First Baby In Camp 1st Edition:

Mining Camp Tales of the Silvery Slocan Peter Smith, 2025-04-29 Mining Camp Tales of the Silvery Slocan tells the often overlooked story of British Columbia's silver rush and its accompanying boom towns. In the 1890s mining camps like Sardon Three Forks Whitewater and their neighbours New Denver Silverton Slocan City Kaslo and Nakusp thrived. Prospectors and miners from Idaho Montana and other mining centres arrived in droves to reap the silver harvest. Capitalists flooded in from Spokane Seattle Vancouver and from investment centres across North America and the world. At its height the silver rush ushered in a frenzy of activity where cities sprang up out of nowhere cultures clashed greed and racism prevailed law and order was a matter of perspective and yet somehow people still united in song dance and a spirit of community. Although the boom era was short lived as plummeting silver prices labour disputes natural disasters and the discovery of Klondike gold severely dampened the spirits of the Silvery Slocan the rush left a legacy that endures to this day. This book opens up a wealth of historical facts anecdotes and archival material on a chapter of mining history that has been largely forgotten until now. Resources in Education , 1999-10 Catalog of Copyright Entries. Third Series Library of Congress. Copyright Office, 1971 The Publishers Weekly , 1926 **The Massachusetts Andrew Sharpshooters** Alden C. Ellis, Jr., 2012-01-09 Named for Massachusetts governor John Albion Andrew who prevented these two companies from joining the nationalized Berdan's sharpshooters so that their families could continue to receive state aid the Andrew Sharpshooters often transferred from unit to unit as the need for their unique long range shooting skills changed. This first chronicle of the Massachusetts Andrew Sharpshooters details their day to day activities and their courageous service at Seven Pines Antietam Fredericksburg Chancellorsville Gettysburg and numerous other Civil War battles. Thorough historical and genealogical information on every man who served in the unit completes this study of these significant but overlooked foot soldiers. The New York Times Index , 1927 The Publishers' Trade List Annual , 1887 *Violent Land* David T. Courtwright, 1996-11 This book offers an explosive look at violence in America why it is so prevalent and what and who are responsible. David Courtwright takes the long view of his subject developing the historical pattern of violence and disorder in this country. Where there is violent and disorderly behavior he shows there are plenty of men largely young and single. What began in the mining camp and bunkhouse has simply continued in the urban world of today where many young armed intoxicated honor conscious bachelors have reverted to frontier conditions. *Violent Land* combines social science with an engrossing narrative that spans and reinterprets the history of violence and social disorder in America. Courtwright focuses on the origins consequences and eventual decline of frontier brutality. Though these rough days have passed he points out that the frontier experience still looms large in our national self image and continues to influence the extent and type of violence in America as well as our collective response to it. Broadly interdisciplinary looking at the interplay of biological social and historical forces behind the dark side of American life this book offers a disturbing diagnosis of violence in our

society **Extension Service Review** ,1939 *Margaret McMillan* Elizabeth Bradburn,2022-11-21 A pioneer of nursery education in inner city areas Margaret McMillan changed the course of British educational history While many are aware of the various social reforms she initiated few are familiar with the life of the woman herself Originally published in 1989 working from her own fresh collection of Margaret McMillan s letters and newspaper articles Dr Bradburn tells in full the inspiring story of a cultured woman who found a new motivation Born in America into a middle class family in 1860 Margaret McMillan spent most of her life in Britain struggling to improve the lot of the poor and needy Outraged by the living and working conditions of labourers in Victorian England she turned her moral indignation into effective action by throwing herself into a campaign for a more just and compassionate society She was a colleague of Keir Hardie a founder member of the Independent Labour Party and worked wholeheartedly from the 1890s for the betterment and advancement of the human race J B Priestley who knew Margaret McMillan when she was a member of the Bradford School Board later described as one of those terrible nuisances who get things done and do more good than a load of bishops In the light of discussions on the urgent need for urban renewal and improvements in nursery education at the time of original publication a review of the innovative work of Margaret McMillan was timely This well documented biography gives fascinating glimpses of a remarkable pilgrimage whose results have not been effaced by time *Child Health Bulletin* ,1928 Includes section Child health literature *Infant, Toddler, and Child Health Sourcebook, 1st Ed.* James Chambers,2020-08-01 Provides consumer health information about the physical mental and developmental health of infants toddlers and children including facts about the diseases and conditions that affect them and tips to bring them up in a healthy way Includes glossary index and other resources **Bookman's Guide to Americana** Joseph Norman Heard,Robert A.
