First Saratoga Being The Saga Of John Young And His Sloopofwar:

Family Life in 17th- and 18th-Century America James M. Volo, Dorothy Volo, 2005-12-30 Colonial America comes alive in this depiction of the daily lives of families mothers fathers children and grandparents The Volo s examine the role of the family in society and typical family life in 17th and 18th century America Through narrative chapters aspects of family life are discussed in depth such as maintaining the household work entertainment death and dying ceremonies and holidays customs and rites of passage parenting education and widowhood Readers will gain an in depth understanding of the world in which these families lived and how that world affected their lives Also included are sources for further information and a timeline of historic events Volumes in the Family Life through History series focus on the day to day lives and roles of families throughout history The roles of all family members are defined and information on daily family life the role of the family in society and the ever changing definition of family are discussed Discussion of the nuclear family single parent homes foster and adoptive families stepfamilies and gay and lesbian families are included where appropriate Topics such as meal planning homes entertainment and celebrations are discussed along with larger social issues that originate in the home such as domestic violence child abuse and neglect and divorce Ideal for students and general readers alike books in this series bring the history of everyday people to life

United States Naval History United States. Navy Dept, 1965
American Naval History in 50 Ships James M. Caiella, 2025-08-01 The course of American naval history has not been set only by the relatively few famous ships whose stories have been told and retold This volume spotlights 50 less recognized vessels each significant in its own way from the Continental Navy to the first supercarriers while touching on many others with which their stories are interwoven Attention is given not only to the design and conceptual changes the vessels embodied but also the crews whose toil and heroism gave them life and sometimes notoriety One captain tried to sell his warship in the midst of the Civil War Each ship is detailed chronologically in chapters that often dispel timeworn misconceptions Some were trailblazers others were misdirected in their inspiration design or execution indeed two could not float and one was dampened only by rain Yet each helped shape America s seafaring history United States Naval History United States. Department of the Navy. Library, United States. Navy Department. Naval Operations Office, 1972 *United States Naval History* United States. Navy Department. Library, 1972 *The War Of The American Revolution: Narrative, Chronology, And Bibliography [Illustrated Edition]* Robert W. Coakley, 2014-08-15 Includes over 20 maps and illustrations The American Revolution the Bicentennial of which we are celebrating in 1975 and 1976 was an event of utmost significance in the history of both this country and the world It brought into being a nation dedicated to the ideals of liberty and justice that was destined to become in less than two centuries the leader of the western world And it marked the beginning of vast changes that would sweep that western world in the century following thrusting aside old monarchical institutions in favor of representative government and free economic institutions Albeit fought on the battlefields much like other eighteenth

century wars it also carried within it the seeds of change in the military sphere that were to sprout and grow in the French Revolution less than two decades later It was in this sense a war of transition between the epoch of limited wars fought by professional armies and people s wars fought by the nation in arms Our first national army the Continental Army was created to fight the Revolution As the forebear of the United States Army of today the Continental Army established many of the traditions and practices still honored in our service The War of the American Revolution was until Vietnam at least the Army s longest war It is altogether fitting and proper then that the United States Army should pay particular attention to the study of its origins during the bicentennial years and commemorate the events of the Revolution in which the Continental Army and its adjunct the militia participated The purpose of this small volume is to provide a ready reference for such study and observance The American Revolution has been intensively studied and written about in the two hundred years that have elapsed since 1775 There is much good scholarship as well as popular writing both old and new covering all aspects of the conflict and the political and social changes that accompanied it

