Girl Reporter Wartime New York

Marlene Wagman-Geller

Girl Reporter Wartime New York:

The Girls Who Fought Crime Maj. Gen. Mari K. Eder, 2023-08-08 For fans of Margot Lee Shetterley and Liza Mundy comes an inspiring feminist tale of a woman who dedicated her entire life to the New York Police Department upending the patriarchy and the status quo for women working in public service Corsets Crime and the Woman to Change Modern Policing Forever Mary Mae Foley was a force to be reckoned with On one hip she held her makeup compact on the other her NYPD badge When women were fighting for the vote Mae was fighting crime in the heart of New York City taking down rapists boot leggers Nazis and serial killers One of the first women to be sworn into the police force Mae not only fought crime in the city that never sleeps but also did something much bigger challenged the patriarchal systems that continually tried to shut her and other women down The result of her efforts A long career that helped over 2 000 women join her auxiliary police force the Masher Squad Mae Foley is proof that women can do anything men can do all while wearing corsets and the perfect shade of rouge From renowned author speaker and retired U S Army Major General Mari K Eder comes the exciting and superbly researched story of a trailblazer who courageously dedicated her life to public service *Australian Women War Reporters* Jeannine Baker, 2015-09-01 This is the hidden story of Australian and New Zealand women war reporters who fought for equality with their male colleagues and filed stories from the main conflicts of the twentieth century In *Australian Women War Reporters* Jeannine Baker provides a much needed account of the pioneering women who reported from the biggest conflicts of the twentieth century Two women covered the South African War at the turn of the century and Louise Mack witnessed the fall of Antwerp in 1914 Others such as Anne Matheson Lorraine Stumm and Kate Webb wrote about momentous events including the rise of Nazism the liberation of the concentration camps the aftermath of the atomic bombing of Hiroshima and the Cold War conflicts in Korea and Southeast Asia These women carved a path for new generations of female foreign correspondents who have built upon their legacy Jeannine Baker deftly draws out the links between the experiences of these women and the contemporary realities faced by women journalists of war including Monica Attard and Ginny Stein allowing us to see both in a new light **Girls to the Rescue** Emily Hamilton-Honey, Susan Ingalls Lewis, 2020-05-01 During World War I as young men journeyed overseas to battle American women maintained the home front by knitting fundraising and conserving supplies These became daily chores for young girls but many longed to be part of a larger more glorious war effort and some were A new genre of young adult books entered the market written specifically with the young girls of the war period in mind and demonstrating the wartime activities of women and girls all over the world Through fiction girls could catch spies cross battlefields man machine guns and blow up bridges These adventurous heroines were contemporary feminist role models creating avenues of leadership for women and inspiring individualism and self discovery The work presented here analyzes the powerful messages in such literature how it created awareness and grappled with the engagement of real girls in the United States and Allied war effort and how it reflects their contemporaries

awareness of girls importance American Journalists Donald A. Ritchie, 2007 This volume profiles 60 American journalists from colonial times to the present and focuses on news reporters editors publishers and broadcasters whose careers significantly advanced or were symbolic of major changes in their profession Illustrations fact boxes and quotations from the subjects themselves together with the depth and breadth of historical information make this volume an illuminating and fascinating read

Unabashed Women Marlene Wagman-Geller ,2021-08-29 Well Behaved Women Seldom Make History A thrilling journey into the badass women whose non conventional lives left their DNA on history Discover words of wisdom from the women who found their voices inspiring you to do the same Amazing women with a story to tell Join Mae West as she shakes up the entertainment industry with her wit and wisdom or create colorful art pieces with Yayoi Kusama that are larger than life itself These women in history defied the expectations of conventional society to live the lives they chose regardless of what others thought Words of Wisdom Society may have labeled these fierce femmes as rebels bad ass wild or uppity But these amazing women still dared to be different With an out of the box perspective you ll find inspiration from an array of fabulous females who will give you a lesson in being one of a kind Unabashed Women offers you Lessons on how to break the glass ceiling Biographies of trailblazing women from all walks of life Empowerment through famous females who dared to go against the grain If you enjoyed badass books like Women in Art The Book of Gutsy Women or In the Company of Women then you ll love Unabashed Women

