Glass Slippers:

Charlie Glass's Slippers Holly McQueen, 2014-08-05 When Charlie's father iconic shoe designer Elroy Glass dies after a long illness everyone expects that he'll leave his business to his glamorous wife and eldest daughters who have run the company for years But at the will reading it's announced that his fashion empire has been left to Charlie his youngest daughter who decides she needs to make a few changes in her life After several weeks at a California boot camp she's thinner blonder and ready to revitalize the Elroy Glass brand She'll soon discover that there's more to reinvention and running a fashion empire than meets the eye

Nuts About Squirrels Don H. Corrigan, 2019-03-14 Squirrels have made numerous appearances in mass media over the years from Beatrix Potter's Nutkin and Timmy Tiptoes to Rocky the flying squirrel of The Adventures of Rocky and Bullwinkle and to Conker and Squirrel Girl of video game fame This book examines how squirrel legends from centuries ago have found new life through contemporary popular culture with a focus on the various portrayals of these wily creatures in books newspapers television movies public relations advertising and video games

Cinderella, a Casebook Alan Dundes, 1988 Covering a period of more than one hundred years of work by renowned folklorists these enlightening essays explore the timeless tale of Cinderella In addition to the most famous versions of the story Basile's Pentamerone Perrault's Cendrillon and the Grimm's Aschenputtel this casebook includes articles on other versions of the tale from Russian English Chinese Greek and French folklore The volume concludes with several interpretive essays including a psychoanalytic view from Dundes and a critique of the popularization of Cinderella in America Folklorists scholars of children's literature and feminists should appreciate particularly the wide scope of this collection now in paperback with an updated Bibliographical Addendum Most helpful are the two page introductions to each variant and to each essay which include a brief overview of the historical times as well as suggested additional sources for more discussion Danny Rochman Folklore Forum A milestone a near complete source of primary and secondary materials The selected analytical writing includes definitive classic and new discoveries covering the whole range of methodological modes and theoretical perspectives from early forms and typology to myth ritual social historical anthropological and psychoanalytical readings The annotated bibliography is most helpful illuminating and comprehensive encompassing publications in other Western languages and works by Asianists Chieko Mulhern Asian Folklore Studies One can imagine several dimensions on which psychoanalysts might find such a collection interesting as examples of applied psychoanalysis in relation to philosophical and cultural examination of imaginative material in relation to child development and in the correlations between folktales of a particular culture and individual histories Kerry Kelly Novick Psychoanalytic Quarterly [The One Year Book of Did You Know Devotions for Kids](#) Nancy S. Fashion in the Fairy Tale Tradition Rebecca-Anne C. Do Rozario,2018-06-06 This book is a journey through the fairy tale wardrobe explaining how the mercurial nature of fashion has shaped and transformed the Western fairy tale tradition Many of fairy tale s most iconic images are items of dress the glass slippers the red capes the gowns shining like the sun and the red shoes The material cultures from which these items have been conjured reveal the histories of patronage political intrigue class privilege and sexual politics behind the most famous fairy tales The book not only reveals the sartorial truths behind Cinderella s lost slippers but reveals the networks of female power woven into fairy tale itself *The Fairytale as Art Form and Portrait of Man* Max Luthi,1987-02-22 Fairytales have amused and delighted generations of both children and adults They possess the unique quality of bringing together the human and otherworldly creating a special kind of magic In this major work by the distinguished Swiss folklorist Max L thi the traditional fairytale is examined from two points of view that of aesthetics and that of anthropology According to the author fairytales have been told time and again because they provide pleasure Therefore an aesthetics of the fairytale must be concerned with why these stories are still a source of pleasure L thi shows that fairytales are more than just pleasing form they present a particularly way of looking at the world and at human existence Thus they must be evaluated in terms of what they say about man and the human condition From publisher s description
