## Glenn Gould Selected Letters:

**Glenn Gould** ,1986      *Glenn Gould* Glenn Gould,1983      Glenn Gould Peter F. Ostwald,1998 In this acclaimed biography the late Peter Ostwald himself an accomplished violinist and longtime personal friend of Gould's raises many questions about Gould and his music and lays bare the energy and contradiction behind his brilliance Photos NPR feature

Gould and variations Ghyslaine Guertin, The work of Glenn Gould employs a range of expressive techniques that combine sounds words and images without ever compromising the unity and logic of the aesthetic vision they reflect Nevertheless it is his interpretive brilliance as a pianist that continues to inspire emotion and awe The genius of Glenn Gould lies in the sounds he created With Gould music becomes a language a language of such rigour coherence and clarity that all who hear it are able to discern its principal components Each sound is articulated and perceived distinctly as part of a melodic and harmonic sequence that imbues it with meaning The structure of each musical phrase is integrated into the work as a whole according to a rhythm and a tempo that continually reinforce the central discourse Gould compared his approach to that of a composer analyzing and dissecting his own work As an interpreter he did not hesitate to define himself as a recording artist dedicated to the reconstruction of that same work The CD on which it is presented to the listener is thus the result of a lengthy process take after take of the same phrases the same ornaments marginally different each time until the point when the whole piece precisely mirrored the idea already formulated in his mind This endless editing and splicing of the audio tape can be likened to the craft of the filmmaker As well as broadening the possibilities of his art through the application of new technologies Gould helped revolutionize the relations between composer work and listener requiring that the latter be not only receptive but also creative He always conceived of a listener with access to the most sophisticated equipment whom he could lead straight to the essence discovery of the work of his own quest for beauty and ecstasy S Bach and his contrapuntal composition were his main source of inspiration I really can't think of any other music which is so all encompassing which moves me so deeply and so consistently and which to use a rather imprecise word is valuable beyond all of its skill and brilliance for something more meaningful than that its humanity Gould's career was framed by one of Bach's most fascinating compositions the Goldberg Variations The work is concerned with balance symmetry harmonic coherence and according to baroque principles diversity and contrast Transcending his mathematical rigour the composer operates highly imaginatively using a variety of genres writing techniques and expressive means Bach succeeds in transforming his basic musical material an aria without altering the general structure of the work Owing to its harmonic form the aria enables the listener to perceive the wide diversity of the sound landscape that is revealed as the work unfolds The interpreter can play with complete freedom in the garden created by the composer It is in short music which observes neither end nor beginning music with neither real climax nor real resolution      Ordinary Paradise Richard Teleky,2018-04-09 While representing the best of human endeavor works of art have become ordinary features of our lives familiar and reliably present writes Richard Teleky

They are however extraordinary So extraordinary in fact that in themselves they are a kind of paradise In Ordinary Paradise acclaimed author critic and editor Richard Teleky considers a variety of artistic forms from novels and poems to paintings and sculptures to movies and musical compositions in celebration of the creative achievements that surround us and affect our daily lives He examines as well some of the challenges and tensions in any artist s life The essays in Ordinary Paradise challenge conventional wisdom and exemplify a dynamic and lively critical approach pointing out troubling trends in contemporary appreciation of art and culture They reveal the rewarding complexities of the demanding art of translation the nostalgic power of re reading in provoking self assessment and the fraught connection between language silence and identity as they relate to marginalized voices Teleky immerses himself into ideas of truth beauty and humanity and in so doing provides a compelling exemplar for engaging with contemporary culture and learning the innumerable lessons that artistic accomplishments have to teach us

**Speechsong** Richard Cavell,2020 Speechsong is a work of imaginative musicology that addresses the enigmas of Schoenberg and Gould of singing and speaking of Moses und Aron of technology and being Its point of departure is Gould s last public performance given at the Wilshire Ebell Theatre in Los Angeles where a number of Schoenberg s works were performed during his California exile It is here after that last performance that Gould encounters a spectral Schoenberg in a staged conversation that explores Schoenberg s travails in rethinking the fundamentals of Western music This first part of Speechsong recalls Schoenberg s operatic masterpiece Moses und Aron in which the divinely inspired Moses seeks the help of his brother to relate his vision Moses speaks and Aron sings Written as a twelve tone composition the opera produces an involution of harmonics that was Schoenberg s response to Richard Wagner s diatribes about synagogue noise For Gould Schoenberg s is a formalist revolution Schoenberg s life however suggests that it was a search for personal and political freedom The second half of Speechsong is a critical essay in twelve moments that re articulates the staged conversation as an inquiry into the intersections of music and mediation Gould s turn to the recording studio emerges as a post humanist inquiry into recorded music as a repudiation of the virtuoso tradition and a liberation from unitary notions of selfhood Schoenberg s exodus from musical tradition likewise takes his twelve tone invention beyond musical performance where it emerges along with Gould s soundscapes as a prototype of acoustic installations by artists such as Stephen Prina and Cory Arcangel In these works music abandons the concert hall and the exigencies of harmony for an acoustic space that embraces at once the recordings of Gould and the performances of Schoenberg that have found their home on the internet Richard Cavell has written extensively on Marshall McLuhan and on media theory generally He is the co founder of the Media Studies program at the University of British Columbia and the curator of the website Spectres of McLuhan

