Crossing Borders Mimi Sheller, Kevin Hannam, 2018-10-18 *Crossing Borders* examines how translocal transnational and internal borders of various kinds distribute uneven capabilities for moving dwelling and circulating The contributors offer nuanced understandings of the politics of mobility across various kinds of borders and forms of cultural circulation showing how people experience and practice crossing many different borders Several chapters draw on interviews and ethnographic methods to analyze transnational

migration while others focus on material relations and cultural practices Rather than the usual narrative of mobility as a kind of freedom border crossing emerges here as an instrumental practice for building translocal livelihoods a tactic for simply getting by and a material practice potentially generating new forms of future sociality Ultimately these diverse perspectives on crossing borders offer new ways to think about the mobility of political relations and the politics of mobile relations in a world of growing circulation across borders but also flexible forms of re bordering This book was originally published as a special issue of *Mobilities* Kyrgyzstan Rowan Stewart,Susie Weldon,2002 This unique and stunningly illustrated book the first English language guide exclusively dedicated to Kyrgyzstan provides up to date practical information on the full range of travel possibilities to all parts of the country along with a clear overvie **Speaking Soviet with an Accent** Ali F. Igmen,2012-07-31 *Speaking Soviet with an Accent* presents the first English language study of Soviet culture clubs in Kyrgyzstan These clubs profoundly influenced the future of Kyrgyz cultural identity and fostered the work of many artists such as famed novelist Chingiz Aitmatov Based on extensive oral history and archival research Ali Igmen follows the rise of culture clubs beginning in the 1920s when they were established to inculcate Soviet ideology and create a sedentary lifestyle among the historically nomadic Kyrgyz people These Red clubs are fondly remembered by locals as one of the few places where lively activities and socialization with other members of their ail village or tribal unit could be found Through lectures readings books plays concerts operas visual arts and cultural Olympiads locals were exposed to Soviet notions of modernization But these programs also encouraged the creation of a newfound Kyrgyzness that preserved aspects of local traditions and celebrated the achievements of Kyrgyz citizens in the building of a new state These ideals proved appealing to many Kyrgyz who for centuries had seen riches and power in the hands of a few tribal chieftains and Russian imperialists This book offers new insights into the formation of modern cultural identity in Central Asia Here like their imperial predecessors the Soviets sought to extend their physical borders and political influence But Igmen also reveals the remarkable agency of the Kyrgyz people who employed available resources to meld their own heritage with Soviet and Russian ideologies and form artistic expressions that continue to influence Kyrgyzstan today Central Asia Bradley Mayhew,Simon Richmond,Richard Plunkett,2000 In 1955 four intrepid Brits set out on a bit of an adventure They planned to drive to London from Kenya in an eight horse power Morris Traveller via the Sahara desert that turned their joyride into a nightmare when their jaunt across the sands ended in a desperate fight for survival This tells their story *The Journey of Man* Spencer Wells,2017-03-28 Around 60 000 years ago a man genetically identical to us lived in Africa Every person alive today is descended from him How did this real life Adam wind up as the father of us all What happened to the descendants of other men who lived at the same time And why if modern humans share a single prehistoric ancestor do we come in so many sizes shapes and races Examining the hidden secrets of human evolution in our genetic code the author reveals how developments in the revolutionary science of population genetics have made it possible to create a family tree for the whole

of humanity Replete with marvelous anecdotes and remarkable information from the truth about the real Adam and Eve to the way differing racial types emerged this book is an enthralling epic tour through the history and development of early humankind Lonely Planet's Best in Travel 2019 Lonely Planet,2018-10-01 This annual bestseller ranks the hottest must visit countries regions cities and best value destinations for 2019 Drawing on the knowledge and passion of Lonely Planet s staff authors and online community we present a year s worth of inspiration to take you out of the ordinary and into the unforgettable As self confessed travel geeks our staff collectively rack up hundreds of thousands of miles each year exploring almost every destination on the planet And every year we ask ourselves where are the best places in the world to visit right now It s a very hotly contested topic at Lonely Planet and generates more discussion than any other Best in Travel is our definitive answer Inside Best in Travel 2019 you ll discover the Top ten countries regions cities and best value destinations Best new attractions for families Best new openings and experiences Best new places to stay Top travel trends About Lonely Planet Lonely Planet is a leading travel media company and the world s number one travel guidebook brand providing both inspiring and trustworthy information for every kind of traveller since 1973 Over the past four decades we ve printed over 145 million guidebooks and grown a dedicated passionate global community of travellers You ll also find our content online on mobile video and in 14 languages 12 international magazines armchair and lifestyle books ebooks and more Important Notice The digital edition of this book may not contain all of the images found in the physical edition **Contemporary**

Translocality, Entrepreneurship and Middle Class Across Eurasia Philipp Schröder,2024-04-24 Translocality Entrepreneurship and Middle Class Across Eurasia is a comprehensive multi sited ethnography about the unfolding of capitalism across Eurasia and the advent of a new middle class since the late Soviet era Based on extensive fieldwork the book follows three generations of ethnic Kyrgyz in three distinct eras and sites The early bazaar traders of Novosibirsk

Russia the post 2000 middlemen operating in Guangzhou China and the new entrepreneurs who have emerged at home in Kyrgyzstan around 2015 The book advocates translocality as an innovative concept to better understand the dialectic of mobility and emplacement in contemporary livelihoods and value chains that transgress not only political borders but also less tangible socio cultural boundaries Through this lens the chapters forcefully demonstrate how ways of business making align or conflict with notions of ethnic belonging diaspora sociability or gender in and in between various locations Proposing the imaginary of commercial journeys the book documents the aspirations adjustments and struggles of an emergent middle class whose neoliberal subjectivity is inspired by a flexible entrepreneurial spirit of Kyrgyzzness and who navigate in a market environment that recently has been shifting towards more actor diversification service orientation and rule based formalization This book will be of interest particularly to scholars in the fields of economic anthropology post socialist studies migration mobility and area studies with a focus on Central Asia and Eurasia