World War II in the Pacific Stanley Sandler, 2003-12-16 Stanley Sandler one of America s most respected and best known military historians has brought together over 300 entries by some 200 specialists in the field to create the first encyclopedia specifically devoted to the Pacific Theatre of World War II Extending far beyond battles and hardware the coverage ranges from high policy making grand strategy and the significant persons and battles of the conflict to the organization of the Allied and Japanese divisions aircraft armor artillery psychological warfare warships and the home fronts covering the interactions of each topic along the way

The Woman War Correspondent, the U.S. Military, and the Press Carolyn M. Edy, 2016-12-13 Honorable Mention recipient for the American Journalism Historians Association Book of the Year Award this book outlines the rich history of more than 250 women who worked as war correspondents up through World War II while demonstrating the ways in which the press and the military both promoted and prevented their access to war Despite the continued presence of individual female war correspondents in news accounts if not always in war zones it was not until 1944 that the military recognized these individuals as a group and began formally considering sex as a factor for recruiting and accrediting war correspondents This group identity created obstacles for women who had previously worked alongside men as war correspondents while creating opportunities for many women whom the military recruited to cover woman s angle news as women war correspondents This book also reveals the ways the military and the press as well as women themselves constructed the concepts of woman war correspondent and war correspondent and how these concepts helped and hindered the work of all war correspondents even as they challenged and

ultimately expanded the public's understanding of war and of women

Phantom Ladies Tim Snelson, 2014-11-15 Defying industry logic and gender expectations women started flocking to see horror films in the early 1940s The departure of the young male audience and the surprise success of the film *Cat People* convinced studios that there was an untapped female audience for horror movies and they adjusted their production and marketing strategies accordingly *Phantom Ladies* reveals the untold story of how the Hollywood horror film changed dramatically in the early 1940s including both female heroines and female monsters while incorporating elements of women's genres like the gothic mystery Drawing from a wealth of newly unearthed archival material from production records to audience surveys Tim Snelson challenges long held assumptions about gender and horror film viewership Examining a wide range of classic horror movies Snelson offers us a new appreciation of how dynamic this genre could be as it underwent seismic shifts in a matter of months *Phantom Ladies* therefore not only includes horror films made in the early 1940s but also those produced immediately after the war ended films in which the female monster was replaced by neurotic psychotic or hysterical women who could be cured and domesticated *Phantom Ladies* is a spine tingling eye opening read about gender and horror and the complex relationship between industry and audiences in the classical Hollywood era

Out on Assignment Alice Fahs, 2011-11-17 *Out on Assignment* illuminates the lives and writings of a lost world of women who wrote for major metropolitan newspapers at the start of the twentieth century Using extraordinary archival research Alice Fahs unearths a richly networked community of female journalists drawn by the hundreds to major cities especially New York from all parts of the United States Newspaper women were part of a wave of women seeking new independent urban lives but they struggled to obtain the newspaper work of their dreams Although some female journalists embraced more adventurous reporting including stunt work and undercover assignments many were relegated to the women's page However these intrepid female journalists made the women's page their own Fahs reveals how their writings including celebrity interviews witty sketches of urban life celebrations of being bachelor girls advice columns and a campaign in support of suffrage had far reaching implications for the creation of new modern public spaces for American women at the turn of the century As observers and actors in a new drama of independent urban life newspaper women used the simultaneously liberating and exploitative nature of their work Fahs argues to demonstrate the power of a public voice both individually and collectively

Lou Henry Hoover Dale C. Mayer, 2004 The first ever biography of Herbert Hoover's First Lady

American Journalists in the Great War Chris Dubbs (Military historian), 2017 When war erupted in Europe in 1914 American journalists hurried across the Atlantic ready to cover it the same way they had covered so many other wars However very little about this war was like any other Its scale brutality and duration forced journalists to write their own rules for reporting and keeping the American public informed *American Journalists in the Great War* tells the dramatic stories of the journalists who covered World War I for the American public Chris Dubbs draws on personal accounts from contemporary newspaper and magazine articles and books to convey

the experiences of the journalists of World War I from the western front to the Balkans to the Paris Peace Conference Their accounts reveal the challenges of finding the war news transmitting a story and getting it past the censors Over the course of the war reporters found that getting their scoop increasingly meant breaking the rules or redefining the very meaning of war news Dubbs shares the courageous harrowing and sometimes humorous stories of the American reporters who risked their lives in war zones to record their experiences and send the news to the people back home

