Ball, 1982-02 The pathbreaking classic on law enforcement on the frontier of the American West **The Estrada Plot** Bill Mills, 2020-04-01 By 1926 the Mexican government of Plutarco Elías Calles had sparked widespread discontent with its radical social policies Plots to overthrow the administration ran rampant One of the strangest conspiracies arose within a clique of exiled Mexican military officers in Hollywood Bill Mills takes readers inside the forgotten story of General Enrique Estrada and his Southern California army Secretly gathering recruits from city barrios and Imperial Valley farms Estrada and his staff of ex generals not only built an invasion force but stockpiled an arsenal of small arms to supply it Attempts to acquire armored vehicles and airplanes had moved forward when law enforcement got wind of the clandestine military activity The Federal Bureau of Investigation newly reorganized under J Edgar Hoover assigned a four man team to unravel the plot Racing against time the agents pitted old school legwork against Estrada's determination and as the day of the invasion arrived confronted the general's caravan fewer than ten miles from the Mexican

border Packed with intrigue The Estrada Plot is the unlikely true crime drama of how the early FBI foiled an invasion from within the United States *The Life and Work of Francis Willey Kelsey* John G Pedley,2012 If Indiana Jones had relied on trains **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office,1973 *Quarterly Review of Military Literature* ,1971 *Texas Rangers* Bob Alexander,Donaly E. Brice,2017-07-15 Authors Bob Alexander and Donaly E Brice grappled with several issues when deciding how to relate a general history of the Texas Rangers Should emphasis be placed on their frontier defense against Indians or focus more on their role as guardians of the peace and statewide law enforcers What about the tumultuous Mexican Revolution period 1910 1920 And how to deal with myths and legends such as One Riot One Ranger Texas Rangers Lives Legend and Legacy is the authors answer to these questions a one volume history of the Texas Rangers The authors begin with the earliest Rangers in the pre Republic years in 1823 and take the story up through the Republic Mexican War and Civil War Then with the advent of the Frontier Battalion the authors focus in detail on each company A through F relating what was happening within each company concurrently Thereafter Alexander and Brice tell the famous episodes of the Rangers that forged their legend and bring the story up through the twentieth century to the present day in the final chapters **From Above and Below** Craig Livingston,2013-06-01 2014 Best International Book Award Mormon History Association For the first century of their church s existence Mormon observers of international events studied and cheered global revolutions as a religious exercise As believers in divine human co agency many prominent Mormons saw global revolutions as providential precursors to the imminent establishment of the terrestrial kingdom of God French Revolutionary symbolism socialist critiques of industrialism American Indian nationalism and Wilsonian internationalism all became the raw materials of Mormon millennial theologies which were sometimes barely distinguishable from secular utopianism Many Mormon thinkers accepted secular revolutionary arguments that the old world order needed to be destroyed not merely reformed to clear the way for the new In From Above and Below author Craig Livingston tells the story of Mormon commentary on global revolutions from the European revolutions of 1848 to the collapse of Mormon faith in progress in the 1930s when revolutionary communist and fascist regimes exposed themselves as violent and repressive As the Church bureaucratized and assimilated to mainstream American and capitalist values Mormons became champions of the conservative view of political and social development for which they are known today The first Mormon converts in Mexico and France both political radicals would scarcely recognize the arch conservative twenty first century Church
