Glimmer Train Stories, 1998 The Glimmer Train Guide to Writing Fiction Susan Burmeister-Brown, Linda B. Swanson-Davies, 2006-11-24 Top Notch Writing Advice from Today's Premiere Writers **The Alumni Grill** Suzanne Kingsbury, William Gay, Tom Franklin, Beth Ann Fennelly, 2004 A short story collection highlighting the Blue Moon Caf series veterans Edited by Tom Franklin the acclaimed author of *Hell at the Breach* and the endlessly talented poet Beth Ann Fennelly As each Blue Moon volume includes new voices the idea of losing such enormous amounts of talent and stories going untold was too much to bear Alumni Grill keeps a slew of southern talent from slipping out the Caf's back door and in front of fans Glimmer Train Stories Christopher Woods, 1992 **The Creative Writer's Survival Guide** John McNally, 2010-04-15 I write this blurb in distress because for years I've been stealing John McNally's sharp insights into writing and publishing and passing them off as my own Now this generous so and so is sharing his vast experience as a writer and editor with everyone Worse yet this book despite its instructional value is irresistibly unputdownably readable Timothy Schaffert author *Devils in the Sugar Shop* *A Working Man's Apocrypha* William Luvaas, 2007 Cutting edge fiction that breathes life into unlikely characters **Flannery O'Connor Review**, 2005 *Textual Deceptions* Sue Vice, 2014-10-08 No detailed description available for *Textual Deceptions* **There's a Road to Everywhere Except Where You Came From** Bryan Charles, 2018-11-20 A sneakily disturbing disarmingly profound casually devastating memoir of a young writer in NYC and the fateful turn his life takes on Sept 11 2001 Michael Chabon In 1998 twenty four year old Bryan Charles came to New York following the well trodden path of many before him pursuing the life of a writer in the storied city far from his Midwestern roots And like so many of his predecessors his journey took him into squalid apartments and mind numbing temp jobs fleeting romances and dwindling finances self doubt and homesickness He chronicles these experiences with equal parts witty observation and unguarded honesty reflecting on the life of a solitary soul in a teeming metropolis struggling to make a living and struggling harder to make it as a writer His life takes a turn for the better when he lands in a lucrative job that pays the bills builds his bank account and buys him a chance to chase his dream all from the seventieth floor of the World Trade Center But the next turn his life takes and which takes the lives of thousands of others is a destiny altering nightmare and a call to action that can't be ignored A gripping account told in the muted style of a writer with true authority Publishers Weekly This is the book I can't forget insightful transcendent it knocked me on my ass Library Journal starred review A sneakily disturbing disarmingly profound casually devastating memoir taut and adept that cracked me up even at its saddest moments and broke my heart almost without my quite noticing Michael Chabon **Women of Florida Fiction** Tammy Powley, April Van Camp, 2014-12-12 Florida as symbol and myth is the subject of this collection of new critical essays exploring fiction written by female Floridian authors In the words of author Karen Russell the Sunshine State is virtually past less seasons are out of the question and it's built on a primordial park full of monsters Discussing the

state as setting the essayists also Floridians suggest that it is a creation of the stories told about it Each of the book's 12 chapters covers one author including a brief biography followed by one and twice two essays on some of the author's works The book's final section includes interviews with authors Lynne Barrett Jeannine Capo Cruz Vicki Hendricks and Angela Hunt

Slow Violence and the Environmentalism of the Poor Rob Nixon, 2011-06-14 Groundbreaking in its call to reconsider our approach to the slow rhythm of time in the very concrete realms of environmental health and social justice *Wold Literature Today* The violence wrought by climate change toxic drift deforestation oil spills and the environmental aftermath of war takes place gradually and often invisibly Using the innovative concept of slow violence to describe these threats Rob Nixon focuses on the inattention we have paid to the attritional lethality of many environmental crises in contrast with the sensational spectacle driven messaging that impels public activism today Slow violence because it is so readily ignored by a hard charging capitalism exacerbates the vulnerability of ecosystems and of people who are poor disempowered and often involuntarily displaced while fueling social conflicts that arise from desperation as life sustaining conditions erode In a book of extraordinary scope Nixon examines a cluster of writer activists affiliated with the environmentalism of the poor in the global South By approaching environmental justice literature from this transnational perspective he exposes the limitations of the national and local frames that dominate environmental writing And by skillfully illuminating the strategies these writer activists deploy to give dramatic visibility to environmental emergencies Nixon invites his readers to engage with some of the most pressing challenges of our time

Junot Díaz José David Saldívar, 2022-08-29 In *Junot Díaz On the Half Life of Love* Jos David Saldívar offers a critical examination of one of the leading American writers of his generation He explores Díaz's imaginative work and the diasporic and immigrant world he inhabits showing how his influences converged in his fiction and how his writing especially his Pulitzer Prize winning novel

The Brief Wondrous Life of Oscar Wao radically changed the course of US Latinx literature and created a new way of viewing the decolonial world Saldarvar examines several aspects of Diaz's career from his vexed relationship to the literary aesthetics of Whiteness that dominated his MFA experience and his critiques of the colonialities of power race and gender in culture and societies of the Dominican Republic United States and the Americas to his use of the science fiction imaginary to explore the capitalist zombification of our planet Throughout Saldarvar shows how Diaz's works exemplify the literary currents of the early twenty first century
