Glimpses of God Cookie Magee, DMin,2023-04-24 Glimpses of God are opportunities to recognize with greater clarity the presence of God in the various places people events circumstances objects and languages of our daily life I offer them to you as an opportunity to reflect on how much God is a part of your life and how He has chosen to be in relationship with you how you have chosen to be in relationship with Him and how through this relationship you become one of His greatest Glimpses They are glimpses because we can miss them if we are not paying attention If we open our heart to His love our ears to hear his gentle whisper our eyes to see His light our hands to feel His hand in ours and our feet to walk with Him then we are growing in our relationship with our God and exuding His presence in a clear and vibrant way I believe that it is in and through this relationship that we are able to recognize His invitation to be a Glimpse to others on our life I believe it is then that we see more clearly His presence within ourselves As we recognize His presence within ourselves and strive to see it more readily in others then we grow not only in love with our God self and others we are filled with a deeper peace a greater joy and a sense of being beloved If we are open to sharing these gifts with others then we too are being a Glimpse of God to those in our family our neighborhood our community our society our church our friends those we encounter on a daily basis and even the stranger
