such a dominant role in her daughter's life that Dare was never able to find her way into the adult world. Only through her work could she speak for herself. In her books she created the happy family she'd always yearned for while her self-portraits betrayed an unresolved tension between sexuality and innocence, a desire to belong and painful isolation. Illustrated with stunning photographs, *The Secret Life of the Lonely Doll* tells the unforgettable story of a woman who imprisoned by her childhood sought to set herself free through art. **A Gift From The Lonely Doll** Dare Wright, Edith and Little Bear Lend a Hand Dare Wright, 2013-08 A doll Edith and her friend Little Bear persuade Mr Bear not to move from the New York City by cleaning the littered streets of their own neighborhood. Illustrated with photographs. The Absent Mother in the Cultural Imagination Berit Åström, 2017-07-11 This anthology explores the recurring trope of the dead or absent mother in Western cultural productions. Across historical periods and genres this dialogue has been employed to articulate and debate questions of politics and religion, social and cultural change as well as issues of power and authority within the family. Ström seeks to investigate the many functions and meanings of the dialogue by covering extensive material from the 1200s to 2014 including hagiography, romances, folktales, plays, novels, children's literature and graphic novels as well as film and television. This is achieved by looking at the discourse both as products of the time and culture that produced the various narratives and as part of an ongoing cultural conversation that spans the centuries, resulting in an innovative text that will be of great interest to all scholars of gender, feminist and media studies. A Gift from the Lonely Doll Dare Wright, 2015-09-01 Edith The Lonely Doll struggles with the choice of a Christmas gift for Mr Bear, finally realizing that something made by hand would be far better than something bought in a store. A knitted muffler seemed a perfect choice, especially since Edith, Mr Bear and Little Bear are planning to spend the holidays with cousins Charles Bear and Albert Bear in the snowy hills of upstate New York. Edith knits whenever Mr Bear isn't watching, hiding her project in a woven basket without realizing how much yarn she's been using. When the presents are opened on Christmas morning, Mr Bear's gift is long enough for three bears. Edith is miserable about it until she finds the perfect solution. She cuts the muffler into gifts for both Mr Bear and his two cousins, and the day ends very happily. Edith And Midnight Dare Wright, 2015-09-01 It was summertime and Edith and The Bears were on a farm in the country. Little Bear wanted Edith to go fishing with him. Edith had her heart set on owning a pony and she couldn't think about anything else. Then late one night Edith woke up and saw a wild black pony running in the moonlight beneath her window. Her mind was made up. Somehow she and Little Bear were going to tame that pony and make him their own. But the pony Midnight had other ideas and he ended up leading the two on quite a chase before they finally became friends. Toy Stories Tanya Jones, 2017-04-11 Toys, those celebrated childhood cohorts and lead actors in children's imaginative play, have a fantastic history of heroism in fiction. From teddy bears that guard sleeping babies to plastic soldiers and cowboys who lay

siege to wooden block castles toys are often the heroes of the stories children inspire authors to tell In this collection of new essays scholars from a great range of disciplines examine fictional toys as protectors of the children they love as heroes of their own stories and as champions for the greater good in the writings of A A Milne Hans Christian Andersen William Joyce John Lasseter and many others
