Ética de la empresa

Carlos María Moreno Pérez, 2017-05-08 *Ética de la empresa* es un libro que introduce al lector a la ética aplicada al mundo empresarial en la sociedad actual. El autor sostiene que la ética la empresa y la vida se entremezclan en el quehacer diario de cualquier profesional de empresa. La ética en general tiene que ver con las personas pero la empresa también puede libremente decidir cómo llevarla a la práctica a través de ciertos valores expresados en su cultura. La empresa es sociedad y la ética de la empresa repercute en la sociedad. El lector encontrará en este ensayo tanto preguntas para la reflexión como ideas para la acción. De una manera clara, amena y documentada, el autor aborda diversas cuestiones tras una breve introducción a la ética y a la ética empresarial, aborda el tema de los valores de la corrupción y los conflictos empresariales, los referentes éticos, la reputación e imagen de las empresas y traza algunos apuntes sobre estas en la sociedad del futuro.

Comunicación de empresa en entornos turbulentos Luis del Pulgar Rodríguez, 1999

Las TIC y la Ingeniería Gráfica Oscar Farrerons Vidal, Noelia Olmedo Torre, 2016-04-06 El libro que tiene en sus manos evalúa la influencia de las Tecnologías de la Información y la Comunicación en el aprendizaje de la Ingeniería Gráfica en España. Para ello se expone la metodología de trabajo, el universo de la investigación y su delimitación cronológica, así como una serie de hipótesis que se verán contrastadas en las conclusiones finales. Este libro también describe los antecedentes de la evolución de la universidad española en el campo de la ingeniería industrial en España y sus enseñanzas históricas, y una breve comparativa de lo que ocurre en Europa y Estados Unidos. En esta obra se exponen los diferentes modelos de aprendizaje que se han identificado y se hace especial énfasis en el modelo virtual con sus pros y contras. Se desarrollan los conceptos de semipresencialidad, informatización de la docencia y evaluación continuada, así como su influencia en los planes de estudio. Se analizan los contenidos temáticos clásicos del campo en relación a la ingeniería multimedia y al lenguaje de modelado de realidad virtual. Finalmente se estudia la influencia del ordenador en los procesos de aprendizaje y cómo ello puede condicionar de diferente manera las competencias en la ingeniería gráfica.

Economía, empresa y organización de obra Truyols Mateu Sebastián, 2020-03-04 Los temas se han seleccionado y agrupado de acuerdo a los Planes Universitarios que para esta titulación en concreto existirán tras la implantación definitiva del Espacio Europeo de Educación Superior en las diferentes universidades europeas y, consecuentemente, en España. La obra se ha estructurado en tres bloques claramente diferenciados.

Nonprofit and Business Sector Collaboration Sridhar Samu, Walter W. Wymer, Jr., 2013-04-03 Business managers are you considering supporting a worthy cause? Nonprofit administrators are you considering looking for a corporate partner? Examine ways to reap the benefits while avoiding the sometimes hidden pitfalls of these partnerships. In the last decade, cooperation between businesses and nonprofit organizations has increased dramatically. Businesses no longer content to simply make contributions

to worthy causes are now working with nonprofits in ways that help them increase their visibility and reach new consumer groups In this book top researchers explore the how why and when of this kind of collaboration In addition to examining the various types of relationships that currently exist between these kinds of organizations and what the future could hold Nonprofit and Business Sector Collaboration goes on to explore cause related marketing philanthropy social enterprise sponsorships alliances licensing agreements and more This informative book illustrates the motives for and expected outcomes of developing these collaborative business relationships and then gets specific with insightful examinations of the role that marketing plays in cross sector collaboration alliances strategic partnerships symbiotic marketing etc and the characteristics each partner and the partnership itself must have to succeed how the public s attitude toward a charity can change when the charity accepts corporate donations how existing perceptions of a company s ethics can affect a cause related marketing campaign Pepsi s cause related marketing campaigns in Spainhow they were perceived by the Spanish population and their effect on the company s image there how nonprofits can create successful relationships with corporate sponsors and their customers how businesses and arts organizations can work together for their mutual benefit and more

Empresa En La Sociedad Que Viene Introduction

In the digital age, access to information has become easier than ever before. The ability to download Empresa En La Sociedad Que Viene has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Empresa En La Sociedad Que Viene has opened up a world of possibilities. Downloading Empresa En La Sociedad Que Viene provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Empresa En La Sociedad Que Viene has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Empresa En La Sociedad Que Viene. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Empresa En La Sociedad Que Viene. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Empresa En La Sociedad Que Viene, users should also consider the potential

security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Empresa En La Sociedad Que Viene has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
