

# FIRST QUESTIONS

*On the Life of the Spirit*

"This is not a stuffy academic discourse on spiritual life. It is a powerfully written handbook on how to find God, by a man who did so, to his own vast surprise.

"For those who are already tentatively or securely committed to a religious faith, this book offers a guide toward a deeper understanding of the spiritual life. For those who do not believe in God, but who are troubled by what G. K. Chesterton called 'the first wild doubts of doubt,' it is a compelling invitation to a great experiment."
