**The Branch** Preston T. Massey, 2018-07-24 The thesis of the book may be stated simply it is an argument based upon the four prophetic texts of Jer 23 5 Zech 3 8 6 12 and Isa 4 2 as a foundational pattern for the four Gospels These four prophetic texts it will be argued mention a King Branch a Servant Branch a Man Priest Branch and a Lord God Branch This study seeks to show how Matthew presents Jesus as the King Branch Mark as the Servant Branch Luke as the Priest Man Branch and John as the Lord God Branch Consideration will also be given to explore the ramification of the four living Beings as described in Rev 4 6 7 Given the sum total of this sequence of literary facts the conclusion of this book will raise a number of possible implications One of

these implications will offer the conclusion that the four evangelists could not have written their four Gospels solely on their own human unaided efforts      *The Gospel According to Flannery O'Connor* Jordan Cofer, 2014-04-24 Jordan Cofer examines the influence of the Bible upon Flannery O'Connor's fiction While there are many studies exploring how her Catholicism affected her fiction this book argues that O'Connor is heavily influenced by the Bible itself Specifically it explicates the largely undocumented ways in which she used the Bible as source material for her work It also shows that rhetorically many of O'Connor's stories and or characters are based upon biblical models Furthermore Cofer explains how O'Connor's stories engage their biblical analogues in unusual unexpected and sometimes grotesque ways as her stories manage to convey essentially the same message as their biblical counterparts Throughout O'Connor's work there are significant biblical allusions which have been neglected or previously undiscovered This book acknowledges her biblical source material so readers can understand the impact it had on her fiction Cofer argues that readers can better appreciate her work by examining how her stories are often grounded in specific biblical texts which she similarly distorts exaggerates and subverts in order to shock and teach readers Simply put O'Connor doesn't merely reference these biblical stories she rewrites them

**National Union Catalog** ,1973 Includes entries for maps and atlases      **The Question of Canon** Michael J Kruger, 2020-05-21 For many years now the topic of the New Testament canon has been the main focus of my research and writing It is an exciting field of study that probes into questions that have long fascinated both scholars and laymen alike namely when and how these 27 books came to be regarded as a new scriptural deposit But the story of the New Testament canon is bigger than just the when and the how It is also and perhaps most fundamentally about the why Why did Christians have a canon at all Does the canon exist because of some later decision or action of the second or third century church Or did it arise more naturally from within the early Christian faith itself Was the canon an extrinsic phenomenon or an intrinsic one These are the questions this book is designed to address And these are not micro questions but macro ones They address foundational and paradigmatic issues about the way we view the canon They force us to consider the larger framework through which we conduct our research whether we realized we had such a framework or not Of course we are not the first to ask such questions about why we have a canon Indeed for many scholars this question has already been settled The dominant view today as we shall see below is that the New Testament is an extrinsic phenomenon a later ecclesiastical development imposed on books originally written for another purpose This is the framework through which much of modern scholarship operates And it is the goal of this volume to ask whether it is a compelling one To be sure it is no easy task challenging the status quo in any academic field But we should not be afraid to ask tough questions Likewise the consensus position should not be afraid for them to be asked      **The Gospel of Mark** William Barclay, 1975 Dr Barclay explains why the first three Gospels are called synoptic how they came to be written and how scholars have concluded that Mark's was the first Touching on Mark's own life he discusses the rift that Mark occasioned between Paul and Barnabas Mark's sources of

information about Jesus the characteristics of his Gospel writing and mystery of the lost ending **The First Three Gospels** William Barclay, 1966 The Case against Christ George G. R. Dekle Sr., 2011-07-12 Some two thousand years ago in a small province of the Roman Empire an obscure Roman governor ordered the execution of a peasant leader It went virtually unnoticed at the time No official report of the event has survived and we would have no memory at all of it except for the efforts of a handful of followers of the condemned man Those followers who kept that memory alive changed the course of history and the results of their efforts continue to reverberate to this day Conventional interpretation says that the execution of Jesus of Nazareth came on the heels of a series illegal trials before a number of different tribunals and at the culmination of that series of trials a moral coward by the name of Pontius Pilate ordered Jesus execution despite being satisfied that he was innocent Revisionist interpretation says that there was no trial at all that Pilate simply executed Jesus because he was a nuisance and that Jesus followers invented the story of his execution as a means of shifting the blame from the Roman government to a group of people whom they despised the Jews Are the Gospels good history or bad propaganda Does a fair reading of the Gospel accounts support either the conventional or the revisionist interpretation of the trial of Jesus Who if anyone should shoulder the blame for the crucifixion of Jesus The Case against Christ seeks to answer these questions by treating the matter as a forensic death investigation and answering the questions as they might be answered by a prosecutor attempting to determine who should be held criminally responsible for the death of Jesus **Dictionary of Major Biblical Interpreters** Donald K. McKim, 2007-11-12 Donald K McKim edits this revised and expanded edition of IVP's Historical Handbook of Major Biblical Interpreters With 230 in depth articles regarding the principal players in the history of Biblical interpretation this volume will serve as an invaluable tool for any serious student of the Bible or history of exegesis

