Fire Craft Erin E. O'Connor, 2025-08-12 Glassblowing by hand might seem like a dying art yet it is thriving Studios and universities offer popular classes and glass art is widely exhibited and sold Amateur and professional glassblowers alike are captivated by the choreography of fire smoke and molten material Why are people drawn to this ancient craft What is distinctive about the social physical and intellectual experience of glassblowing How does the body learn an art In Fire Craft Erin E O Connor interweaves an immersive firsthand account of her experiences learning to blow glass with a sensuous ethnography of embodiment and community among glassblowers Through compelling stories such as her struggle to produce an elegant goblet she shows how a novice becomes hooked by and committed to a craft Reflecting on embodied knowledge O Connor considers how we negotiate mistakes and failures how we strive to develop proficiency in the face of shortcomings

and how through making objects we make meaning She also explores the history of glassblowing and how various social environmental and knowledge frameworks shape the valorization of craft From the furnaces of empire to the hot bodies of collaboration and love O Connor reveals the interconnectedness of the body with the elemental world A gripping tale of the social world and experience of glassblowing Fire Craft passionately defends practical labor as intellectual work that changes self and society A History of Glassforming Keith Cummings,2002 Illustrated throughout with beautiful photographs and drawings A History of Glassforming is a singular and important book for historians connoisseurs and students of glass
