## **Give Us A King Samuel Saul And David:**

*Give Us a King!*, 1999 Everett Fox's translation of the biblical books from Genesis through Deuteronomy has been widely acclaimed as a scholarly religious and literary masterpiece Praising its unique and authoritative approach the New York Times Book Review said It makes it possible for us to take up the Scripture as if we had never seen it before In *Give Us a King* Fox turns to the two books of Samuel which contain some of the Bible's most famous stories and most unforgettable personalities the barren Hannah who will be mother to the prophet Samuel the tragic King Saul Bathsheba the object of King David's illicit desire and the future mother of King Solomon and King David himself the romantic hero who becomes a legendary but morally compromised monarch Accompanied by illuminating commentary and notes Fox's masterful translation re-creates the echoes allusions alliterations and wordplays of the Hebrew original so that the reader is finally able to experience in English the full power of the ancient saga of the original once and future king
