First Strike Invasion:

First Strike Shlomo Nakdimon, 1999-10-16 Long ago before the days of myth and legend our worlds belonged to them Now they want them back Captain Kirk is stunned when the Federation receives an urgent plea for help from the Klingon Empire A mysterious starship has invaded Klingon space and resisted all their efforts to destroy it Establishing contact with the stranger s ship Kirk discovers that it is only the vanguard of a vast alien fleet obsessed with conquering the Klingons the Federation the Romulans and all who dwell in the space that was once their own The Invasion has begun **Invasion**

Omnibus Diane Carey, Kristine Kathryn Rusch, Dean Wesley Smith, L. A. Graf, Dafydd ab Hugh, 1998 Four stories all linked together with one horrific theme INVASION Each generation must battle the invading Furies to save the Earth from ultimate destruction The Great Turning David C. Korten, 2009-02 Although the issues addressed in The Great Turning are global

and universal I have chosen to focus my analysis on the United States It is the nation among all others that is most challenged by the imperatives of the Great Turning Few other nations are so accustomed to living beyond their own means so imbued with a sense of special virtue and entitlement or so burdened by a political leadership as out of touch with global reality and as incapable of accepting responsibility for the consequences of its actions Because of its global presence whether the United States responds to the imperatives with the logic of Empire or the logic of Earth Community is likely to have far reaching consequences for all nations Furthermore the United States is the nation of my birth the nation I know best and love most and the nation for whose role in the world I feel most responsible *The Great Turning (EasyRead Edition)* David C. Korten, 2006

The Last Mission Malcolm McConnell, 2024-04-29 How close did the Japanese come to not surrendering to Allied forces on August 15 1945 The Last Mission explores this question through two previously neglected strands of late World War II history whose very interconnections could have caused a harrowing shift in the course of the postwar world On the final night of the war as Emperor Hirohito recorded a message of surrender for the Japanese people a band of Japanese rebels commanded by War Minister Anami s elite staff burst into the palace They had plotted a massive coup that aimed to destroy the recordings of the Imperial Rescript of surrender and issue false orders forged with the Emperor s seal commanding the widely dispersed Japanese military to continue the war If this rebellion had succeeded the military would have proceeded with large scale kamikaze attacks on Allied forces costing huge casualties and just possibly provoking the Americans to drop a third atomic bomb on Japan over Tokyo and continue to drop more bombs as Japanese resistance stiffened Stalking the Antichrists (1940-1965) Volume 1 George E. Lowe, 2013-02-22 It is based on the inspiring

definitions of the word introduction 1651 My actions of bringing in a newly weapon since August 1945 brought into the world and to its process of the application in war and with an in depth initiation in the knowledge of elementary instruction regarding Deterrents and Deterrence thereof which leads to the knowledge or understanding of the impact of both fission and fusion nuclear weapons on war politics foreign policy strategy and the fate of the Earth Gaia Gods Creation thanks to my

insights gained personally at Grove City College the University of Chicago U S Navy Air Intelligence Officer and State Department Foreign Service Officer and herewith presented as my introduction to the formal introduction of my halting but determined attempts to deter a thermonuclear World War III and Armageddon too 1945 2012 Modified from Introduction Shorter Oxford English Dictionary Third Edition 1959 p 1036 **The Great Turning (Volume 2 of 3) (EasyRead Super Large 24pt Edition) , Joel Barlow's Columbiad** Steven Blakemore,2007 Steven Blakemore offers a close reading of The Columbiad within the context of contemporary national debates over the significance of America In doing so he helps the reader understand the variety of national discourses that Barlow was promoting challenging or subverting Long neglected The Columbiad fundamentally engages the core issues and strategies of national self definition and the creation of a vital republican culture This book will appeal to all those interested in early American literature the literature of the early Republic and American literary nationalism *The Last Mission* Jim Smith,Malcolm McConnell,2007-12-18 A gripping account of the final American bombing mission of World War II and how it prevented a military coup that would have kept Japan in the war How close did the Japanese come to not surrendering to Allied forces on August 15 1945 The Last Mission explores this question through two previously neglected strands of late World War II history whose very interconnections could have caused a harrowing shift in the course of the postwar world On the final night of the war as Emperor Hirohito recorded a message of surrender for the Japanese people a band of Japanese rebels commanded by War Minister Anami s elite staff burst into the palace They had plotted a massive coup that aimed to destroy the recordings of the Imperial Rescript of surrender and issue false orders forged with the Emperor s seal commanding the widely dispersed Japanese military to continue the war If this rebellion had succeeded the military would have proceeded with large scale kamikaze attacks on Allied forces costing huge casualties and just possibly provoking the Americans to drop a third atomic bomb on Japan over Tokyo and continue to drop more bombs as Japanese resistance stiffened Meanwhile in the midst of an end of war celebration on Guam Air Force radio operator Jim Smith and his fellow crewmen received urgent orders for a bombing mission over Japan s sole remaining oil refinery north of Tokyo As a stream of American B 29B bombers approached Tokyo Japanese air defenses fearing the approaching planes signaled the threat of a third atomic bomb ordered a total blackout in Tokyo and the Imperial Palace completely disrupting the rebels plans Smith and his fellow crewmembers completed the mission and a few hours later the Emperor announced the surrender over Japan s airwaves dictating the end of the war The Last Mission is an insightful piece of speculative investigation that combines narrative storytelling with historical contingency and explores how two seemingly unrelated events could have profoundly changed the course of modern history **Invasion! First Strike** ,1996 **The Great Turning (Volume 1 of 2) (EasyRead Super Large 18pt Edition) , Adventures In Time And Space** Mary Taylor (ed),2012-10-23 From The Entropy Effect to The Q Continuum Pocket Books has published hundreds of pulse pounding thought provoking Star Trek novels in the twenty years since Pocket Books US became the official Star Trek

