my spirit came from It tells me what I did to fall from Gods grace why I am on this planet and why I need pardon greater than I can obtain myself Jesus Christ has provided the Way and no other book explains it as does the Holy Bible The Bible gives me healthy hope to carry on with gusto As of the year 2010 I have read the King James Holy Bible cover to cover more than twenty five times This ongoing reading of the preserved Word of God is the only credential I claim and stand firmly upon Biblical faith is not blind but anchored securely in observable science I am a nuts and bolts up to my elbows in grease kind of gear head I want to know what makes it tick The Authorized Holy Bible is the repair manual for life for dummies It explains the mysteries of Gods kingdom in detail to those who read it all very carefully I have not arrived My sojourn in this far country called earth is still in motion However we are at the threshold of major global events as never before seen by man These events are all foretold in Gods preserved written Word Hence my reading of The Holy Bible is my only credential and I have a passion for sharing what I have found May you be blessed eternally as you journey with me the corridors of life that are not limited by time and space May the Lord add His blessing to the reading of His entire Word Amen Rog **The Works of John Owen, D.D.
