Emperor Has A Body:

The Emperor's Black Swan Karasmara, 2021-05-16 Can a wolf and a swan be together Darilus Gratagan is the Elven emperor of the Aluthia Empire His rise to power brought to him a dark curse a demonic wolf is infesting in his body For a hundred and twelve years he has managed to suppress the curse But the demon is getting stronger to the point that Darilus finds himself turning into a monster almost every night He begins to desire blood and his people are in danger of himself Until he finds the evil witch from Tollyria in his royal garden I can tame a demon dog she says Sania has died At least she thought so But then she opens her eyes in Aluthia s royal garden and when she looks at the reflection of the pond she sees herself as a black swan However when night comes she shifts back into her original form the White Witch of Tollyria For some reason she cannot leave the royal garden Then she meets the Emperor of Aluthia in the form of a demonic wolf Make a deal with me he says This story will be applied to PTR on Nov 5th 2021 □□3 qi longpantian, 2025-02-12 A middle aged man with a linen shirt in Tsing Yi appeared in the void with a faint smile on his face *Theodore Metochites* Ioannis Polemis, 2023-12-28 The statesman and scholar Theodore Metochites was one of the most important personalities of the fourteenth century Byzantine Empire A close advisor to the emperor Andronikos II and restorer of the famous monastery of Chora in Constantinople Metochites left various writings including orations poems essays and commentaries on classical and religious texts in which he discusses the numerous problems that troubled him and his contemporaries such as the decline of the state and the tension between public life and that of the philosopher In this book Ioannis Polemis provides the first in depth study of Metochites oeuvre revealing the complex way he represented the authorial self to critique the politics and mores of his day whilst at the same time shielding himself from potential criticism Polemis details the way Metochites deftly manipulated figures and tropes from classical antiquity and early Christianity to justify his role in public life which was traditionally shunned by scholars in the pursuit of logos The book provides unique insights into one of the late Empire s most important figures as well as more widely deepening our understanding of classical reception in Byzantium and the social political and intellectual climate of Constantinople in the fourteenth century *Ways of Being Male* John Stephens, 2013-10-18 Given the substantial impact of feminism on children s literature and culture during the last quarter century it comes as no surprise that gender studies have focused predominantly on issues of female representation The question of how the same patriarchal ideology structured representations of male bodies and behaviors was until very recently a marginal discussion Now that masculinity has emerges as an overt theme in children s literature and film critical consideration of the subject is timely if not long overdue *Ways of Being Male* addresses this new concern in an unprecedented collection of essays examining how contemporary debates about masculinity are reflected in fiction and film for young adults An outstanding team of scholars elucidates the ways in which different versions of male identity are constructed and presented to young audiences The contributors drawn from a variety of academic disciplines employ