**The Hypothesis of Undesigned Coincidences** Michael J. Alter, 2024-11-14 The hypothesis of Undesigned Coincidences was first proposed by William Paley 1743 1805 and later popularized by J J Blunt 1794 1855 More recently Lydia and Timothy McGrew have revived this hypothesis McGrew defines an undesigned coincidence as a significant connection between two or more accounts or texts that does not appear to have been planned by the individuals providing the accounts Despite their apparent independence the elements fit together like pieces of a puzzle Advocates use undesigned coincidences to argue that the Gospels are a compilation of independent and reliable sources However these advocates do not engage with biblical criticism and overlook relevant research on coincidences and casualness The feeding of the five thousand is a prominent example discussed by proponents who point to details such as the green grass the location of Bethsaida and the question posed by Jesus to Philip These episodes are thoroughly reviewed and analyzed in The Hypothesis of Undesigned Coincidences

*Reclaiming the Bible from the Enlightened* Doug McNaught, 2007-11 Should Christians concede ground as far as the Bible is concerned Do the enlightened experts have a mortgage on the truth or can Christians simply believe the Bible in confidence Reclaiming the Bible from the Enlightened gives each Christian confidence to believe and obey the Bible knowing

that they are remaining true to their own God and Saviour We don't have to give ground to unbelievers or feel that our minds are inferior **The Living Church**, 1967 *The Lukan Passion Narrative. The Markan Material in Luke 22,54 - 23,25*

Revd Jay M. Harrington, 2019-07-01 This study traces the debate surrounding Luke's use of the Gospel of Mark and special sources such as Proto Luke in a section of the passion narrative Lk 22 54 23 25 The survey covers roughly the period from the 1880s to 1997 Part I details the development from P. Feine to the 1960s Part II begins with G. Schneider continuing up through 1997 In treating each scholar's position the author reviews their underlying Synoptic theory their source theory in the passion in general then the trial of Pilate and finally the trial before Herod Part III is devoted to an interpretation of Lk 23 6 16 Part IV contains the list of abbreviations the bibliography and three appendices 1 Special LQ vocabulary and constructions according to J. Weiss 2 Lukan priority theories and 3 the Gospel of Peter and its relation to the Herod pericope Part IV concludes with the name index The Lukan Passion Narrative will be particularly useful to those concerned with Luke's redactional technique Source theories Minor Agreements and the history of exegesis **The Lukan Passion Narrative**

Jay M. Harrington, 2000-01-01 This volume offers a detailed chronological and systematic history of the debate surrounding Luke's use of Mark's Gospel and special sources in a section of the passion narrative concluding with an exegesis of Lk 23 6 16 as a testing ground of material derived from the survey An extensive bibliography and useful appendices round out the volume **The Great Betrayal** Sheldon W. Liebman, 2018-11-27 In the view of many contemporary scholars both Jesus and

Judaism have been misrepresented by the church for the past two thousand years Their main point is that Judaism was not a superficial rigid and outdated religion and Jesus did not reject it In fact along with his disciples he remained a Law-abiding Jew his entire life However as Christianity developed from a Jewish sect in the first century AD to the official religion of the Roman Empire in the fourth century the church was transformed Jesus was redefined and both Jews and their religion were repudiated and marginalized In short both Christians and Jews were deeply affected by what many scholars now call the de-Judaization of Jesus This book is an attempt to correct the traditional theological and scholarly misinterpretations of Jesus and Judaism that emerged over the first four centuries of the life of the church 32 *Ways to Become a Great Sunday*

*School Teacher* Delia Halverson, 1997-07-01 A self-directed teacher training resource offering four courses of study for both experienced teachers and beginners For many churches teacher training is a once a year event or even a budget casualty 32 *Ways to Become a Great Sunday School Teacher* uses self-study sessions to help teachers design individualized programs that assist them in learning how to teach New teachers will learn the basics of teaching how faith develops the ages and stages of learning veterans will find ways to enrich their prayer lives and incorporate different teaching styles in a lesson A sampler of topics How to Study a Bible Passage Multiple Intelligence Learning Death Illness Other Crises Using Questions in Teaching The Gospels Prayer in the Classroom The Sacraments Symbols of Christianity [Studies in Earliest Christianity](#)

Robert L. Greenhow, 2014-01-07 These studies cover a variety of topics Beliefs and expectations of first century Jews The

earliest gospel Stephen The beginning of the gospel Christ died for our sins The Jerusalem Council Speaking in tongues  
Comparing the gospels      2 Timothy and Titus Aída Besançon Spencer, 2014-05-16 A thorough and insightful commentary on Paul's letter to his coworker Timothy which the apostle wrote before and during Nero's persecution Spencer carefully examines each part of the letter and relates it to the overall flow of the argument and in light of the larger biblical historical social and cultural contexts How Paul's writing related to the ancient communities is highlighted in the light of original data gleaned from her explorations on location in Crete Ephesus and Rome In addition Paul's rhetorical and ministry strategies especially as they relate to women and their role in the church are explored Throughout Spencer presents an in depth exegesis in a readable format enhanced by forty years of ministry
