First Apostles Last Apostles:

Apostles Today Benji G. McNair Scott, 2014-06-02 Are apostles amongst us today According to a growing section of the church the answer is yes This book investigates and appraises that idea seeking answers to the following questions in the context of the church in the USA and particularly Britain Is there a robust scriptural justification for the charismatic apostolate CA that most charismatic groups are proclaiming How widespread is this belief and why has it become more commonplace What kind of apostles are being advocated by influential popular teachers What does church history and tradition have to offer to this idea Is there a way to endorse and embrace ecumenically the CA Does the CA have a future in the universal church These are important questions to answer for the sake of the church's mission and health **The Last**

Apostle Dennis Brooke, 2016-02-01 What if John the last living apostle of Jesus Christ was still alive and well and living in Seattle In A D 100 John is restored to the body of his youth and sent on a mission with a warning to never reveal his true identity He winds up on a small Greek isle where he faces an attempted assassination a run in with the Roman authorities and develops a relationship with the daughter of the village leader Fast forward to modern day Seattle where John leads a foundation dedicated to bringing clean water to third world nations A new television series brings attention to ancient legends about the true fate of John the apostle and threatens to reveal the truth of his identity John struggles to keep his secret as he grows close to Nicole a young woman he recruits to lead his organization For two thousand years John has wandered the earth while hiding his true identity But now both friends and foes are on the verge of discovering who he truly is an event that will trigger the end times Can John divert those who would discover his secret or will curious friends and suspicious enemies spark the apocalypse The Last Apostle is the first in the series of novels on the life of John over the last two millennia **Ordinary People, Extraordinary Power** John Eckhardt, 2010 In today's world we need Christians and churches willing to break out of the normal patterns of religion and tradition to impact and reach the world This work
