**The E-Myth Manager** Michael E. Gerber, 2009-10-13 More than ten years after his first bestselling book *The E-Myth* changed the lives of hundreds of thousands of small business owners Michael Gerber, entrepreneur author and speaker extraordinaire, releases the next salvo in his highly successful *E-Myth Revolution*. Drawing on lessons learned from working with more than 15,000 small, medium-sized and very large organisations, Gerber has discovered the truth behind why management doesn't work and what to do about it. Unearthing the arbitrary origins of commonly held doctrines such as the omniscience of the leader, the Emperor, and the most widely embraced myth of all, *The E-Myth Manager* offers a fresh, provocative alternative to management as we know it. It explores why every manager must take charge of his own life, reconcile his own personal vision with that of the organisation, and develop an entrepreneurial mind set to achieve true success. **The E-Myth Manager**

Michael E. Gerber, 1998-06-01 Drawing on lessons learned from working with various sized organizations, Gerber has discovered the truth behind why mgmt doesn't work, what to do about it. Most organizations seem to exist in a primarily dysfunctional state. What is required to transform the job of the manager, the organization is a revolution in the idea of management, its execution. He explores how every manager must take charge of his or her own life, reconcile her own personal vision with that of the organization, develop an entrepreneurial mindset for both the individual, the organization to succeed. He provides a revolutionary 7 step system for success. **The E-myth Manager** Michael E. Gerber, 2010

Summary: The E-Myth Manager BusinessNews Publishing, 2014-10-28 The must read summary of Michael Gerber's book *The E-Myth Manager: Why Management Doesn't Work And What to Do about It*. This complete summary of the ideas from Michael Gerber's book *The E-Myth Manager* explains the concept of the entrepreneurial myth, which states that because someone knows how to do the technical work of a business, they also tend to assume they know how to build a business that works. In practice, most businesses fail because they are started and run by technicians rather than entrepreneurs. In his book, the author explains how an e-myth manager operates their organisation as if it were his or her own small business, free of the politics that often enter into the equation with large organisations. This summary is a must read for managers and provides the key to creating a real and successful organisation. Added value of this summary: Save time. Understand key concepts. Expand your knowledge. To learn more, read *The E-Myth Manager* and find out the solution to creating a business that works.
