**Families & Change** Sharon J. Price,Christine A. Price,Patrick C. McKenry,2010 Change is an integral part of any family s day to day experience Problems crises transitions and change all affect the family as our society progresses into a more complicated future Researchers and practitioners grapple with such complex issues as divorce violence and changing family structures each day and require suggestions and solutions to tough situations associated with families and change This book integrates scholarship from a variety of disciplines to address the most common problems faced by contemporary families This new edition includes a chapter on LGBT families and covers military families In addition It also has a new student study site and faculty resources      **Homelessness in the United States** ,2001 Each bibliography includes a comprehensive list of the theorist s works and critical studies of these works in English Each bibliography contains approximately 600 to 900 entries Books journal articles essays within edited books in the manner of Essay and General Literature and dissertations are included References are provided from a wide variety of disciplines and bibliographic sources The primary purpose of each bibliography is to provide access to the widely reprinted primary works in English and the critical literature in a great variety of books and journals The topical bibliographies include the authoritative works on the subject and are arranged in useful categories The lively part of the modern post modern debate is generally taking place in alternative and left journals journals always included in the literature search in the compiling of the bibliographies      *Educating All Learners* Festus E. Obiakor,Patrick A. Grant,Elizabeth A. Dooley,2002      *Kidwatching in Josie's World* Neva Ann Medcalf,2008 Over twenty years of work and research with homeless children comes together in a scholarly work that puts a real face on the issue of homelessness especially for children Most people do not realize that children are among the thousands that are homeless and are the fastest growing segment of the homeless population The public tends to think about the bum on the corner with the cardboard sign or those sleeping under the bridges who accost them for a handout They do not realize that homelessness has an enormous and negative impact on growth development and learning for children This is an issue that affects schools communities and society at large Through qualitative observations in a one room classroom in a homeless shelter and in

classrooms of an elementary school located in a subsidized housing project the development and use of language among homeless children classroom interactions between students and teachers and information regarding the effects of homelessness on children are closely examined This book re educates teachers educators and the general public in order to spur a new more accurate mindset about the reality and consequences of homelessness The work s larger purpose is to bring about compassionate implementation of the solutions necessary to eradicate this problem
