Broken Hallelujahs Neal J. Anthony, 2025-08-19 Ordained Christian ministry can be messy raw frustrating and plagued with judgment errors It swings between poles of despair and joy resentment and gratitude isolation and community depths of pain and healing It occurs in a church body wrestling over fundamental expressions of ministry in times of division The word of God abides within all of it Such is the experience which Neal Anthony an ordained Lutheran minister for over twenty five years has woven together through various threads of first person ministry narrative *Broken Hallelujahs* provides at once a powerful narration of Christian ministry both its personal investment and a penetrating development of many theological themes within that context What results is more than a pastoral memoir but a profound theology for ministry which sketches the crucified solidarity which unites minister and laity Ultimately Anthony professes the beauty of the church's hallelujahs is not in the heights to which they soar but the crucified depths from which they are uttered In those depths stirs both the liturgy of Christ's presence and the healing begotten of that presence Within these pages are narratives of the church's crucified praise the majesty of Christ's *Broken Hallelujah*

The Anubis Pact Gaurav Garg, Her theories cost her everything The truth will cost her soul Dr Lena Nasser is a pariah in the world of academia haunted by the ghost of her father's legacy and ridiculed for her belief that the Egyptian underworld is a real physical place With nothing left to lose she performs a dangerous forbidden ritual hoping only for a whisper of validation from the other side Instead she gets a god When the ritual goes awry Lena's soul is violently bound to Anubis the ancient powerful and coldly beautiful god of death Trapped in the stunning terrifying landscapes of the Duat she is a prisoner of the very myths she has studied Anubis a being of pure law and order sees her as a chaotic contaminant a mortal stain on his perfect realm that he must cleanse even if it destroys her But a new darkness is rising A supernatural soul blight is spreading through the afterlife a plague that eats at the very essence of the dead Anubis faced with a threat his divine senses cannot comprehend realizes the only one who can see the pattern in the decay is his mortal prisoner Forced into a reluctant

alliance they must navigate a web of divine politics fend off a high tech invasion from a mortal rival and hunt the vengeful god responsible for the blight Their journey together a clash of mortal heart and divine duty soon deepens into a fierce forbidden love that threatens to shatter the laws of both their worlds Now caught between a conspiracy of the gods and the ambitions of men Anubis must weigh his eternal kingdom on the scales against a mortal woman s heart He is the god of endings but to save her he may have to sacrifice everything he is The Anubis Pact is a breathtaking epic romantasy perfect for fans of Sarah J Maas and Madeline Miller weaving a tale of high stakes adventure ancient mythology and a love powerful enough to defy death itself