Speechsong his second critical performance piece was preceded by Marinetti Dines with the High Command 2014

**The Art of Teaching Music** Estelle R. Jorgensen,2024-06-06 The Art of Teaching Music takes up important aspects of the art of music teaching ranging from organization to serving as conductor to dealing with the disconnect between the ideal of

university teaching and the reality in the classroom Writing for both established teachers and instructors on the rise Estelle R Jorgensen opens a conversation about the life and work of the music teacher The author regards music teaching as interrelated with the rest of lived life and her themes encompass pedagogical skills as well as matters of character disposition value personality and musicality She reflects on musicianship and practical aspects of teaching while drawing on a broad base of theory research and personal experience Although grounded in the practical realities of music teaching Jorgensen urges music teachers to think and act artfully imaginatively hopefully and courageously toward creating a better world

**Guide to the Pianist's Repertoire, third edition** Maurice Hinson, 2001-05-22 The Hinson has been indispensable for performers teachers and students Now updated and expanded it's better than ever with 120 more composers expertly guiding pianists to solo literature and answering the vital questions What's available How difficult is it What are its special features How does one reach the publisher The new Hinson includes solo compositions of nearly 2 000 composers with biographical sketches of major composers Every entry offers description publisher number of pages performance time style and characteristics and level of difficulty Extensively revised this new edition is destined to become a trusted guide for years to come

*Avant Rock* Bill Martin, 2015-12-14 In *Avant Rock* music writer Bill Martin explores how avant garde rock emerged from the social and political upheaval of the sixties He covers the music from its early stages revealing its influences outside of rock from musicians such as John Cage and Cecil Taylor to those more closely related to rock like James Brown and Parliament Funkadelic Martin follows the development of avant rock through the sixties when it was accepted into the mainstream with bands like the later Beatles The Who Jimi Hendrix The Velvet Underground King Crimson and Brian Eno His narration takes us into the present with an analysis of contemporary artists who continue to innovate and push the boundaries of rock such as Stereolab Mouse on Mars Sonic Youth and Jim O'Rourke Martin critiques the work of all important avant rock bands and individual artists from the well known to the more obscure and provides an annotated discography

*Hummocks* Jean Malaurie, 2007-05-01 At the margins of the floes where their ragged edges have come into grinding contact the ice is piled up into ridges These are the hummocks writes Jean Malaurie

**Matter of North** Brent Wetters, Anthony Cushing, 2025-07-01 Documents and illuminates Glenn Gould's groundbreaking radio composition *The Idea of North* *Matter of North* collects essays and source material related to Glenn Gould's landmark 1967 radio documentary *The Idea of North* The most famous product other than his studio piano recordings of Gould's 1964 decision to abandon the concert stage for the recording studio it combines Gould's interests in the contrapuntal by the simultaneous layering of speaking voices with philosophy and a life long fascination with the Canadian Arctic Because the documentary is a multivalent work the contributors approach the documentary from unique perspectives sociological philosophical music theoretical ethnomusicological each illuminating a salient aspect of the work The source material section includes for the first time the complete interview responses by Gould's five participants along with other important documentation

*Dreams of Love* Ivan Raykoff, 2014 *Dreams of Love* pursues a wide ranging interdisciplinary approach to understanding the concert pianist as a Romantic and seductive even erotic figure in the popular imagination focusing on the role of technology in perpetuating this mythology over the past two centuries through the touch sights and sounds of the pianist s playing

**Partita for Glenn Gould** Georges Leroux, 2010-10-21 A privileged look into the life of a solitary artist with an extraordinary gift for communicating art to everyone

**The Battle of Chronos and Orpheus** Jean-Jacques Nattiez, 2004 In this collection of previously unpublished essays Jean Jacques Nattiez applies his theoretical foundations of musical semiotics to theorists such as L vi Strauss Hanslick and Brailoiu novelists such as Proust and poets such as Baudelaire The author treats problems which musicologists and music lovers alike need to address the artistic product in music of oral tradition the nature of musical facts and questions of fidelity and authenticity in performance practice Nattiez tackles these perennial issues with an originality born out of his focus on the status of time in the works considered This approach allows him to take sides sometimes in a provocative manner in the ongoing debates which pit adherents of modernity against apologists of postmodernism

Musical Prodigies Gary McPherson, 2016 This books breaks new ground in presenting the first scientific exploration on the topic of musical prodigies It brings together research from a range of disciplines including psychology neurobiology and genetics to provide a thorough exploration of prodigious talent