United States Naval History Barbara A. Lynch, John E. Vajda, 1993

Books on Early American History and Culture, 1951-1960 Raymond D. Irwin, 2006-01-30 This volume is part of a series of annotated bibliographies on early American history including North America and the Caribbean from 1492 to 1815 It includes monographs reference works exhibition catalogues and essay collections published between 1951 and 1960 which were reviewed in at least one of thirty four historical journals Each entry gives the name of the book its author s or editor s publisher date of publication OCLC number s the Library of Congress call number the Dewey class number the number of times the book has been cited in the journal literature and the number of OCLC member libraries that held the item as of August 2005 Following each detailed citation is a brief summary of the book and a list of journals in which the book has been reviewed This volume contains chapters on general early American history historiography and public history geography and exploration colonization maritime history Native Americans race and slavery gender ethnicity migration labor and class economics and business society families and children rural life and agriculture urban life religion the American Revolution the War of 1812 the Constitution politics and government law crime and punishment diplomacy military ideas literature communication education science and medicine visual arts and material culture and performing arts This volume is part of a series of annotated bibliographies on early American history including North America and the Caribbean from 1492 to 1815 It includes monographs reference works exhibition catalogues and essay collections published between 1951 and 1960 which were reviewed in at least one of thirty four historical journals Each entry gives the name of the book its author s or editor s publisher date of publication OCLC number s the Library of Congress call number the Dewey class number the number of times the book has been cited in the journal literature and the number of OCLC member libraries that held the item as of August 2005 Following each detailed citation is a brief summary of the book and a list of journals in which the book has been reviewed This volume contains chapters on general early American history historiography and public history

geography and exploration colonization maritime history Native Americans race and slavery gender ethnicity migration labor and class economics and business society families and children rural life and agriculture urban life religion the American Revolution the War of 1812 the Constitution politics and government law crime and punishment diplomacy military ideas literature communication education science and medicine visual arts and material culture and performing arts Through this volume Irwin aims to make scholars teachers and students of early American history aware of books written in the field between 1951 and 1960 He offers descriptions and location aids for those works and he directs users to reviews of the books He also suggests which works in the field have had significant scholarly impact This volume may boast extensive indexes by subject and author thematic chapters book summaries that cover subject matter scope and often argument and approach and OCLC accession numbers to aid in edition identification and book location *The war of the American Revolution* Robert W. Coakley, Stetson Conn, 1975 *The Virginia Magazine of History and Biography* Philip Alexander Bruce, William Glover Stanard, 1954 Vols 1 28 30 31 33 34 include the society's Proceedings at its annual meeting 1893 1923 1926 **The American Revolution (Vol. 1-3)** Robert W. Coakley, Stetson Conn, U.S. Army Center of Military History, 2018-05-15 Jerrie S Cheek presents a collection of Web sites pertaining to the American Revolution appropriate for use with elementary history classes The collection offers curriculum enrichment materials as well as lesson plans and other activities Topics in the collection include battles and such famous Americans as George Washington 1732 1799 Benjamin Franklin 1706 1790 Betsy Ross 1752 1836 Benedict Arnold 1741 1801 and more The Kennesaw State University Educational Technology Center in Kennesaw Georgia provides the collection online **A Companion to American Military History** James C. Bradford, 2009-11-03 With more than 60 essays A Companion to American Military History presents a comprehensive analysis of the historiography of United States military history from the colonial era to the present Covers the entire spectrum of US history from the Indian and imperial conflicts of the seventeenth century to the battles in Afghanistan and Iraq Features an unprecedented breadth of coverage from eminent military historians and emerging scholars including little studied topics such as the military and music military ethics care of the dead and sports Surveys and evaluates the best scholarship on every important era and topic Summarizes current debates and identifies areas where conflicting interpretations are in need of further study *Give Me a Fast Ship* Tim McGrath, 2015-07-07 WINNER OF THE SAMUEL ELIOT MORISON AWARD FOR NAVAL LITERATURE A meticulous adrenaline filled account of the earliest days of the Continental Navy New York Times bestselling author Laurence Bergreen America in 1775 was on the verge of revolution or more likely disastrous defeat After the bloodshed at Lexington and Concord England's King George sent hundreds of ships westward to bottle up American harbors and prey on American shipping Colonists had no force to defend their coastline and waterways until John Adams of Massachusetts proposed a bold solution The Continental Congress should raise a navy The idea was mad The Royal Navy was the mightiest floating arsenal in history with a seemingly endless supply of vessels More than a hundred of these were

massive ships of the line bristling with up to a hundred high powered cannon that could level a city The British were confident that His Majesty s warships would quickly bring the rebellious colonials to their knees They were wrong Beginning with five converted merchantmen America s sailors became formidable warriors matching their wits skills and courage against the best of the British fleet Victories off American shores gave the patriots hope victories led by captains such as John Barry the fiery Irish born giant fearless Nicholas Biddle who stared down an armed mutineer and James Nicholson the underachiever who finally redeemed himself with an inspiring display of coolness and bravery Meanwhile along the British coastline daring raids by handsome cocksure John Paul Jones and the Dunkirk Pirate Gustavus Conyngham who was captured and sentenced to hang but tunneled under his cell and escaped to fight again sent fear throughout England The adventures of these men and others on both sides of the struggle rival anything from Horatio Hornblower or Lucky Jack Aubrey In the end these rebel sailors from the quarterdeck to the forecandle contributed greatly to American independence Meticulously researched and masterfully told Give Me a Fast Ship is a rousing epic tale of war on the high seas and the definitive history of the American Navy during the Revolutionary War

