Teenage Sex and Pregnancy Mike A. Males, 2010-07-15 This detailed exhaustively documented account shows how and why just about everyone in today's teen pregnancy debate is wrong often disastrously so Teenage Sex and Pregnancy Modern Myths Unsexy Realities presents a unique view of its subject by analyzing the extensive myths and fears that surround discussion of teenage sex and pregnancy including their relationship to popular culture poverty adult sexual behaviors and anxieties toward the increasingly public roles of young women Award winning author Mike Males argues that today's discussions rely largely on falsehoods and the suppression of crucial realities His work details a new view of popular culture as a largely beneficial feature of teens' lives and presents a carefully documented analysis demolishing destructive myths about the new girl Debunking popular arguments he shows that the teen sex debate is mired in interest group talking points that ignore difficult realities to advance politically attuned agendas It's time he writes to modernize the discussion recognizing that teens act in ways consistent with their interests with the sexual behaviors of adults and with the school and job opportunities afforded them Reducing Nonmarital Births United States. Congress. House. Committee on Ways and Means. Subcommittee on Human Resources, 2000

Kids Talk Susan M. Hoyle, Carolyn Temple Adger, 1998-09-10 Between early childhood and adulthood language acquisition is succeeded by a bloom of repertoire for managing interaction a growing sensitivity to the relation of language and society an expanding ability to wield power through the strategic use of language and an increasing sophistication in framing speech activities This book examines a wide range of language practices among school age children and teenagers using data from naturally occurring recorded talk and from careful observation of interaction in peer groups The contributors analyze talk at play at school and at work documenting the growing communicative skills of young people while always focusing on what young

speakers themselves do with and through language Theoretical constructs to which the contributors appeal include Goffman's notion of footing and Hymes communicative competence as well as multiple characterizations of discourse structure The chapters show older children as strategic language users dynamic actors who are often concerned with defining themselves as a distinctive group different from adults yet who just as often display proficiency at sophisticated discourse activities that presage those of adulthood