**Reinventing Bach** Paul Elie, 2013-04-04 Johann Sebastian Bach celebrated pipe organist court composer and master of sacred music was also a technical pioneer Working in Germany in the early eighteenth century he invented new instruments and carried out experiments in tuning the effects of which are still with us today Two hundred years later a number of extraordinary musicians have utilised the music of Bach to thrilling effect through the art of recording furthering their own virtuosity and reinventing the composer for our time In *Reinventing Bach* Paul Elie brilliantly blends the stories of modern musicians with a polyphonic account of our most celebrated composer s life to create a spellbinding narrative of the changing place of music in our lives We see the sainted organist Albert Schweitzer playing to a mobile recording unit set up at London s Church of All Hallows in order to spread Bach s organ works to the world beyond the churches and Pablo Casals s Abbey Road recordings of Bach s cello suites transform the middle class sitting room into a hotbed of existentialism we watch Leopold Stokowski persuade Walt Disney to feature his own grand orchestrations of Bach in the animated classical music movie *Fantasia* which made Bach the sound of children s playtime and Hollywood grandeur alike and we witness how Glenn Gould s *Goldberg Variations* made Bach the byword for postwar cool Through the Beatles and *Switched on Bach* and G del Escher Bach through film rock music the Walkman the CD and up to Yo Yo Ma and the iPod Elie shows us how dozens of gifted musicians searched experimented and collaborated with one another in the service of a composer who emerged as the prototype of the spiritualised technically savvy artist

*Wondrous Strange* Kevin Bazzana, 2010-02-05 The first major biography of Glenn Gould to stress the critical influence of the Canadian context on his life and art Glenn Gould was not as has previously been

suggested an isolated and self taught eccentric who burst out of nowhere onto the international musical scene in the mid 1950s He was says Kevin Bazzana in this fascinating new full scale biography very much a product of his time and place and his entire life and diverse work reflect his Canadian heritage Bazzana editor of the international Glenn Gould magazine throws fresh light on this and many other aspects of Gould s celebrated life as a pianist writer broadcaster and composer He portrays Gould s upbringing in Toronto s neighbourhood of The Beach in the 1930s revealing the area s influence as a distinct social religious and cultural milieu He looks at the impact of Canadian radio on the young musician his relations with the new music crowd in Toronto and the ways in which his career was furthered by the extraordinary growth of Canada s cultural institutions in the 1950s He examines Gould s place within the CBC culture of the 1960s and 70s and his distinctly Canadian sense of humour Bazanna also reveals new information on Gould s famous eccentricities his sometimes bizarre stage manner his highly selective repertoire his control mania his private and sexual life his hypochondria his romanticism and his abrupt retirement from concert performance to communicate solely through electronic and print media And finally he takes a detailed look at the extraordinary phenomenon of the posthumous life that Gould and his work have enjoyed

**Setting the Record Straight** Colin Symes,2004-11-29 The words surrounding music influence how we listen to it A Romance on Three Legs Katie Hafner,2009-10-06 National Bestseller A fascinating story with a wealth of neatly drawn characters and dripping with vivid details that is sometimes touching sometimes whimsical always interesting Kevin Bazzana Glenn Gould was famous for his obsessions the scarves sweaters and fingerless gloves that he wore even on the hottest summer day his deep fear of germs and illness the odd wooden pygmy chair that he carried with him around the world wherever he performed and his sudden withdrawal from the public stage at the peak of his career But perhaps Gould s greatest obsession of all was for a particular piano a Steinway concert grand known as CD 318 C to signify its special status as having been put aside for the use of Steinway Concert Artists and D denoting it as the largest that Steinway built A Romance on Three Legs is the story of Gould s love for this piano from the first moment of discovery in a Toronto department store to the tragic moment when the piano was dropped and seriously damaged while being transported In presenting the story of CD 318 Hafner also introduces us to the world and art of piano tuning including a central character in Gould s life the nearly blind tuner Verne Edquist who lovingly attended to CD 318 for more than two decades We learn how a concert grand is built and the fascinating story of how Steinway Sons weathered the war years by supplying materials for the military effort A Romance on Three Legs is a treat for readers new to and familiar with the life of this eccentric and captivating man

*The Saints of Modern Art* Charles A. Riley,1998 Asceticism seen as a powerful force in the art and thought of our time

## Unveiling the Energy of Verbal Beauty: An Emotional Sojourn through **Glenn Gould Selected Letters**

In some sort of inundated with screens and the cacophony of fast conversation, the profound energy and mental resonance of verbal beauty frequently fade into obscurity, eclipsed by the continuous assault of sound and distractions. Yet, nestled within the lyrical pages of **Glenn Gould Selected Letters**, a charming perform of literary brilliance that pulses with natural feelings, lies an memorable trip waiting to be embarked upon. Written with a virtuoso wordsmith, this magical opus instructions readers on an emotional odyssey, lightly exposing the latent possible and profound affect stuck within the elaborate web of language. Within the heart-wrenching expanse of this evocative examination, we shall embark upon an introspective exploration of the book is main themes, dissect their interesting writing fashion, and immerse ourselves in the indelible impression it leaves upon the depths of readers souls.
