Patrick McCray,2017-03-02 The transformation of the Venetian glass industry during the Renaissance was not only a technical phenomenon but also a social one In this volume Patrick McCray examines the demand production and distribution of glass and glassmaking technology during this period and evaluates several key topics including the nature of Renaissance demand for certain luxury goods the interaction between industry and government in the Renaissance and technological change as a social process McCray places in its broader economic and cultural context a craft and industry that has been traditionally viewed primarily through the surviving artefacts held in museum collections McCray explores the

social and economic context of glassmaking in Venice from the guild and state level down to the workings of the individual glass house He tracks the dissemination of Venetian style glassmaking throughout Europe during the sixteenth and seventeenth centuries and its effects on Venice's glass industry Integrating evidence from a wide variety of sources written documents such as shop records and recipe books pictorial representations of glass and glassmaking and the careful physical and chemical analysis of glass pieces that have survived to the present he examines the relation between consumer demand and technological change In the process he traces the organizational changes that signified a transition from an older and more traditional manner of artisan manufacture to a modern factory style manner of production National Geographic Traveler - New York Michael Durham,2015 Fold out maps printed on inside front and back covers *New York City* Robert Kahn,2002 Novelists artists architects curators film makers historians and gourmets reveal their favourite discoveries in the ultimate insider's guide to New York City **The Secular Spirit** ,1975 *The Metropolitan Museum of Art Guide* Metropolitan Museum of Art (New York, N.Y.),Philippe De Montebello,1994 Updated to include new acquisitions attributions and reevaluations Copyright Libri GmbH All rights reserved Glass Collections in Museums in the United States and Canada Corning Museum of Glass,International Association for the History of Glass.
