First And Second Of The Chronicles:

First and Second Chronicles Paul K. Hooker, 2001-01-01 Presents the first and second Chronicles as a theological reflection on the story of Israel's faith using the narrative of Samuel and Kings reaffirming Israel's position as the chosen people of God and tracing the role of worship in Israel's history as a nation Original *First and Second Chronicles* Steven Shawn Tuell, 2012 **First and Second Chronicles** Andrew E. Hill, 2003 The Chronicles are more than a history of ancient Israel under the ascent and rule of the Davidic dynasty They are a story whose grand theme is hope Great battles are fought heroes and tyrants vie for power Israel splits into rival kingdoms and the soul of God's holy nation oscillates between faithlessness and revival Yet above this tossing sea of human events God's covenant promises reign untroubled and supreme First and Second Chronicles are a narrative steeped in the best and worst of the human heart but they are also a revelation of Yahweh at work forwarding his purposes in the midst of fallible people God has a plan to which he is committed Today as then God redirects our vision from our circumstances in this turbulent world to the surety of his kingdom and to himself as our source of confidence and peace Exploring the links between the Bible and our own times Andrew E Hill shares perspectives on 1 and 2 Chronicles that reveal ageless truths for our twenty first century lives Most Bible commentaries take us on a one way trip from our world to the world of the Bible But they leave us there assuming that we can somehow make the return journey on our own They focus on the original meaning of the passage but don't discuss its contemporary application The information they offer is valuable but the job is only half done The NIV Application Commentary Series helps bring both halves of the interpretive task together This unique award winning series shows readers how to bring an ancient message into our postmodern context It explains not only what the Bible meant but also how it speaks powerfully today

Burrows Winfrid Oldfield Burrows (bp. of Chichester), 1902 *You Can Understand the Bible* Peter Kreeft, 2005 Many people are often understandably intimidated or overwhelmed by the sheer size and complexity

of the Bible But now popular author and Boston University professor Peter Kreeft has written a clear road map of the Bible focusing his keen insight and engaging wit on the core message of each book It won't take long for you to understand why his guide to scripture has become a best seller Sparkling with intelligence and Kreeft's trademark humor You Can Understand the Bible will transform dry study into spiritually satisfying adventures in God's Word Regardless of how you approached or didn't approach the Bible before you'll come away with a new appreciation of its depth and meaning Kreeft also provides practical guidance for praying the scriptures every day allowing the reader to delve into the messages of scripture in a manner that will surprise delight and reward
