First On Everest:

View from the Summit Edmund Hillary, Sir Edmund Hillary, 2000-05 In a memoir by the first man to reach the peak of Everest Hillary discusses the adventures that shaped his life from the South Pole to the Ganges River **View from the Summit** Edmund Hillary, 1999 Sir Edmund he s worshipped you know as a god among the Sherpas Jamling Tenzing The first man to set foot on the summit of Everest the man who led a team of tractors to the South Pole the man who jetboated up the Ganges from the ocean to the sky has for the first time gathered all the remarkable adventures of a long life into one volume But there is more to Ed Hillary than this He is also the man who repaid his debt of fame to the Himalayas by inaugurating a programme of school clinic airstrip and bridge building in Nepal which with his still active support has gone from strength to strength over the four decades since he himself mastered the Hillary Step and led his companion Tenzing Norgay up Everest s final summit ridge View from the Summit is a thoughtful and honest reappraisal of a life spent pushing human ability to its limits and relishing the challenges thrown down by the elements It is also the story of a man whom the world has taken to its heart He worked in a half light huge and cheerful his movement not so much graceful as unshakably assured his energy almost demonic He had a tremendous bursting elemental infectious glorious vitality about him like some bright burly diesel express pounding across America Jan Morris **Nothing Venture, Nothing Win** Edmund Hillary, 1977-01-01 **First on Everest** Tom Holzel, Audrey Salkeld, 1986 Recounts a 1924 English expedition to climb Mount Everest speculates on whether the climbers ever reached the top and offers a profile of George Mallory the expedition s leader **Touching My Father's Soul** Jamling Tenzing Norgay, Broughton Coburn, 2002 A book of adventure wisdom and spiritual enlightenment Touching My Father's Soul recounts Tenzing s son Jamling Norgay s treacherous climb to the world s most forbidding summit As retold in Krakauer s Into This Air the 1996 IMAX climb **Everest 1951** Eric Shipton, 2013-11-29 In 1953 Edmund Hillary and Tenzing Norgay reached the summit of Mount Everest They climbed from the south from Nepal via the Khumbu Glacier a route first pioneered in 1951 by a reconnaissance expedition led by Eric Shipton Everest 1951 is the account of this expedition It was the first to approach the mountain from the south side it pioneered a route through the Khumbu icefall and it was the expedition on which Hillary set foot on Everest for the first time Everest 1951 is a short but vitally important read for anybody with any interest in mountaineering or in Everest The 1951 Everest Expedition marked the public highpoint of Shipton s mountaineering fame Key information was discovered and the foundations laid for future success Despite this Shipton s critics felt he had a lack of trust and thus failed to match the urgent mood of the period Despite having been on more Everest expeditions than any man alive he was eased out of the crucial leadership role in 1953 and so missed the huge public acclaim given to Hillary Tenzing Norgay and John Hunt after their historic success **Famous Firsts: First Men to Conquer Everest** Ben Hubbard, 2020-11-26 An account of how Edmund Hillary and Tenzing Norgay made history by being the first men to conquer Mount Everest For years climbers and explorers had dreamed of being the first to reach Mount

Just for the Love of it Cathy O'Dowd, 1999 *Tenzing Norgay and the Sherpas of Everest* Tashi Tenzing, Judy Tenzing, 2003-04-01 One of the greatest tales of mountaineering heroics is told for the first time from the Sherpa point of view Coauthored by the grandson of mountaineer Tenzing Norgay this is a highly visual and intimate look at a proud and enigmatic man and the mountain that shaped him 100 photos

Tenzing Ed Douglas, 2003 In 1953 Tenzing Norgay was at the heart of the successful British Everest expedition as leader of the Sherpas whose hard work brought victory and as one of the two lead climbers to reach the top But behind Tenzing's radiant smile is an untold story of courage tragedy and ambition of a man who overcame incredible odds just to reach the bottom of the mountain Born in a sacred Tibetan valley in the shadow of Everest Tenzing's long journey led him from life as an illiterate yak herder to become the friend of Nehru feted by monarchs and presidents all over the world Set against the backdrop of one of the greatest chapters in the history of exploration Tenzing Hero of Everest recounts the jubilant moments at the summit Tenzing was effusive putting an arm around Hillary's shoulders and thumping him on the back with infectious delight Hillary joined in Now all below them the valleys where Tenzing had grown up It was such a sight as I had never seen

before he said and would never see again wild wonderful and terrible But terror was not what I felt I loved the mountains too well for that I loved Everest too well Mountaineering historian Ed Douglas reveals for the first time Tenzing's long climb from obscurity Drawing on extensive interviews with family members climbing partners and members of the Sherpa community in Darjeeling and Nepal the book chronicles his rise to fame and the aftermath of his triumph The result is a wealth of new material about a man who made his people famous and whose life was the stuff of legend

Postcolonizing the Commonwealth Rowland Smith, 2006-01-01 Women and resistance in Iran cowboy songs fetal alcohol syndrome the conquest of Everest women settlers in Natal What do these topics have in common The study of what used to be called Commonwealth literature or the new literatures has by now come to be known as postcolonial study This collection of essays investigates the status of postcolonial studies today The contributors come from three generations the pioneers who introduced study of the new literatures into university English departments the next generation who refined and developed many of the theoretical positions embodied in postcolonial study and the next much younger generation who use the established practices of the discipline to investigate the application of this theory in a wide range of cultural contexts Although the authors write from such different starting points a surprisingly similar set of images phrases and topics of concern emerge in their essays They return constantly to issues of difference and similarity the re-examination of categories that often appear to be too rigidly defined in current postcolonial practices and to concepts of sharing experience ideas of home and even the use of land Postcolonizing the Commonwealth Studies in Literature and Culture offers an intriguing analysis of the state of postcolonial criticism today and of the application of postcolonial methods to a variety of texts and historical events It is an invaluable contribution to the current debate in both literary and cultural studies
