THE FIRST WORLD WAR

AN ILLUSTRATED HISTORY

A. J. P. Taylor

"...it is unlikely that there will be a more satisfactory compact survey of that Armageddon."
— *Newsweek*

"What makes Mr. Taylor's book outstanding is his capacity to penetrate through the undergrowth of controversy and conflicting interpretation to the central truth."
— *New York Review of Books*

The First World War John Keegan,2001 John Keegan s The First World War is already established as the classic single volume history of the conflict In this study of World War I the author presents the military conflict the battles on land sea and in the air together with interpretations of military events He also shows how the war also acted as an engine for social change which shapes our world today **The Routledge Companion to World History since 1914** Chris Cook,John Stevenson,2006-01-27 The Routledge Companion to World History since 1914 is an outstanding compendium of facts and

figures on World History Fully up to date reliable and clear this volume is the indispensable source of information on a thorough range of topics such as the Arab Israeli conflict anti semitism and the Holocaust all the world s major famines and natural disasters since 1914 whether all countries of the world have a king president prime minister or other governance GNP of the world s major states year by year biographies of key figures civil rights movements the Vietnam War the rise of terrorism globalization Thematically presented the book covers topics relevant from the First World War to the Iraq war of 2003 and from post colonial Africa to conflicts and movements in Southeast Asia With maps chronologies and full bibliography this user friendly reference work is the essential companion for students of history politics and international relations and for all those with an interest in world history The Ottoman Army and the First World War Mesut

Uyar,2020-12-29 This is a comprehensive new operational military history of the Ottoman army during the First World War Drawing from archives official military histories personal war narratives and sizable Turkish secondary literature it tells the incredible story of the Ottoman army s struggle from the mountains of the Caucasus to the deserts of Arabia and the bloody shores of Gallipoli The Ottoman army by opening new fronts diverted and kept sizeable units of British Russian and French forces away from the main theatres and even sent reinforcements to Austro Hungary and Bulgaria Against all odds the Ottoman army ultimately achieved some striking successes not only on the battlefield but in their total mobilization of the empire s meagre human and economic resources However even by the terrible standards of the First World War these achievements came at a terrible price in casualties and ultimately loss of territory Thus instead of improving the integrity and security of the empire the war effectively dismantled it and created situations and problems hitherto undreamed of by a besieged Ottoman leadership In a unique account Uyar revises our understanding of the war in the Middle East **The**

Great War in History Jay Winter,Antoine Prost,2020-12-03 This revised and updated edition of The Great War in History provides the first survey of historical interpretations of the Great War from 1914 to 2020 It demonstrates how the history of the Great War has now gone global and how the internet revolution has affected the way we understand the conflict Jay Winter and Antoine Prost assess not only diplomatic and military studies but also the social and cultural interpretations of the war across academic and popular history family history and public history including at museums on the stage on screen in art and at sites of memory They provide a fascinating case study of the practice of history and the first survey of the ways in which the Centenary deepened and deflected both public and professional interpretations of the war This will be essential reading for scholars and students in history war studies European history and international relations The First World War

1906- Taylor,1965 The First World War William Kelleher Storey,2020-12-07 In a compact but comprehensive and clear narrative this book explores the First World War from a genuinely global perspective Putting a human face on the war William Kelleher Storey takes into account individual decisions and experiences as well as environmental and technological factors such as food geography manpower and weapons *Lawrence of Arabia's War* Neil Faulkner,2016-05-24 This

radically new perspective on T E Lawrence the Arab Revolt and WWI in the Middle East provides essential insight into today's violent conflicts Archaeologist and historian Neil Faulkner draws on ten years of field research in the Middle East to offer the first truly multidisciplinary history of the conflicts that raged in Sinai Arabia Palestine and Syria during the First World War Rarely is a book published that revises our understanding of an entire world region and the history that has defined it This groundbreaking volume makes just such a contribution In Lawrence of Arabia's War Faulkner sheds new light on British intelligence officer T E Lawrence and his legendary military campaigns He explores the intersections among the declining Ottoman Empire the Bedouin tribes rising Arab nationalism and Western imperial ambition Faulkner arrives at a provocative new analysis of Ottoman resilience in the face of modern industrialized warfare This analysis leads him to reassess the relative weight of conventional operations in Palestine and irregular warfare in Syria and thus the historic roots of today's divided fractious war-torn Middle East [A History Of The First World War In 100 Objects](#) John Hughes-Wilson,2014-03-03

[A History of the First World War in 100 Objects](#) narrates the causes progress and outcome of the First World War by telling the stories behind 100 items of material evidence of that cataclysmic and shattering conflict From weapons that created carnage to affectionate letters home and from unexpected items of trench decoration to the paintings of official war artists the objects are as extraordinary in their diversity and story-telling power as they are devastating in their poignancy Each object is depicted on a full page and is the subject of a short chapter that fans out from the item itself to describe the context the people and the events associated with it Distinctive and original [A History of the First World War in 100 Objects](#) is a unique commemoration of the war to end all wars *Modern European History, 1871-2000* David Welch,2020-09-10 *Modern European History* brings together a unique selection of documents covering the period from 1871 to 2000 The collection is organised by topic and a clear historical context and chronological chart provide background for each section This second edition brings the book up to date and includes such key themes in European history as Bismarck and Imperial Germany the Russian Revolution the origins and aftermath of the First and Second World Wars Fascist Italy and Nazi Germany The Spanish Civil War The Cold War European Integration 1945-1999 Containing documents such as extracts from diaries speeches treaties poetry radio broadcasts photographs cartoons political posters and propaganda this is an essential resource for students of modern British and European history **The Penguin Book of First World War Stories**

Ann-Marie Einhaus,Barbara Korte,2007-10-25 An anthology of Great War short stories by British writers both famous and lesser-known authors men and women during the war and after its end These stories are able to illustrate the impact of the Great War on British society and culture and the many modes in which short fiction contributed to the war's literature The selection covers different periods the war years themselves the famous boom years of the late 1920s to the more recent past in which the First World War has received new cultural interest [The Cambridge History of the First World War: Volume 1, Global War](#) Jay Winter,2014-01-09 This first volume of *The Cambridge History of the First World War* provides a

comprehensive account of the war's military history. An international team of leading historians charts how a war made possible by globalization and imperial expansion unfolded into catastrophe growing year by year in scale and destructive power far beyond that which anyone had anticipated in 1914. Adopting a global perspective, the volume analyses the spatial impact of the war and the subsequent ripple effects that occurred both regionally and across the world. It explores how imperial powers devoted vast reserves of manpower and material to their war efforts and how by doing so they changed the political landscape of the world order. It also charts the moral, political and legal implications of the changing character of war and in particular the collapse of the distinction between civilian and military targets.
