First And Second Chronicles:

First and Second Chronicles Steven Shawn Tuell,2012 **First and Second Chronicles** Paul K. Hooker,2001-01-01
Presents the first and second Chronicles as a theological reflection on the story of Israel's faith using the narrative of Samuel and Kings reaffirming Israel's position as the chosen people of God and tracing the role of worship in Israel's history as a nation Original

First and Second Chronicles Steven S. Tuell,2012-09-03 Steven Tuell shows how the books of Chronicles present the revelation of God's plan and purposes through the history of Israel emphasizing the important role that King David plays within that story Using up to date scholarship Tuell focuses on the theological message of these books that the purpose of life is to seek God that those who find God's will and live accordingly will experience blessing and that God's presence is found in the events of ordinary life

First and Second Chronicles Andrew E. Hill,2003 The Chronicles are more than a history of ancient Israel under the ascent and rule of the Davidic dynasty They are a story whose grand theme is hope Great battles are fought heroes and tyrants vie for power Israel splits into rival kingdoms and the soul of God's holy nation oscillates between faithlessness and revival Yet above this tossing sea of human events God's covenant promises reign untroubled and supreme First and Second Chronicles are a narrative steeped in the best and worst of the human heart but they are also a revelation of Yahweh at work forwarding his purposes in the midst of fallible people God has a plan to which he is committed Today as then God redirects our vision from our circumstances in this turbulent world to the surety of his kingdom and to himself as our source of confidence and peace Exploring the links between the Bible and our own times Andrew E Hill shares perspectives on 1 and 2 Chronicles that reveal ageless truths for our twenty first century lives Most Bible commentaries take us on a one way trip from our world to the world of the Bible But they leave us there assuming that we can somehow make the return journey on our own They focus on the original meaning of the passage but don't discuss its contemporary application The information they offer is valuable but the job is only half done The NIV Application Commentary Series helps bring both halves of the interpretive task together This unique award winning series shows readers how to bring an ancient message into our postmodern context It explains not only what the Bible meant but also how it speaks powerfully today

Eerdmans Commentary on the Bible: First and Second Chronicles Richard J. Coggins,2019-06-18 This extract from the Eerdmans Commentary on the Bible provides Coggin's introduction to and concise commentary on First and Second Chronicles The Eerdmans Commentary on the Bible presents in nontechnical language the best of modern scholarship on each book of the Bible including the Apocrypha Reader friendly commentary complements succinct summaries of each section of the text and will be valuable to scholars students and general readers Rather than attempt a verse by verse analysis these volumes work from larger sense units highlighting the place of each passage within the overarching biblical story Commentators focus on the genre of each text parable prophetic oracle legal code and so on interpreting within the historical and literary context The volumes also address major issues within each biblical book including the range of

