## Image of Migrants and Refugees in Sweden in 2015 and the Following Years as Emerging from the Opinions of Political Elites and the Media Discourse

Obraz migrantów i uchodźców w Szwecji w 2015 roku (i w latach następnych) w opiniach elit politycznych i w dyskursie medialnym

### • Abstract •

The basis for the current analysis and the case-study method applied herein is provided by press reports, scholarly articles and books, both in the paper and online forms, containing the positions and statements by politicians from Sweden and elsewhere, the media community, public service officials, as well as average residents of Sweden who had encountered problems that resulted from the 2015 refugee crisis and the uncontrolled influx of migrants and refugees, especially those hailing from the Islamic world. Some of the research questions posed by the author are which Swedish political forces and circles supported this influx and which were against it, and how this was reflected in the political and media discourse. Other research questions concern the attitudes towards refugees and migrants presented by the country's native residents and by persons of other origins who have lived there for a long time, as well as the factors influencing the media portrayal and the existing evaluation of events, in relation to the escalation of violence that occurred in some Swedish cities in the years 2016 and 2017. Podstawą niniejszej analizy i zastosowanej metody studium przypadku (*case study*) są przekazy prasowe, artykuły naukowe i książki (zarówno w wersji papierowej, jak i stanowiące materiały z Internetu), zawierające m.in. stanowiska i oficjalne wypowiedzi przedstawicieli elit politycznych Królestwa Szwecji (i nie tylko), ludzi mediów, funkcjonariuszy służb publicznych czy przeciętnych mieszkańców kraju, którzy zetknęli się ze skutkami kryzysu uchodźczego 2015 roku i niekontrolowanego napływu migrantów (zwłaszcza ze świata islamu). Zasadnicze pytania badawcze dotyczą tego, jakie szwedzkie siły polityczne i środowiska wsparły napływ migrantów, a które były mu przeciwne, i jakie znalazło to odbicie w politycznym i medialnym dyskursie. Inne pytanie badawcze dotyczy stosunku do uchodźców i migrantów rdzennych mieszkańców kraju, jak i tych, którzy mieszkają tam od dawna. Kolejne zagadnienie, które porusza autor, to czynniki mające wpływ na obraz medialny i zaistniałą ocenę wydarzeń w związku z eskalacją przemocy w latach 2016–2017 w niektórych miastach Szwecji. Ta

Cartwright,1978-12-15 In an age when men have come to believe that their destinies can be determined by human actions rather than by fate the question looms large of what a leader can do to fulfill the aspirations of those looking for guidance Since the political arena is one involving the use of power the position of the political leader in particular has become the focus for men s hopes and fears This book is a case study of the effect that different forms of political leadership can have upon the shaping of a single state It focuses upon two successive Prime Ministers of the Small West African state of Sierra Leone Sir Milton Margai and his younger brother Sir Albert Margai By examining their dealings with local political units their handling of ethnic and regional conflicts their attitude of change and their relations with major economic forces the author assesses why both leaders had such different measures of success with their divergent political policies The major findings of this study are that the method that a leader chooses to accomplish his goals can be important to their realisation as the choice of goals themselves and that a leader may find himself committed to a particular course through simply pursuing a line of least resistance      **Emerging Pattern of Political Leadership** Ashok Kumar Gupta,1991-01-01      **Politics in War** Allan E. Goodman,1973 Internal war does not create politics or processes of government This is likely to be the most tragic aspect of the war in Vietnam When the guns are silent the political analyst will find essentially the same political forces and governmental institutions intact as when the conflict began Politics in War deals mainly with the years 1967 1970 but bears on the problems South Vietnam faces now that American forces are no longer active The book provides an understanding of Vietnamese politics the forces underlying it and the bases upon which political community and a future political settlement might be achieved Mr Goodman has based his analysis on first hand research He conducted over 300 interviews with Vietnamese political leaders and government officials His field work in South Vietnam encompassed three years and he presents materials from such sources as South Vietnam s National Assembly its Ministry of Interior and the U S Department of State s Vietnam Working Group Politics in War presents the untold story of how the Vietnamese saw the period of deepest