If By Sea George C Daughan,2008-05-13 The American Revolution and thus the history of the United States began not on land but on the sea Paul Revere began his famous midnight ride not by jumping on a horse but by scrambling into a skiff with two other brave patriots to cross Boston Harbor to Charlestown Revere and his companions rowed with muffled oars to avoid capture by the British warships closely guarding the harbor As they paddled silently Revere s neighbor was flashing two lanterns from the belfry of Old North Church signaling patriots in Charlestown that the redcoats were crossing the Charles River in longboats In every major Revolutionary battle thereafter the sea would play a vital if historically neglected role When the American colonies took up arms against Great Britain they were confronting the greatest sea power of the age And it was during the War of Independence that the American Navy was born But following the British naval model proved crushingly expensive and the Founding Fathers fought viciously for decades over whether or not the fledgling republic truly needed a deep water fleet The debate ended only when the Federal Navy proved indispensable during the War of 1812 Drawing on decades of prodigious research historian George C Daughan chronicles the embattled origins of the U S Navy From the bloody and gunpowder drenched battles fought by American sailors on lakes and high seas to the fierce rhetorical combat waged by the Founders in Congress If By Sea charts the course by which the Navy became a vital and celebrated American institution

Marines in the Revolution Charles Richard Smith,1975

American Brave Thomas Williams,2014-02-10 Joshua Barney had youthful aspirations of becoming a sea captain When he was eleven years old his dream came true and a lifetime occupation on the sea commenced something possible for a boy living in the 18th century to achieve Joshua Barney made his first sea voyage at the age of eleven At the age of fourteen he was captain of a merchant ship to Europe and back Barney took part in thirty five Revolutionary War naval engagements He lost five of these engagements suffered imprisonment three times and escaped the British prison twice The

tale of Barneys incredible victories at sea frustrating defeats and cleverness as a prisoner constitute a series of remarkable anecdotes Joshua was a member of the Cincinnati Society the Freemasons and Paris Masonic Lodge of Nine Sisters Joshua Barney worked with Robert Morris to collect 600 000 dollars in Havana and transport the gold and silver to Philadelphia in June 1782 to fund the Philadelphias Bank of North America the first United States chartered bank Barney served in the French Navy as Capitaine Vaisseau de Premier with the rank equivalent to that of Post Captain of the highest grade Commodore Barney was the American hero at the battle of Bladensburg 1814 Joshua Barney proved to be one of the American Brave American Brave by Thomas Williams Historical Fiction The story of Admiral Joshua Barney 1759 1818 is fun informative emotional and adventurous [The Mississippi Valley Historical Review](#) ,1973 [The War of the American Revolution](#), [Bicentennial Publication]. United States. Military History Office,1975 **The American Revolution (Illustrated Edition)** Robert W. Coakley,Stetson Conn,U.S. Army Center of Military History,2018-11-02 This eBook edition of the American Revolution history has been formatted to the highest digital standards and adjusted for readability on all devices This book on the American Revolution consists of three parts a brief narrative history of the war a chronology of military events and a bibliography Each part requires a word of explanation The narrative consists of one chapter on the colonial background of American military history and two on the Revolution itself Part Two is a chronology oriented toward military events covering the period between the signing of the Treaty of Paris ending the Seven Years War in 1763 and the ratification by the Continental Congress some twenty years later of a second Treaty of Paris confirming American independence Part Three the bibliography contains listings of over a thousand titles of books articles and published source material on the American Revolution The emphasis is again on the land war but proportionately the bibliography gives more attention to the political social and economic aspects of the Revolution and to its naval phase than do either the narrative or the chronology [The War of the American Revolution](#) Robert W. Coakley,Stetson Conn,1975