On Wisconsin Women

Genevieve G. McBride,1993 On Wisconsin Women traces the role women played in reform movements both in Wisconsin state politics and in its press Women s news and opinions often appeared anonymously in abolitionist journals and other reform newspapers even before Wisconsin became a state in 1848 The first state newspaper published under a woman s name was boycotted and failed in 1853 But from the passage of the 14th amendment in 1866 to Wisconsin s ratification of the 19th amendment in 1919 women were never at a loss for words or a newspaper to print them Women s news won a new respectability under feminine bylines and led to the historic victory for women s suffrage McBride undertakes the task of considering feminist reform as a conceptual whole

Justices and Journalists Richard Davis,2011-02-14 Justices and Journalists examines whether justices are becoming more publicity conscious and why that might be happening The book discusses the motives of justices going public and details their recent increased number of television and print interviews and amount of press coverage of their speeches The book describes the interactions justices have with the journalists who cover them These interactions typically are not discussed publicly by justices or journalists The book explains why justices care about press and public relations how they employ external strategies to affect press portrayals of themselves and their institution and how and why journalists participate in that interaction Drawing on the papers of Supreme Court justices in the nineteenth and twentieth centuries the book examines these interactions over the history of the Court It includes a content analysis of print and broadcast media coverage of Supreme Court justices covering a 40 year period from 1968 to 2007

Opposition to War Mitchell K. Hall,2018-01-04 How have Americans sought peaceful rather than destructive solutions to domestic and world conflict This two volume set documents peace and antiwar movements in the United States from the colonial era to the present Although national leaders often claim to be fighting to achieve peace the real peace seekers struggle against enormous resistance to their message and have often faced persecution for their efforts Despite a well established pattern of being involved in wars the United States also has a long tradition of citizens who made extensive efforts to build and maintain peaceful societies and prevent the destructive human and material costs of war Unarmed activists have most consistently upheld American values at home Opposition to War An Encyclopedia of U S Peace and Antiwar Movements investigates this historical tradition of resistance to involvement in armed conflict an especially important and relevant topic today as the nation has been mired in numerous military conflicts throughout most of the current century The book examines a largely misunderstood and underappreciated minority of Americans who have

committed themselves to finding peaceful resolutions to domestic and international conflicts individuals who have proposed and conducted an array of practical and creative methods for peaceful change from the transformation of individual behavior to the development of international governing and legal systems for more than 250 years Readers will learn how individuals working alone or organized into societies of various size have steadfastly campaigned to stop war end the arms race eliminate the underlying causes of war and defend the civil liberties of Americans when wartime nationalism most threatens them

Wartime Work for Girls and Women Louise Moore, Marguerite Wykoff Zapoleon, 1944

Cronkite's War Walter Cronkite, IV, Maurice Isserman, 2013-05-07 A giant in American journalism in the vanguard of The Greatest Generation reveals his World War II experiences in this National Geographic book Walter Cronkite an obscure 23 year old United Press wire service reporter married Betsy Maxwell on March 30 1940 following a four year courtship She proved to be the love of his life and their marriage lasted happily until her death in 2005 But before Walter and Betsy Cronkite celebrated their second anniversary he became a credentialed war correspondent preparing to leave her behind to go overseas The couple spent months apart in the summer and fall of 1942 as Cronkite sailed on convoys to England and North Africa across the submarine infested waters of the North Atlantic After a brief December leave in New York City spent with his young wife Cronkite left again on assignment for England This time the two would not be reunited until the end of the war in Europe Cronkite would console himself during their absence by writing her long detailed letters sometimes five in a week describing his experiences as a war correspondent his observations of life in wartime Europe and his longing for her Betsy Cronkite carefully saved the letters copying many to circulate among family and friends More than a hundred of Cronkite's letters from 1943-45 plus a few earlier letters survive They reveal surprising and little known facts about this storied public figure in the vanguard of The Greatest Generation and a giant in American journalism and about his World War II experiences They chronicle both a great love story and a great war story as told by the reporter who would go on to become anchorman for the CBS Evening News with a reputation as the most trusted man in America Illustrated with heartwarming photos of Walter and Betsy Cronkite during the war from the family collection the book is edited by Cronkite's grandson CBS associate producer Walter Cronkite IV and esteemed historian Maurice Isserman the Publius Virgilius Rogers Professor of History at Hamilton College Now this historical portrait is new in paperback

