Good Morning, Olive Robert Viagas, 2022-10-01 Hamlet calls death that undiscovered country from whose bourn no traveler returns But he's wrong Some do return Each night after the applause dies the curtain falls the audience vanishes the cleaners dust and the lights are killed great theatres become dark and silent places But not always quite empty That's when the theatre ghosts make their entrance and strut and fret their hour upon the shadowed boards illuminated only by the ghost light the solitary lamp that is required to burn through the night on every Broadway stage Many of Broadway's busiest theatres continue to be just as busily haunted by spirits some with well known names and histories Good Morning Olive named for one of the most beautiful and temperamental of Broadway's ghosts is about the ghosts that haunt theatres in New York and around the world Broadway is the playground of stars so it's probably not surprising to learn that even its ghosts are stars Meet some of Broadway's best known and most active celebrity ghosts Don't worry like Casper they tend to be friendly For the most part There's something special about theatres something especially conducive and welcoming to ghosts Charles J Adams III wrote By its very nature a theatre is a vault within which every human emotion is at once imprisoned impersonated imitated and elicited Tangles of cords and ropes tall curtains and

backdrops which fade into high darkness cubicles and trap doors and passageways Good Morning Olive takes readers on a tour of that world *Amazing Japan!* Boye Lafayette De Mente,2009-11 Japan is known worldwide for its economic prowess and such iconic symbols as geisha karaoke manga Mt Fuji ninja feudal age samurai warriors and huge sumo wrestlers What is not so well known are its amazing historical artifacts shrines temples castles the world s largest and oldest wooden buildings arts and crafts hundreds of annual festivals that go back nearly two thousand years the incredible scenic beauty of its mountains gorges rivers one of the longest and most gorgeous coastlines in the world and a combined modern and traditional lifestyle that is so fascinating and seductive that exposure to it for just a few days is a mind altering experience The author identifies and describes a choice selection of things that make Japan one of the world s most unusual most intriguing and most enjoyable travel destinations things that explain why so many foreigners take up permanent residence there once they have experienced life in this amazing country **Half Swimmer** Katja Oskamp,2024-09-17 Half Swimmer Noun A German term for one who has recently learnt to swim but hasn t yet mastered the technique Growing up in 1980s East Germany as the daughter of an army officer and a teacher Tanja seems set to become a model citizen of the German Democratic Republic Except she has other ideas And so it turns out does the course of history Half Swimmer is a collection of stories from one life following a young girl as she attempts to forge her own identity under the social pressures of both the GDR and the capitalism of a unified Germany When Traditional Medicine Met the World Health Organization Seung Hoon Choi,2025-02-05 Originating from ancient Chinese medicine Traditional East Asian Medicine TEAM has a history spanning more than two thousand years TEAM gained global recognition in the early 21st century with its inclusion in the World Health Organization s International Classification of Diseases 11th Revision ICD 11 This achievement is one result of the standardization efforts promoted by the author during a five year tenure as a Regional Adviser at WHO WPRO from 2003 At that time the standardization of TEAM encompassed standard terminology acupuncture point locations diagnostic classifications and clinical practice guidelines These initiatives have revolutionized TEAM This book provides a vivid account of the process presented as a journal **Modern Mandarin Chinese** Claudia Ross,Baozhang He,Pei-Chia Chen,Meng Yeh,2018-10-10 Modern Mandarin Chinese is a two year undergraduate course for students with no prior background in Chinese study Designed to build a strong foundation in both the spoken and written language it develops all the basic skills such as pronunciation character writing word use and structures while placing a strong emphasis on the development of communicative skills Each level of the course consists of a textbook and workbook in simplified Chinese A free companion website provides all the audio for the course with a broad range of interactive exercises and additional resources for students self study along with a comprehensive instructor s guide with teaching tips assessment and homework material and a full answer key Key changes to this new edition An increased number of vocabulary and characters introduced 255 characters are introduced in this second edition for active production Dialogues and example sentences are also presented in full

character format for passive recognition and to provide additional challenge for more advanced students Additional exercises in the workbooks and online to support the expanded number of words and characters incorporated into the textbooks New cross references between the textbooks workbooks and companion website facilitate using all the resources in an integrated manner Greatly enhanced and re designed website Retaining its focus on communicative skills and the long term retention of characters the text is now presented in simplified characters and pinyin from the outset with a gradual and phased removal of pinyin as specific characters are introduced and learnt This unique approach allows students to benefit from the support of pinyin in the initial stages as they begin speaking while ensuring they are guided and supported towards reading only in characters

Food, Language, and Society Natsuko Tsujimura, 2023-02-15 Food Language and Society Communication in Japanese Foodways examines the language of food in Japanese through the lens of cognitive science and cultural studies to explore intriguing ways in which language food and culture interact in the fabric of Japanese society The questions of how where and by whom food and food experiences are described provide abundant opportunities for investigating relationships between language and culture from multi disciplinary perspectives Linguistic analysis of the language of food enables us to understand cognitive information that motivates and influences people s rhetorical choices on foodways Detailed discussions reveal that loanwords mimetics cooking terms and metaphors serve as lynchpins to enrich the expressive power of the language of food Food discourse situated in broader social and cultural contexts also reflect social norms and cultural practices deeply embedded within and beyond our gustatory and culinary life Food narratives as in cookbooks and advertisements are an informative means for virtual interpersonal communication where individual and group identity is indexed providing a platform for reexamination of gender and other social norms as response to changes in society Examined from the interaction of linguistic and sociocultural perspectives Food Language and Society illuminates the form use and social meaning of the language of food

Marriage to Death Rush Rehm, 2019-01-15 The link between weddings and death as found in dramas ranging from Romeo and Juliet to Lorca s Blood Wedding plays a central role in the action of many Greek tragedies Female characters such as Cassandra Antigone and Helen enact and refer to significant parts of wedding and funeral rites but often in a twisted fashion Over time the pressure of dramatic events causes the distinctions between weddings and funerals to disappear In this book Rush Rehm considers how and why the conflation of the two ceremonies comes to theatrical life in the tragedies of Aeschylus Sophokles and Euripides By focusing on the dramatization of important rituals conducted by women in ancient Athenian society Rehm offers a new perspective on Greek tragedy and the challenges it posed for its audience The conflation of weddings and funerals the author argues unleashes a kind of dramatic alchemy whereby female characters become the bearers of new possibilities Such as formulation enables the tragedians to explore the limitations of traditional thinking and acting in fifth century Athens Rehm finds that when tragic weddings and funerals become confused and perverted the aftershocks disturb the political and ideological givens of Athenian society challenging

the audience to consider new and often radically different directions for their city Rush Rehm is Assistant Professor of Drama and Classics at Stanford University and a free lance theater director He is the author of Greek Tragic Theatre Routledge and Aeschylus Oresteia A Theatre Vision Hawthorn Originally published in 1994 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 **A Certain Je Ne Sais Quoi** Chloe Rhodes,2009-09-10 A handy guide to the meanings and origins of the many foreign phrases we use every day