A Strategy For Terminating A Nuclear War Clark C Abt, 2021-11-28 Avoiding a nuclear war or ending one if avoidance fails is an important but relatively unexplored aspect of nuclear doctrine Dr Abt examines the feasibility of antagonists agreeing to exclude their open cities from nuclear targeting and to replace strategic bombardment with retaliatory invasion to create less of a hair-trigger deterrent Critical net assessments by U.S. strategists and the effects of such a strategy on the Soviet Union and on U.S. allies are considered along with problems implementation might pose The author contends that both deterrence and the potential for limiting damage are strengthened by pre-war plans for a nuclear ceasefire and stalemate short of holocaust

Honest Broker? John P. Burke, 2009-04-20 Quis custodiet ipsos custodes Who will be guarding the guardians Juvenal The U.S. president's decisions on national security and foreign policy reverberate around the world The National Security Council NSC and the national security advisor are central to the decision-making process But how was the role of the national security advisor originally understood and how has that understanding changed over time Above all how has the changing role of the national security advisor affected executive decisions and the implementation of policy Now presidential scholar John P. Burke systematically and thoroughly addresses these questions In *Honest Broker* he reviews the office of national security advisor from its inception during the Eisenhower presidency to its latest iteration in the White House of George W. Bush He explores the ways in which the original conception of the national security advisor as an honest broker who rather than directly advocate for any certain policy direction was instead charged with overseeing the fairness completeness and accuracy of the policymaking process has evolved over time In six case studies he then analyzes the implications of certain pivotal changes in the advisor's role providing thoughtful and sometimes critical reflections on how these changes square with the role of honest broker Finally Burke offers some prescriptive consideration of how the definition of the national security advisor's role relates to effective presidential decision making and the crucial issues of American national security *Honest Broker* will be an important resource for scholars students political leaders and general readers interested in the U.S. presidency foreign policy and national security

Disciples of Destruction Charles W. Sutherland, What's going on in the world Every day we hear more horror stories about the wars in the Middle East Americans are afraid to travel world wide because of their justified fears of terrorism And here at home we watch with amazement as the fundamentalists battle over control of a TV empire riddled with sex and drugs with a scenario that makes prime time television look tame As money sex and power once again take their toll *Disciples of Destruction* examines religion itself and the role it has played since time as we know it began Sutherland uncovers and analyzes the real ramifications of organized religion and its devastating effects on Western civilization *Disciples of Destruction* is packed with little known vignettes that are sure to astonish amuse and sometimes even outrage the reader Few will fail to be drawn in by the account of the Corpse Synod in which a Pope's body was exhumed put on trial for high crimes and subsequently dragged through the streets of Rome or shocked by the plausible contention that Albino Luciani elected Pope John Paul I in 1979 but destined to reign for only 33 days did not die a natural death but was in fact assassinated Sutherland convincingly concludes that organized religion even today maintains the proclivities of its barbaric origins as Israeli expansionism the Vatican's obsession with its financial empire the atrocities of Khomeini's Islamic Republic and Marxist militarism and repression amply demonstrate These proclivities updated to our century indicate that while the long battle to liberate the mind from the fear of tyranny continues the slow process of slaying the dragons of mythology is not keeping step with the pace of nuclear weapons development and deployment which accelerates in the context of an equally explosive growth of religious fundamentalism Unchecked this makes armageddon the easiest prophecy to fulfill
