Gibraltar, Identity and Empire E.G. Archer, 2013-01-11 The principal argument in Gibraltar and Empire is that Gibraltarians constitute a separate and distinctive people notwithstanding the political stance taken by the government of Spain Various factors environmental ethnic economic political religious linguistic educational and informal are adduced to explain the emergence of a sense of community on the Rock and an attachment to the United Kingdom A secondary argument is that the British empire has left its mark in Gibraltar in various forms such as militarily and for a number of reasons Gibraltar and Empire s exploration of the manifold reasons why the Gibraltarians have bucked the trend in the history of decolonization comes at a time when the issues in question have come to the fore in diplomatic and political areas

Bordering on Britishness Andrew Canessa, 2018-12-17 This volume explores how Gibraltarian Britishness was constructed over the course of the twentieth century Today most Gibraltarians are fiercely proud of their Britishness sometimes even describing themselves as more British than the British and Gibraltar s Chief Minister in 2018 announced in a radio interview that We see the world through British eyes Yet well beyond the mid twentieth century the inhabitants of the Rock were overwhelmingly Spanish speaking had a high rate of intermarriage with Spaniards and had strong class links and shared interests with their neighbours across the border At the same time Gibraltarians had a very clear secondary status with respect to UK British people By the beginning of the twenty first century however Gibraltarians speak more English than Spanish with increasing English monolingualism have full British citizenship and are no longer discriminated against based on their ethnicity they see themselves as profoundly different culturally to Spanish people across the border Bordering on Britishness explores and interrogates these changes and examines in depth the evolving relationship Gibraltarians have with Britishness It also reflects on the profound changes Gibraltar is likely to experience because of Brexit when its border with Spain becomes an external EU border and the relative political strengths of Spain and the UK shift accordingly If Gibraltarian Britishness has evolved in the past it is certain to evolve in the future and this volume raises the question of how this might change if the UK s political and economic strength especially with respect to Gibraltar begins to wane **Modern**

Sport - The Global Obsession Boria Majumdar, Fan Hong, 2013-09-13 Sport has become more than a simple physical expression or game it now pervades all societies at all levels and has become bound up in nationalism entertainment patriotism and culture Now a global obsession sport has infiltrated into all areas of modern life and despite noble ideals that sport stands above politics religion class gender and ideology the reality is often very different These essays by leading academics and rising new talent consider the phenomenon of modern sport and its massive influence over global society Together this collection is also a tribute to the pioneering and inspirational work of Professor J A Mangan on the political religious class and gender based aspects of modern sport from academics greatly influenced by him and his writing This book was previously published as a special issue of The International Journal of the History of Sport *Places of Memory and*