possible interpretations and refer readers to the best resources for further discussions The First and Second Books of the Chronicles R. J. Coggins, 1976-01-01 The Chronicles divided into two books purely for convenience have long suffered from neglect this is partly because much of their content can be found elsewhere in the Old Testament and partly because their presentation emphasizing genealogies and ritual ceremonies has lacked appeal for modern man over the last few hundred years Yet these books with their theological interpretation of historical events are a valuable source of illumination about the Judaeen community living under Persian rule about 350 B C and its special relationship with Jerusalem and its temple and with God In his introductory section Mr Cog ins discusses the probable origins and the nature and purpose of the Chronicler s work whether that of a single writer or a group and then examines each book separately In the established style of the series the N E B translation of the text then follows divided into brief sections and alternating with passages of commentary The results of recent Old Testament scholarship and modern theological thought are conveyed in simple language to the student and layman *First and Second Chronicles* Anderson Bibles, 2017-07-19 The books of 1st and 2nd Chronicles tell the story of Israel s Kings It is a book of genealogies and records Lots of names are listed in the books of 1st and 2nd Chronicles The books of Chronicles also tell of the Almighty God s faithfulness in keeping His promises to His people The books tell also about God s covenant with David the rebuilding of the Temple by David s son Solomon The temple is at the central focus of the books of Chronicles David made plans to build the temple however his son Solomon builds it Kings are inaugurated in the temple the life of Prophets are put out in the temple and the law was found in the temple This giant print book of the 1st and 2nd Chronicles is perfect for witnessing and ministry great for elderly folks and residents of nursing homes great read while travelling perfect for individuals with low vision and a great tool for Bible Study and small group discussions The book s construction makes it such that it is easy to carry around light weight printed on rich acid free paper clear bold giant print and includes the inscription over each text The book s construction makes it such that it is easy to carry around light weight printed on rich acid free paper clear bold giant print and includes the inscription over each text **First and Second Chronicles** John C. Endres, 2012 Comprehensive and understandable the New Collegeville Bible Commentary series brings the timeless messages and relevance of the Old Testament to today s readers With recent scholarship this series provides vital background and addresses important questions such as authorship and cultural context The New Collegeville Bible Commentary books use the New American Bible translation and will appeal to preachers teachers Bible study groups and all readers of the Bible In the era in which the Chronicler writes the pressing question is How will Judeans reestablish themselves after the Babylonian exile The Chronicler s answer is to encourage the people of Israel to live out of their memory of God s mercy and compassion Knowing and cherishing the books of Samuel and Kings the writer interprets their message differently because the people of his era face new challenges to their life and faith This commentary highlights the special character of First and Second Chronicles by pointing out subtle ways in which the Chronicler changes the story of Israel

Many of these slight changes in wording reflect theological shifts in the postexilic era The Chronicler sees a need for a strong spiritual center that is clearly located in the Jerusalem temple and its life of worship and prayer Alienated northern tribes may enter this religious world by participating in temple worship New and original materials describe the services and the roles of Levites and priests at the temple Kings foster worship and demonstrate a spirituality of repentance Israel can again become a people united if all join together in worship To the discouraged this history offers hope *First Chronicles, Second Chronicles* Alice L. Laffey, 1985 Eerdmans Commentary on the Bible: First and Second Kings Roger T. Tomes, 2019-06-18 This extract from the Eerdmans Commentary on the Bible provides Tomes' introduction to and concise commentary on First and Second Kings The Eerdmans Commentary on the Bible presents in nontechnical language the best of modern scholarship on each book of the Bible including the Apocrypha Reader friendly commentary complements succinct summaries of each section of the text and will be valuable to scholars students and general readers Rather than attempt a verse by verse analysis these volumes work from larger sense units highlighting the place of each passage within the overarching biblical story Commentators focus on the genre of each text parable prophetic oracle legal code and so on interpreting within the historical and literary context The volumes also address major issues within each biblical book including the range of possible interpretations and refer readers to the best resources for further discussions *First & Second Kings- Everyman's Bible Commentary* Robert Hubbard, 1991-09-09 By the waters of Babylon in the sixth century B C the Jewish people felt like permanent refugees in a foreign land Israel had undergone captivity once before in Egypt This time the people were in exile because of disobedience The books of 1 and 2 Kings were meant as an antidote for the sorrow of heart that afflicted their souls Robert L Hubbard Jr guides you through the maze of kings and empires prophets and priests that are the subjects of those two Old Testament historical books In those books Hubbard says are peaks of unbelievable glory and valleys of unforgettable despair His study of 1 and 2 Kings and of the chaotic time chronicled in those books is written in a comfortable style but with scholarly care Hubbard applies to our lives today the lessons learned through years of pain Scholar and layman alike will appreciate the combination of readability and scholarly investigation that marks this book

First And Second Chronicles Introduction

In today's digital age, the availability of First And Second Chronicles books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of First And Second Chronicles books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of First And Second Chronicles books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing First And Second Chronicles versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, First And Second Chronicles books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing First And Second Chronicles books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for First And Second Chronicles books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, First And Second Chronicles books and manuals for download have transformed the way we

access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of First And Second Chronicles books and manuals for download and embark on your journey of knowledge?