The Big Tomorrow Lary May, 2002-12-15 In this daring reexamination of the connections between national politics and Hollywood movies Lary May offers a fresh interpretation of American culture from the New Deal through the Cold War one in which a populist egalitarian ethos found itself eventually supplanted by a far different view of the nation One of the best books ever written about the movies Tom Ryan *The Age* The most exhilarating work of revisionist film history since Pauline Kael's *Citizen Kane* May's take on what movies once were energizing as opposed to enervating and hence can become again is enough to get you believing in them again as one of the regenerative forces America so sorely needs Jay Carr Boston Globe A startling revisionist history of Hollywood's impact on

politics and American culture A convincing and important addition to American cultural criticism Publishers Weekly A controversial overview of 30 years of American film history must reading for any serious student of the subject Choice A provocative social history of Hollywood s influence in American life from the 1930s to the 1950s May argues persuasively that movies in the period offered a good deal of tough criticism of economic and social conditions in U S society May challenges us to engage in some serious rethinking about Hollywood s impact on American society in the middle of the twentieth century Robert Brent Toplin American Historical Review

Home Front Heroes Benjamin F. Shearer, 2006-11-30 Brings together 1 000 focused biographies of Americans who affected how the United States made supported perceived and protested its major wars from the Revolution to Gulf War II Inventors and scientists nurses and physicians reformers and clerics civil rights and labor leaders financiers and economist artists and musicians have all been soldiers on the home front Home Front Heroes brings together brief and focused biographies of 1 000 Americans who affected how the United States made supported perceived and protested its major war efforts from the Revolution to Gulf War II Battlefield victories and defeats are in a very real sense the reflection of the society waging war Inventors and scientists social reformers and clerics civil rights and labor leaders nurses and physicians actors and directors financiers and industrialists economists and psychologists artists and musicians writers and journalists have all been soldiers on the home front The biographical entries highlighting the subjects wartime contributions are arranged alphabetically Many of the entries also include suggestions for further reading Thematic indexes make it easy to look up people alphabetically by last name and by war and other indices list entries under broad categories Arts and Culture Business Industry and Labor Nursing and Medicine Science Engineering and Inventions with more detailed occupational background Entries include Julia Ward Howe composer of The Battle Hymn of the Republic Robert Fulton inventor of the steam engine and architect of the submarine Nautilus Martin Brander maker of Eliot s Saddle Ring Carbine Robert Parker Parrott inventor of the Parrott cannon Novelist and War Correspondent Stephen Crane Founder of the Army Nurse Corps Dr Anita Newcomb McGee Composer John Philip Sousa Stars and Stripes Forever Louis M Terman who invented the IQ test Reginald Fessenden developer of a sonic depth finder machine gun inventor Benjamin Hotchkiss Labor leader John L Lewis Comedian and USO stalwart Bob Hope Dr Ancel Keys developer of the K ration napalm inventor Louis F Fieser and many more The work is fully indexed and contains an extensive bibliography

Girl Reporter, Wartime New York Joan Younger, 1999-08

Twelve Feminist Lessons of War Cynthia Enloe, 2023-09-19 Drawing on firsthand experiences of war from women in places as diverse as Ukraine Myanmar Somalia Vietnam Rwanda Algeria Syria and Northern Ireland this book shows how women s wars are not men s wars and why that matters Cynthia Enloe reveals the fraught politics of masculinity in drafting soldiers the politics of femininity manipulated in caring for war s wounded and why we should all be paying attention to Ukrainian feminists in wartime Her razor sharp analysis highlights how women s rights activists against all odds remain committed in

the midst of armed violence This is the book we need to understand what is happening to our world Cover page 4

The Enigmatic Realm of **Girl Reporter Wartime New York**: Unleashing the Language is Inner Magic

Girl Reporter Wartime New York Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Girl Reporter Wartime New York free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Girl Reporter Wartime New York free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Girl Reporter Wartime New York free PDF files is

convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Girl Reporter Wartime New York. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Girl Reporter Wartime New York any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Girl Reporter Wartime New York Books

1. Where can I buy Girl Reporter Wartime New York books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Girl Reporter Wartime New York book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
