Systematic Theology, Second Edition Wayne A. Grudem,2020-12-08 This new edition of

Systematic Theology by Wayne Grudem is one of the most important resources for helping you understand Scripture and grow as a Christian. The most widely used resource of the last 25 years in its area, Systematic Theology has been thoroughly revised and expanded for the first time while retaining the features that have made it the standard in its field: clear explanations, an emphasis on each doctrine's scriptural basis and practical applications to daily life. With nearly 250 pages of new content and revisions, this new edition now includes the following distinctive features:

- Updated analysis of recent controversies within evangelical theology, including the eternal relationship between the Father and the Son in the Trinity, the role of women in the church, miraculous gifts of the Holy Spirit, and contemporary worship music.
- New discussion and critiques of recent theological controversies situated outside of traditional evangelical theology, such as open theism, the new perspective on Paul, Molinism, or middle knowledge.
- Free Grace theology and the preterist view of Christ's second coming.
- Completely revised chapter on the clarity of Scripture.
- Completely revised chapter on creation and evolution, including a longer critique of theistic evolution and an extensive discussion on the age of the earth.
- New discussion of how biblical inerrancy applies to some specific problem verses in the Gospels.
- Additional material explaining evangelical Protestant differences with Roman Catholicism, Protestant liberalism, and Mormonism.
- Completely updated bibliographies.
- All Scripture quotations updated from RSV to ESV.
- Updated section on contemporary worship music.
- Numerous other updates and corrections.

Part of the brilliance of Systematic Theology has been its simplicity and ease of use. Each chapter follows the same structure: discussion of the doctrine being considered, an explanation of that doctrine's biblical support, and possible objections, followed by personal application and key terms to know for personal growth. Chapters also include a Scripture memory passage, references to other literature on the topic, and suggested hymns and worship songs. If you think theology is hard to understand or boring, then this new edition of Systematic Theology will change your mind.

[The Gospel According to Jesus](#) John F. MacArthur, 2009-05-26

What is authentic faith? The Gospel According to Jesus challenges Christians to re-evaluate their commitment to Christ by examining their fruits. MacArthur asks, "What does it really mean to be saved?" He urges readers to understand that their conversion was more than a mere point in time; that by definition, it includes a lifetime of obedience. John MacArthur tackles the error of easy believism by addressing these questions: Is it possible to accept Jesus as Savior while refusing him as Lord? Can someone truly believe without actually repenting? How do obedience, commitment to Christ, and turning from sin fit together with the truth that we are saved by grace through faith alone? The Gospel According to Jesus is just as powerful today as it was more than two decades ago. It is a Scripture-based clarion call for a rejection of the watered-down message that has gained popularity in the church and a return to the gospel Jesus preached. This 20th anniversary edition adds a powerful new chapter to the complete text of the original classic, reinforcing the book's timeless message that Jesus demands to be both Savior and Lord to all who believe. This book is compulsory reading for Christians from all walks of life and will help guide you into a deeper relationship with Jesus Christ.

Getting the Gospel Right - A

Balanced View of Salvation Truth Carl Gordon Olson, 2005-11 A revised and abridged edition of *Beyond Calvinism and Arminianism An Inductive Mediate Theology of Salvation* in which theologian missiologist Olson gives the fruit of a 25 year theological pilgrimage His inductive focus on Scripture results in a middle view of salvation truth thus resolving polarized extremes This edition is much more readable and accessible for most Christians The exegetical methodology emphasizes context word studies and grammar of all relevant passages with extensive support for eternal security and refutation of deterministic concepts of salvation In the foreword Dr Tim LaHaye refers to the incredible distribution of the academic edition which sold out in 3 years A revised academic edition is forthcoming in 2006 **Sin and Atonement** Wayne A.
